## CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This report contains forward-looking statements that involve substantial risks and uncertainties. These forward-looking statements are not historical facts, but rather are based on current expectations, estimates and projections about us, our current and prospective portfolio investments, our industry, our beliefs, and our assumptions. Words such as “anticipates,” “expects,” “intends,” “plans,” “believes,” “seeks,” “estimates,” “would,” “should,” “targets,” “projects,” and variations of these words and similar expressions are intended to identify forward-looking statements. These statements are not guarantees of future performance and are subject to risks, uncertainties, and other factors, some of which are beyond our control and difficult to predict, that could cause actual results to differ materially from those expressed or forecasted in the forward-looking statements.

In addition to factors previously identified elsewhere in the reports and other documents Sixth Street Lending Partners (the “Company,” “we,” “us” or “our”), has filed with the U.S. Securities and Exchange Commission (the “SEC”), the following factors, among others, could cause actual results to differ materially from forward-looking statements or historical performance:

- an economic downturn could impair our portfolio companies’ abilities to continue to operate, which could lead to the loss of some or all of our investments in those portfolio companies;
- such an economic downturn could disproportionately impact the companies in which we have invested and others that we intend to target for investment, potentially causing us to experience a decrease in investment opportunities and diminished demand for capital from these companies;
- such an economic downturn could also impact availability and pricing of our financing;
- an inability to access the capital markets could impair our ability to raise capital and our investment activities;
- inflation could negatively impact our business, including our ability to access the debt markets on favorable terms, or could negatively impact our portfolio companies;
- changes in political, economic or industry conditions, the interest rate environment or conditions affecting the financial and capital markets, including the effects of trade policies, government regulation and geopolitical conflicts; and
- the risks, uncertainties and other factors we identify in the section entitled “Risk Factors” in this report, in our Annual Report on Form 10-K for the year ended December 31, 2025, filed with the SEC on February 13, 2026, and elsewhere in our filings with the SEC.

Although we believe that the assumptions on which these forward-looking statements are based are reasonable, some of those assumptions are based on the work of third parties and any of those assumptions could prove to be inaccurate; as a result, forward-looking statements based on those assumptions also could prove to be inaccurate. In light of these and other uncertainties, the inclusion of a projection or forward-looking statement in this report should not be regarded as a representation by us that our plans and objectives will be achieved. You should not place undue reliance on these forward-looking statements, which apply only as of the date of this report. We do not undertake any obligation to update or revise any forward-looking statements or any other information contained herein, except as required by applicable law.

- (a) Contains a variable rate structure. Bears interest at a rate determined by SOFR.
  - (b) Instrument is used in a hedge accounting relationship. The associated change in fair value is recorded along with the change in fair value of the hedged item within interest expense.
- (1) Unless otherwise indicated, the Company's portfolio companies are domiciled in the United States. Certain portfolio company investments are subject to contractual restrictions on sales.
  - (2) The amortized cost represents the original cost adjusted for the amortization of discounts and premiums, as applicable, on debt investments using the effective interest method.
  - (3) Investment contains a variable rate structure, subject to an interest rate floor. Variable rate investments bear interest at a rate that may be determined by reference to either Canadian Overnight Repo Rate Average ("CORRA" or "C"), Euro Interbank Offer Rate ("EURIBOR" or "E"), Term Secured Overnight Financing Rate ("SOFR"), which may also contain a credit spread adjustment depending on the tenor election, Sterling Overnight Index Average Rate ("SONIA" or "S"), Stockholm Interbank Offered Rate ("STIBOR"), Norwegian Interbank Offered Rate ("NIBOR" or "N") or an alternate base rate (which can include the Federal Funds Effective Rate or the Prime Rate or "P"), all of which include an available tenor, selected at the borrower's option, which reset periodically based on the terms of the credit agreement. For investments with multiple interest rate contracts, the interest rate shown is the weighted average interest rate in effect at March 31, 2026.
  - (4) This portfolio company is not a qualifying asset under Section 55(a) of the 1940 Act. Under the 1940 Act, the Company may not acquire any non-qualifying asset unless, at the time such acquisition is made, qualifying assets represent at least 70% of total assets. Non-qualifying assets represented 26.3% of total assets as of March 31, 2026.
  - (5) In addition to the interest earned based on the stated interest rate of this investment, which is the amount reflected in this schedule, the Company may be entitled to receive additional interest as a result of an arrangement with other members in the syndicate to the extent an investment has been allocated to "first out" and "last out" tranches, whereby the "first out" tranche will have priority as to the "last out" tranche with respect to payments of principal, interest and any amounts due thereunder and the Company holds the "last out" tranche.
  - (6) Under the 1940 Act, the Company is deemed to be an "Affiliated Person" (as such term is defined in the 1940 Act) of the portfolio company as the Company owns more than 5% of the portfolio company's outstanding voting securities. Transactions during the three months ended March 31, 2026 in which the Company was an Affiliated Person of the portfolio company are as follows:

  - (b) Gross reductions include decreases in the cost basis of investments resulting from principal collections related to investment repayments or sales, and the amortization of any premiums on debt investments, as applicable. When an investment is placed on non-accrual status, any cash flows received by the Company are applied to the outstanding principal balance.
- (7) As of March 31, 2026, the estimated cost basis of investments for U.S. federal tax purposes was \$8,621,290, resulting in estimated gross unrealized gains and losses of \$370,164 and \$435,237, respectively.
  - (8) In accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 820, Fair Value Measurements ("ASC Topic 820"), unless otherwise indicated, the fair values of all investments were determined using significant unobservable inputs and are considered Level 3 investments. See Note 6 for further information related to investments at fair value.
  - (9) This investment is non-income producing.
  - (10) All or a portion of this security was acquired in a transaction exempt from registration under the Securities Act of 1933, as amended (the "Securities Act"), and may be deemed to be "restricted securities" under the Securities Act. As of March 31, 2026, the aggregate fair value of these securities is \$32,307, or 0.8% of the Company's net assets.
  - (11) Investment is on non-accrual status as of March 31, 2026.
  - (12) This investment is valued using observable inputs and is considered a Level 2 investment. See Note 6 for further information related to investments at fair value.
  - (13) In addition to the principal amount outstanding and accrued interest owed on this investment, the Company is entitled to a separate Make-Whole Amount (the "Make-Whole") of \$29.8 million. The Make-Whole is a contractual obligation of the borrower and accrues interest on the balance outstanding. The Make-Whole is included on the Company's Consolidated Balance

Sheet within other assets, net of any valuation allowance. Given uncertainty relating to collectability of the Make-Whole, the Company has applied a full valuation allowance against the amount of the Make-Whole balance outstanding.

- (a) Contains a variable rate structure. Bears interest at a rate determined by SOFR.
  - (b) Instrument is used in a hedge accounting relationship. The associated change in fair value is recorded along with the change in fair value of the hedged item within interest expense.
- (1) Unless otherwise indicated, the Company's portfolio companies are domiciled in the United States. Under the Investment Company Act of 1940, as amended (the "1940 Act"), the Company would "control" a portfolio company if the Company owned more than 25% of its outstanding voting securities and/or had the power to exercise control over the management or policies of such portfolio company. As of December 31, 2025, the Company does not "control" any of the portfolio companies. Also under the 1940 Act, the Company would be deemed to be an "Affiliated Person" of a portfolio company if the Company owns more than 5% of the portfolio company's outstanding voting securities. As of December 31, 2025, the Company does not identify any of its portfolio companies as affiliates.
  - (2) The amortized cost represents the original cost adjusted for the amortization of discounts and premiums, as applicable, on debt investments using the effective interest method.
  - (3) Investment contains a variable rate structure, subject to an interest rate floor. Variable rate investments bear interest at a rate that may be determined by reference to either Canadian Overnight Repo Rate Average ("CORRA" or "C"), Euro Interbank Offer Rate ("EURIBOR" or "E"), Term Secured Overnight Financing Rate ("SOFR"), which may also contain a credit spread adjustment depending on the tenor election, Sterling Overnight Index Average Rate ("SONIA" or "S"), Stockholm Interbank Offered Rate ("STIBOR"), Norwegian Interbank Offered Rate ("NIBOR" or "N") or an alternate base rate (which can include the Federal Funds Effective Rate or the Prime Rate or "P"), all of which include an available tenor, selected at the borrower's option, which reset periodically based on the terms of the credit agreement. For investments with multiple interest rate contracts, the interest rate shown is the weighted average interest rate in effect at December 31, 2025.
  - (4) This portfolio company is not a qualifying asset under Section 55(a) of the 1940 Act. Under the 1940 Act, the Company may not acquire any non-qualifying asset unless, at the time such acquisition is made, qualifying assets represent at least 70% of total assets. Non-qualifying assets represented 26.7% of total assets as of December 31, 2025.
  - (5) In addition to the interest earned based on the stated interest rate of this investment, which is the amount reflected in this schedule, the Company may be entitled to receive additional interest as a result of an arrangement with other members in the syndicate to the extent an investment has been allocated to "first out" and "last out" tranches, whereby the "first out" tranche will have priority as to the "last out" tranche with respect to payments of principal, interest and any amounts due thereunder and the Company holds the "last out" tranche.
  - (6) In accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 820, Fair Value Measurements ("ASC Topic 820"), unless otherwise indicated, the fair values of all investments were determined using significant unobservable inputs and are considered Level 3 investments. See Note 6 for further information related to investments at fair value.
  - (7) As of December 31, 2025, the estimated cost basis of investments for U.S. federal tax purposes was \$7,918,126 resulting in estimated gross unrealized gains and losses of \$290,520 and \$207,578, respectively.
  - (8) This investment is non-income producing.
  - (9) Certain portfolio company investments are subject to contractual restrictions on sales.
  - (10) All or a portion of this security was acquired in a transaction exempt from registration under the Securities Act of 1933, as amended (the "Securities Act"), and may be deemed to be "restricted securities" under the Securities Act. As of December 31, 2025, the aggregate fair value of these securities is \$29,105, or 0.7% of the Company's net assets.
  - (11) In addition to the principal amount outstanding and accrued interest owed on this investment, the Company is entitled to a separate Make-Whole Amount (the "Make-Whole") of \$28.8 million. The Make-Whole is a contractual obligation of the borrower and accrues interest on the balance outstanding. The Make-Whole is included on the Company's Consolidated Balance Sheet within other assets, net of any valuation allowance. Given uncertainty relating to collectability of the Make-Whole, the Company has applied a full valuation allowance against the amount of the Make-Whole balance outstanding.
  - (12) This investment is valued using observable inputs and is considered a Level 2 investment. See Note 6 for further information related to investments at fair value.
  - (13) Investment is on non-accrual status as of December 31, 2025.

## **1. Organization and Basis of Presentation**

### *Organization*

Sixth Street Lending Partners (the “Company”) is a Delaware statutory trust formed on April 5, 2022 (“Inception”). The Company was formed primarily to lend to, and selectively invest in, upper middle-market companies in the United States. The Company has elected to be regulated as a business development company (“BDC”) under the 1940 Act. In addition, for tax purposes, the Company has elected to be treated as a regulated investment company (“RIC”) under Subchapter M of the Internal Revenue Code of 1986, as amended (the “Code”). The Company is managed by Sixth Street Lending Partners Advisers, LLC (the “Adviser”).

On May 12, 2022, the Company formed a wholly-owned subsidiary, SSLP Lending, LLC, a Delaware limited liability company.

On December 8, 2022, the Company formed a wholly-owned subsidiary, Sixth Street LP Holding II, LLC, a Delaware limited liability company.

On December 21, 2023, the Company formed a wholly-owned subsidiary, Sixth Street Lending Partners Sub, LLC, a Cayman Islands limited liability company.

The Company is conducting a private offering (the “Private Offering”) of its Common Shares of beneficial interest (the “Common Shares”) to accredited investors, as defined in Regulation D under the Securities Act of 1933 (the “1933 Act”) in reliance on exemptions from the registration requirements of the 1933 Act. Common Shares will be offered for subscription continuously throughout an initial closing period and may be offered from time to time thereafter. Each investor in the Private Offering will make a capital commitment (a “Capital Commitment”) to purchase Common Shares of the Company pursuant to a subscription agreement entered into with the Company. Investors will be required to fund drawdowns to purchase the Company’s Common Shares up to the amount of their respective Capital Commitments on an as-needed basis each time the Company delivers a notice to the investors.

The Company completed its initial closing of Capital Commitments and commenced its loan origination and investment activities on August 31, 2022 (“Commencement of Operations”), the date of receipt of the initial drawdown from investors in the Private Offering.

On December 23, 2025, affiliates of Sixth Street, including the Company, and affiliates of Carlyle Group Inc. (“Carlyle”) entered into an amended and restated limited liability company agreement, as amended from time to time (the “Limited Liability Company Agreement”) to co-manage Structured Credit Partners JV, LLC (“SCP”), a joint venture focused on investing in broadly syndicated first lien senior secured loans, financed with long-term, non-mark-to-market, and predominantly investment grade rated CLO debt. The Company has 25.0% voting ownership in SCP and has commitments to fund, from time to time, capital of up to \$100.0 million. Refer to Note 6, Fair Value of Financial Instruments, to these consolidated financial statements for further details.

### *Basis of Presentation*

The accompanying consolidated financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”), and include the accounts of the Company and its subsidiaries. In the opinion of management all adjustments considered necessary for the fair presentation of the consolidated financial statements for the periods presented have been included. The results of operations for interim periods are not indicative of results to be expected for the full year. All intercompany balances and transactions have been eliminated in consolidation.

Certain financial information that is normally included in annual financial statements, including certain financial statement footnotes, prepared in accordance with U.S. GAAP, is not required for interim reporting purposes and has been condensed or omitted herein. These consolidated financial statements should be read in conjunction with the Company’s consolidated financial statements and notes related thereto included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2025, which was filed with the Securities and Exchange Commission (“SEC”), on February 13, 2026.

The Company is an investment company and, therefore, applies the specialized accounting and reporting guidance in Accounting Standards Codification (“ASC”) Topic 946, *Financial Services – Investment Companies*.

### *Fiscal Year End*

The Company’s fiscal year ends on December 31.

## 2. Significant Accounting Policies

### *Use of Estimates*

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements. Actual amounts could differ from those estimates and such differences could be material.

### *Cash and Cash Equivalents*

Cash and cash equivalents may consist of demand deposits, highly liquid investments (e.g., money market funds, U.S. Treasury notes, and similar type instruments) with original maturities of three months or less, and restricted cash pledged as collateral for certain centrally cleared derivative instruments. Cash and cash equivalents denominated in U.S. dollars are carried at cost, which approximates fair value. The Company deposits its cash and cash equivalents with highly-rated banking corporations and, at times, cash deposits may exceed the insured limits under applicable law.

### *Investments at Fair Value*

Loan originations are recorded on the date of the binding commitment, which is generally the funding date. Investment transactions purchased through the secondary markets are recorded on the trade date. Realized gains or losses are measured by the difference between the net proceeds received (excluding prepayment fees, if any) and the amortized cost basis of the investment without regard to unrealized gains or losses previously recognized, and include investments charged off during the period, net of recoveries. The net change in unrealized gains or losses primarily reflects the change in investment values and also includes the reversal of previously recorded unrealized gains or losses with respect to investments realized during the period.

Investments for which market quotations are readily available are typically valued at those market quotations. To validate market quotations, the Company utilizes a number of factors to determine if the quotations are representative of fair value, including the source and number of the quotations. Debt and equity securities that are not publicly traded or whose market prices are not readily available, as is the case for substantially all of our investments, are valued at fair value as determined in good faith by the Company's Board of Trustees (the "Board"), based on, among other things, the input of the Adviser, the Company's Audit Committee and independent third-party valuation firms engaged at the direction of the Board.

As part of the valuation process, the Board takes into account relevant factors in determining the fair value of the Company's investments, including and in combination of: the estimated enterprise value of a portfolio company (that is, the total value of the portfolio company's net debt and equity), the nature and realizable value of any collateral, the portfolio company's ability to make payments based on its earnings and cash flow, the markets in which the portfolio company does business, a comparison of the portfolio company's securities to any similar publicly traded securities, and overall changes in the interest rate environment and the credit markets that may affect the price at which similar investments may be made in the future. When an external event such as a purchase transaction, public offering or subsequent equity sale occurs, the Board considers whether the pricing indicated by the external event corroborates its valuation.

The Board undertakes a multi-step valuation process, which includes, among other procedures, the following:

- The valuation process begins with each investment being initially valued by the investment professionals responsible for the portfolio investment in conjunction with the portfolio management team.
- The Adviser's management reviews the preliminary valuations with the investment professionals. Agreed upon valuation recommendations are presented to the Audit Committee.
- The Audit Committee reviews the valuations presented and recommends values for each investment to the Board.
- The Board reviews the recommended valuations and determines the fair value of each investment; valuations that are not based on readily available market quotations are valued in good faith based on, among other things, the input of the Adviser, Audit Committee and, where applicable, other third parties including independent third-party valuation firms engaged at the direction of the Board.

The Company conducts this valuation process on a quarterly basis.

The Board has engaged independent third-party valuation firms to perform certain limited procedures that the Board has identified and requested them to perform in connection with the valuation process of investments for which no market quotations are readily available. At March 31, 2026, the independent third-party valuation firms performed their procedures over substantially all of the

Company's investments. Upon completion of such limited procedures, the third-party valuation firms concluded that the fair value, as determined by the Board, of those investments subjected to their limited procedures, appeared reasonable.

The Company applies Financial Accounting Standards Board Accounting Standards Codification Topic 820, *Fair Value Measurement* ("ASC Topic 820"), as amended, which establishes a framework for measuring fair value in accordance with U.S. GAAP and required disclosures of fair value measurements. ASC Topic 820 determines fair value to be the price that would be received for an investment in a current sale, which assumes an orderly transaction between market participants on the measurement date. Market participants are defined as buyers and sellers in the principal or most advantageous market (which may be a hypothetical market) that are independent, knowledgeable, and willing and able to transact. In accordance with ASC Topic 820, the Company considers its principal market to be the market that has the greatest volume and level of activity. ASC Topic 820 specifies a fair value hierarchy that prioritizes and ranks the level of observability of inputs used in determination of fair value. In accordance with ASC Topic 820, these levels are summarized below:

- Level 1—Valuations based on quoted prices in active markets for identical assets or liabilities that the Company has the ability to access.
- Level 2—Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.
- Level 3—Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Transfers between levels, if any, are recognized at the beginning of the quarter in which the transfers occur. In addition to using the above inputs in investment valuations, the Company applies the valuation policy approved by its Board that is consistent with ASC Topic 820. Consistent with the valuation policy, the Company evaluates the source of inputs, including any markets in which its investments are trading (or any markets in which securities with similar attributes are trading), in determining fair value. When a security is valued based on prices provided by reputable dealers or pricing services (that is, broker quotes), the Company subjects those prices to various additional criteria in making the determination as to whether a particular investment would qualify for treatment as a Level 2 or Level 3 investment. For example, the Company reviews pricing provided by dealers or pricing services in order to determine if observable market information is being used, versus unobservable inputs. Some additional factors considered include the number of prices obtained as well as an assessment as to their quality, such as the depth of the relevant market relative to the size of the Company's position.

Due to the inherent uncertainty of determining the fair value of investments that do not have a readily available market value, the fair value of the Company's investments may fluctuate from period to period. Additionally, the fair value of such investments may differ significantly from the values that would have been used had a ready market existed for such investments and may differ materially from the values that may ultimately be realized. Further, such investments are generally less liquid than publicly traded securities and may be subject to contractual and other restrictions on resale. If the Company were required to liquidate a portfolio investment in a forced or liquidation sale, it could realize amounts that are different from the amounts presented and such differences could be material.

In addition, changes in the market environment including the impact of changes in broader market indices and credit spreads and other events that may occur over the life of the investments may cause the gains or losses ultimately realized on these investments to be different than the unrealized gains or losses reflected herein.

#### *Financial and Derivative Instruments*

The Company recognizes all derivative instruments as assets or liabilities at fair value in its consolidated financial statements, pursuant to ASC Topic 815 Derivatives and Hedging, further clarified by the FASB's issuance of the Accounting Standards Update ("ASU") No. 2017-12, Derivatives and Hedging, which was adopted in 2019 by the Company. For all derivative instruments designated in a hedge accounting relationship, the entire change in the fair value of the hedging instrument shall be recorded in the same line item of the Consolidated Statements of Operations as the hedged item. The Company uses certain interest rate swaps as derivative instruments to hedge the Company's fixed rate debt, and therefore both the periodic payment and the change in fair value for the effective hedge, if applicable, will be recognized as components of interest expense in the Consolidated Statements of Operations. For derivative contracts entered into by the Company that are not designated in a hedge accounting relationship, the Company presents changes in the fair value through current period earnings.

In the normal course of business, the Company has commitments and risks resulting from its investment transactions, which may include those involving derivative instruments. Derivative instruments are measured in terms of the notional contract amount and derive their value based upon one or more underlying instruments. While the notional amount gives some indication of the Company's derivative activity, it generally is not exchanged, but is only used as the basis on which interest and other payments are exchanged. Derivative instruments are subject to various risks similar to non-derivative instruments including market, credit, liquidity, and

operational risks. The Company manages these risks on an aggregate basis as part of its risk management process. Derivatives, including the Company's interest rate swaps, for which broker quotes are available are typically valued at those broker quotes.

#### *Offsetting Assets and Liabilities*

Foreign currency forward contract and interest rate swap receivables or payables pending settlement are offset, and the net amount is included with receivable or payable for foreign currency forward contracts or interest rate swaps in the Consolidated Balance Sheets when, and only when, they are with the same counterparty, the Company has the legal right to offset the recognized amounts, and it intends to either settle on a net basis or realize the asset and settle the liability simultaneously.

#### *Foreign Currency*

Foreign currency amounts are translated into U.S. dollars on the following basis:

- cash and cash equivalents, market value of investments, outstanding debt on revolving credit facilities, other assets and liabilities: at the spot exchange rate on the last business day of the period; and
- purchases and sales of investments, borrowings and repayments of such borrowings, income and expenses: at the rates of exchange prevailing on the respective dates of such transactions.

Although net assets and fair values are presented based on the applicable foreign exchange rates described above, the Company does not isolate that portion of the results of operations resulting from changes in foreign exchange rates on investments from the fluctuations arising from changes in fair values of investments held. Such fluctuations are included with the net realized and unrealized gain or loss from investments. The Company's current approach to hedging the foreign currency exposure in its non-U.S. dollar denominated investments is primarily to borrow the par amount in local currency under the Company's Subscription Facility and Revolving Credit Facility ("Credit Facilities") to fund these investments. Fluctuations arising from the translation of foreign currency borrowings are included with the net change in unrealized gains (losses) on translation of assets and liabilities in foreign currencies on the Consolidated Statements of Operations.

Investments denominated in foreign currencies and foreign currency transactions may involve certain considerations and risks not typically associated with those of domestic origin, including unanticipated movements in the value of the foreign currency relative to the U.S. dollar.

#### *Organization and Offering Expenses*

Organization and offering costs will be borne by the Company and have been advanced from the Adviser subject to recoupment. Costs associated with the organization of the Company have been expensed as incurred, subject to the limitation described below. These expenses consist primarily of legal fees and other costs of organizing the Company.

Costs associated with the offering of Common Shares of the Company will be capitalized as deferred offering expenses on the Consolidated Balance Sheet and amortized over a twelve-month period from incurrence. These expenses consist primarily of legal fees and other costs incurred in connection with the Company's private offering of its Common Shares.

The Company will not bear more than an amount equal to 0.10% of the aggregate Commitments of the Company for organization and offering expenses in connection with the offering of Common Shares. If actual organization and offering costs incurred exceed 0.10% of the Company's total Capital Commitments, the Adviser or its affiliates will bear the excess costs. To the extent that the Company's Capital Commitments later increase, the Adviser or its affiliates may be reimbursed for past payments of excess organization and offering costs made on the Company's behalf, provided that the total organization and offering costs borne by the Company do not exceed 0.10% of total Capital Commitments and provided further that the Adviser or its affiliates may not be reimbursed for payment of excess organization and offering expenses that were incurred more than three years prior to the proposed reimbursement.

As of March 31, 2026 and March 31, 2025, there were no expenses borne by the Adviser subject to future recoupment. Any sales load, platform fees, servicing fees or similar fees or expenses charged directly to an investor in an offering by a placement agent or similar party will not be considered organization or offering expenses of the Company for purposes of the Company's cap on organization and offering expenses.

#### *Debt Issuance Costs*

The Company records origination and other expenses related to its debt obligations as deferred financing costs, which are presented as a direct deduction from the carrying value of the related debt liability. These expenses are deferred and amortized using the effective interest method, or straight-line method, over the stated maturity of the debt obligation.

### *Interest and Dividend Income Recognition*

Interest income is recorded on an accrual basis and includes the amortization of discounts and premiums. Discounts and premiums to par value on securities purchased or originated are amortized into interest income over the contractual life of the respective security using the effective interest method. The amortized cost of investments represents the original cost adjusted for the amortization of discounts and premiums, if any.

Unless providing services in connection with an investment, such as syndication, structuring or diligence, all or a portion of any loan fees received by the Company will be deferred and amortized over the investment's life using the effective interest method.

Loans are generally placed on non-accrual status when principal or interest payments are past due 30 days or more or when management has reasonable doubt that the borrower will pay principal or interest in full. Accrued and unpaid interest is generally reversed when a loan is placed on non-accrual status. Interest payments received on non-accrual loans may be recognized as income or applied to principal depending upon management's judgment regarding collectability. Non-accrual loans are restored to accrual status when past due principal and interest has been paid and, in management's judgment, the borrower is likely to make principal and interest payments in the future. Management may determine to not place a loan on non-accrual status if, notwithstanding any failure to pay, the loan has sufficient collateral value and is in the process of collection.

Dividend income on preferred equity securities is recorded on an accrual basis to the extent that such amounts are payable by the portfolio company and are expected to be collected. Dividend income on common equity securities is recorded on the record date for private portfolio companies or on the ex-dividend date for publicly-traded portfolio companies.

### *Other Income*

From time to time, the Company may receive fees for services provided to portfolio companies by the Adviser. The services that the Adviser provides vary by investment, but may include syndication, structuring, arranger, diligence fees, or other service-based fees and fees for providing managerial assistance to our portfolio companies and are recognized as revenue when earned.

### *Earnings per share*

The Company's earnings per share ("EPS") amounts have been computed based on the weighted-average number of Common Shares outstanding for the period. Basic EPS is computed by dividing net increase (decrease) in net assets resulting from operations by the weighted average number of Common Shares outstanding during the period. Diluted EPS is computed by dividing net increase (decrease) in net assets resulting from operations by the weighted average number of Common Shares assuming all potential shares had been issued and the additional Common Shares were dilutive. Diluted EPS reflects the potential dilution, using the if-converted method for convertible debt, which could occur if all potentially dilutive securities were exercised.

### *Reimbursement of Transaction-Related Expenses*

The Company may receive reimbursement for certain transaction-related expenses in pursuing investments. Transaction-related expenses, which are expected to be reimbursed by third parties, are typically deferred until the transaction is consummated and are recorded in Prepaid expenses and other assets on the date incurred. The transaction-related costs of pursuing investments not otherwise reimbursed are borne by the Company and for successfully completed investments included as a component of the investment's cost basis.

Cash advances received in respect of transaction-related expenses are recorded as Cash and cash equivalents with an offset to Other liabilities or Other payables to affiliates. Other liabilities or Other payables to affiliates are relieved as reimbursable expenses are incurred.

### *Income Taxes, Including Excise Taxes*

The Company has elected to be treated as a RIC under Subchapter M of the Code, and the Company intends to operate in a manner so as to continue to qualify for the tax treatment applicable to RICs. To qualify as a RIC, the Company must, among other things, distribute to its shareholders in each taxable year generally at least 90% of its investment company taxable income, as defined by the Code, and net tax-exempt income for that taxable year. To maintain its RIC status, the Company, among other things, has made and intends to continue to make the requisite distributions to its shareholders, which generally relieves the Company from corporate-level U.S. federal income taxes.

The Company evaluates tax positions taken or expected to be taken in the course of preparing its financial statements to determine whether the tax positions are "more-likely-than-not" to be sustained by the applicable tax authority. Tax positions not deemed to meet the "more-likely-than-not" threshold are reserved and recorded as a tax benefit or expense in the current year. All penalties and interest associated with income taxes are included in income tax expense. Conclusions regarding tax positions are subject to review

and may be adjusted at a later date based on factors including, but not limited to, on-going analyses of tax laws, regulations and interpretations thereof.

Depending on the level of taxable income earned in a tax year, the Company can be expected to carry forward taxable income (including net capital gains, if any) in excess of current year dividend distributions from the current tax year into the next tax year and pay a nondeductible 4% U.S. federal excise tax on such taxable income, as required. To the extent that the Company determines that the estimated current year annual taxable income will be in excess of estimated current year dividend distributions from such income, the Company accrues excise tax on estimated excess taxable income.

For both the three months ended March 31, 2026 and 2025, the Company recorded a net expense of less than \$0.1 million and less than \$0.1 million, respectively, for U.S. federal excise tax and other taxes.

#### *Dividends to Common Shareholders*

Dividends to common shareholders are recorded on the record date. The amount to be paid out as a dividend is determined by the Board and is generally based upon the earnings estimated by the Adviser. Net realized long-term capital gains, if any, would generally be distributed at least annually, although the Company may decide to retain such capital gains.

The Company has adopted a dividend reinvestment plan that provides for reinvestment of any dividends declared in cash on behalf of shareholders, unless a shareholder elects to receive cash. As a result, if the Board authorizes and declares a cash dividend, then the shareholders who have not “opted out” of the dividend reinvestment plan will have their cash dividends automatically reinvested in additional shares of the Company’s Common Shares, rather than receiving the cash dividend. The Company expects to use newly issued shares to satisfy the dividend reinvestment plan. See Note 11 for further information related to dividends.

#### *Segment Reporting*

The Company has one reportable segment: Investment Activity. The Investment Activity segment generates revenue primarily in the form of interest income from the investments it holds. In addition, the Company may generate income from dividends on equity investments, capital gains on the sale of investments and various loan origination and other fees.

The Company’s chief operating decision maker (the “CODM”) is comprised of the senior executive committee that includes the Chief Executive Officer, Chief Financial Officer, and the Deputy Chief Financial Officer.

The CODM uses the net increase (decrease) in net assets resulting from operations to evaluate income generated from segment investment activities. The evaluation and assessment of this metric is used in implementing investment policy decisions, strategic initiatives, managing the company’s portfolio, evaluation of the company’s distribution policy and assessing the performance of the portfolio.

The accounting policies of the Investment Activity segment are the same as those described in the summary of significant accounting policies. The CODM assesses performance for the segment and determines how to allocate resources based on the net increase (decrease) in net assets resulting from operations that also is reported on the Consolidated Statement of Operations. Significant segment expenses are reported as total expenses on the Consolidated Statement of Operations. The measure of segment assets is reported on the consolidated balance sheet as total assets.

#### *Recent Accounting Standards and Regulatory Updates*

In December 2024, the FASB issued ASU No. 2024-04, "Debt with Conversion and Other Options (Subtopic 470): Induced Conversions of Convertible Debt Instruments," which clarifies the requirements for determining whether certain settlements of convertible debt instruments should be accounted for as induced conversions rather than as debt extinguishments. This update is effective for annual periods beginning after December 15, 2025, including interim periods within those fiscal years, though early adoption is permitted. The Company adopted ASU 2024-04, effective March 31, 2026, and concluded that the application of this guidance did not have any material impact on its consolidated financial statements.

In November 2025, the FASB issued ASU No. 2025-09, “Derivatives and Hedging (Topic 815): Hedge Accounting Improvements”, which intends to more closely align hedge accounting with the economics of an entity’s risk management activities. This update is effective for annual periods beginning after December 15, 2026, including interim periods within those fiscal years, though early adoption is permitted. The Company does not expect this update to have a material effect on the Company’s consolidated financial statements.

In March 2026, the FASB issued ASU No. 2025-11, “Interim Reporting (Topic 270): Narrow-Scope Improvements (“ASU 2025-11”), which intends to improve the guidance in Topic 270, Interim Reporting, in order to improve navigability of required interim disclosures and clarify when that guidance is applicable. This update is effective for interim periods in fiscal years beginning after December 15, 2027. The Company does not expect this update to have a material effect on the Company’s consolidated financial statements.

In March 2026, the FASB issued ASU No. 2025-12, “Codification Improvements”, which is part of a standing project to address suggestions received from stakeholders that intends to clarify accounting guidance, correct errors and make technical corrections to the Accounting Standards Codification. This update is effective for interim periods in fiscal years beginning after December 15, 2026, though early adoption is permitted. The Company does not expect this update to have a material effect on the Company’s consolidated financial statements.

### **3. Agreements and Related Party Transactions**

#### *Administration Agreement*

On June 28, 2022, the Company entered into the Administration Agreement with the Adviser. Under the terms of the Administration Agreement, the Adviser provides administrative services to the Company. These services include providing office space, equipment and office services, maintaining financial records, preparing reports to shareholders and reports filed with the SEC, and managing the payment of expenses and the oversight of the performance of administrative and professional services rendered by others. Certain of these services are reimbursable to the Adviser under the terms of the Administration Agreement. In addition, the Adviser is permitted to delegate its duties under the Administration Agreement to affiliates or third parties and the Company pays or reimburses the Adviser for certain expenses incurred by any such affiliates or third parties for work done on its behalf.

In November 2025, the Board renewed the Administration Agreement. Unless earlier terminated as described below, the Administration Agreement will remain in effect until November 2026, and may be extended subject to required approvals. The Administration Agreement may be terminated by either party without penalty on 60 days’ written notice to the other party.

No person who is an officer, trustee or employee of the Adviser or its affiliates and who serves as a trustee of the Company receives any compensation from the Company for his or her services as a trustee. However, the Company reimburses the Adviser (or its affiliates) for the allocable portion of the costs of compensation, benefits, and related administrative expenses of our officers who provide operational and administrative services to us pursuant to the Administration Agreement, their respective staffs and other professionals who provide services to us (including, in each case, employees of the Adviser or an affiliate). Such reimbursable amounts include the allocable portion of the compensation paid by the Adviser or its affiliates to the Company’s Chief Financial Officer, Chief Compliance Officer, and other professionals who provide operational and administrative services to us pursuant to the Administration Agreement, including individuals who provide “back office” or “middle office” financial, operational, legal and/or compliance services to us. The Company reimburses the Adviser (or its affiliates) for the allocable portion of the compensation paid by the Adviser (or its affiliates) to such individuals based on the percentage of time those individuals devote, on an estimated basis, to the business and affairs of the Company and in acting on behalf of the Company. The Company may also reimburse the Adviser or its affiliates for the allocable portion of overhead expenses (including rent, office equipment and utilities) attributable thereto. Trustees who are not affiliated with the Adviser receive compensation for their services and reimbursement of expenses incurred to attend meetings.

For the three months ended March 31, 2026, the Company incurred expenses of \$1.0 million for administrative services payable to the Adviser under the terms of the Administration Agreement, which is included in other general and administrative expenses in the Consolidated Statements of Operations. For the three months ended March 31, 2025, the Company incurred \$1.1 million for administrative services payable to the Adviser under the terms of the Administration Agreement.

#### *Investment Advisory Agreement*

On June 28, 2022, the Company entered into the Investment Advisory Agreement with the Adviser. Under the terms of the Investment Advisory Agreement, the Adviser provides investment advisory services to the Company. The Adviser’s services under the Investment Advisory Agreement are not exclusive, and the Adviser is free to furnish similar or other services to others so long as its services to the Company are not impaired. Under the terms of the Investment Advisory Agreement, the Company will pay the Adviser a base management fee (the “Management Fee”) and may also pay an incentive fee (the “Incentive Fee”).

In November 2025, the Board renewed the Investment Advisory Agreement. Unless earlier terminated as described below, the Investment Advisory Agreement will remain in effect until November 2026, and may be extended subject to required approvals. The Investment Advisory Agreement may be terminated by either party without penalty on 60 days’ written notice to the other party.

The Management Fee is calculated at an annual rate of 1.25% of the Company's gross assets, payable quarterly in arrears. The Management Fee will be calculated based on the average value of the Company's gross assets at the end of the two most recently completed calendar quarters, and appropriately adjusted for any share issuances or repurchases during the current calendar quarter. Management Fees for any partial month or quarter will be appropriately prorated.

For the three months ended March 31, 2026, Management Fees (gross of waivers) were \$27.2 million. For the three months ended March 31, 2025, Management Fees (gross of waivers) were \$25.7 million.

Prior to any Exchange Listing that may occur, the Adviser will waive its right to receive Management Fees in excess of the sum of 1.00% of the Company's average aggregate drawn capital (including capital drawn to pay Company expenses) as of the end of the two most recently completed calendar quarters, appropriately adjusted for any share issuances or repurchases during the relevant calendar quarter. The fee waiver will terminate if and when the Company consummates an Exchange Listing. For the three months ended March 31, 2026, Management Fees of \$17.0 million have been waived. For the three months ended March 31, 2025, Management Fees of \$16.0 million have been waived.

The Incentive Fee consists of two parts, as follows:

- (i) The first component, payable at the end of each quarter in arrears, equals 100% of the excess of pre-Incentive Fee net investment income in excess of a 1.5% quarterly hurdle rate, until the Adviser has received 12.5% (17.5% subsequent to an Exchange Listing) of total net investment income for that quarter, and 12.5% (17.5% subsequent to an Exchange Listing) of all remaining pre-Incentive Fee net investment income for that quarter.

Pre-Incentive Fee net investment income means dividends (including reinvested dividends), interest and fee income accrued by the Company during the calendar quarter, minus the Company's operating expenses for the quarter (including the Management Fee, expenses payable under the Administration Agreement to the Administrator, and any interest expense and dividends paid on any issued and outstanding preferred shares, but excluding the Incentive Fee). Pre-Incentive Fee net investment income includes, in the case of investments with a deferred interest feature (such as original issue discount, debt instruments with pay-in-kind interest and zero coupon securities), accrued income that the Company has not yet received in cash. Pre-Incentive Fee net investment income does not include any realized capital gains, realized capital losses or unrealized capital appreciation or depreciation.

- (ii) The second component, payable at the end of each fiscal year in arrears, prior to an Exchange Listing, equal 12.5% of cumulative realized capital gains from the inception of the Company to the end of such fiscal year, less the aggregate amount of any previously paid capital gain Incentive Fee for prior periods (the "Capital Gains Fee"). In the determination of the second component of the Incentive Fee, any unrealized gains/(losses) specifically related to the foreign currency denominated borrowings of non-US dollar denominated investments is offset against any associated unrealized gains/(losses) related to foreign currency denominated investments. Following an Exchange Listing, the Capital Gains Fee will equal a weighted percentage of the Company's realized capital gains, if any, on a cumulative basis as between the inception of the Company to an Exchange Listing and from such Exchange Listing to the end of such fiscal year. The weighted percentage is intended to ensure that for each fiscal year following an Exchange Listing, the portion of the Company's realized capital gains that accrued prior to an Exchange Listing will be subject to an Incentive Fee rate of 12.5% and the portion of the Company's realized capital gains that accrued following an Exchange Listing will be subject to an Incentive Fee rate of 17.5%.

For purposes of determining whether pre-Incentive Fee net investment income exceeds the hurdle rate, pre-Incentive Fee net investment income is expressed as a rate of return on the average daily hurdle calculation value throughout the immediately preceding calendar quarter.

Section 205(b)(3) of the Investment Advisers Act of 1940, as amended, or the Advisers Act, prohibits the Adviser from receiving the payment of fees on unrealized gains until those gains are realized, if ever. There can be no assurance that such unrealized gains will be realized in the future.

An "Exchange Listing" is a quotation or listing of the Company's securities on a national securities exchange (including through an initial public offering) or a sale of all or substantially all of our assets to, or a merger or other liquidity transaction with, an entity in which the Company's shareholders receive shares of a publicly-traded company which continues to be managed by the Adviser or an affiliate thereof.

For the three months ended March 31, 2026, Incentive Fees on net investment income were \$18.4 million. For the three months ended March 31, 2026, the Company had an accrual of \$(14.9) million, related to capital gains fees. For the three months ended March 31, 2025, Incentive Fees on net investment income were \$21.4 million. For the three months ended March 31, 2025, the Company had an accrual of \$(3.1) million, related to Capital Gains Fees. As of March 31, 2026, the Capital Gains Fees accrued are not contractually payable to the Adviser.

### Expense Support Agreement

On June 28, 2022, the Company entered into an expense support and conditional reimbursement agreement (the “Expense Support Agreement”) with the Adviser. The Expense Support Agreement provides that, at such times as the Adviser determines, the Adviser may pay certain expenses of the Company, provided that no portion of the payment will be used to pay any interest (each an “Expense Payment”). Such Expense Payment will be made in any combination of cash or other immediately available funds no later than forty-five days after a written commitment from the Adviser to pay such expense, and/or by an offset against amounts due from us to the Adviser or its affiliates. Following any calendar quarter in which Available Operating Funds (as defined in the Expense Support Agreement) exceed the cumulative distributions accrued to the Company’s shareholders based on distributions declared with respect to record dates occurring in such calendar quarter (such amount referred to as the “Excess Operating Funds”), the Company shall pay such Excess Operating Funds, or a portion thereof (each, a “Reimbursement Payment”), to the Adviser until such time as all Expense Payments made by the Adviser to us within three years prior to the last business day of such calendar quarter have been reimbursed. The amount of the Reimbursement Payment for any calendar quarter shall equal the lesser of (i) the Excess Operating Funds in such quarter and (ii) the aggregate amount of all Expense Payments made by the Adviser to us within three years prior to the last business day of such calendar quarter that have not been previously reimbursed by us to the Adviser. The Adviser may waive its right to receive all or a portion of any Reimbursement Payment in any particular calendar quarter, so that such Reimbursement Payment may be reimbursable in a future calendar quarter.

As of March 31, 2026 and 2025, the Adviser had not provided any written commitments for Expense Payments. The Company has not made any Reimbursement Payments to the Adviser. The Company may or may not reimburse remaining expenses in the future.

### License Agreement

We have entered into a License Agreement with Austin IP, LLC that grants us a non-exclusive, royalty-free license to use the mark “Sixth Street” and any derivative thereof.

## 4. Investments at Fair Value

Under the 1940 Act, the Company is required to separately identify non-controlled investments where it owns 5% or more of a portfolio company’s outstanding voting securities as investments in “affiliated” companies. In addition, under the 1940 Act, the Company is required to separately identify investments where it owns more than 25% of a portfolio company’s outstanding voting securities and/or had the power to exercise control over the management or policies of such portfolio company as investments in “controlled” companies. Detailed information with respect to the Company’s non-controlled, non-affiliated; non-controlled, affiliated; and controlled, affiliated investments is contained in the accompanying Consolidated Financial Statements, including the Consolidated Schedules of Investments. The Company typically determines the fair value of its performing Level 3 debt investments utilizing a yield analysis. In a yield analysis, a price is ascribed for each investment based upon an assessment of current and expected market yields for similar investments and risk profiles. Additional consideration is given to the expected life, portfolio company performance since close, and other terms and risks associated with an investment. Among other factors, a determinant of risk is the amount of leverage used by the portfolio company relative to the total enterprise value of the company, and the rights and remedies of our investment within each portfolio company's capital structure.

Significant unobservable quantitative inputs typically considered in the fair value measurement of the Company's Level 3 debt investments primarily include current market yields, including relevant market indices, but may also include quotes from brokers, dealers, and pricing services as indicated by comparable investments. If debt investments are credit impaired, an enterprise value analysis may be used to value such debt investments; however, in addition to the methods outlined above, other methods such as a liquidation or wind-down analysis may be utilized to estimate enterprise value. For the Company's Level 3 equity investments, multiples of similar companies' revenues, earnings before income taxes, depreciation and amortization ("EBITDA") or some combination thereof and comparable market transactions are typically used.

#### *Structured Credit Partners JV, LLC ("SCP")*

On December 23, 2025, affiliates of Sixth Street, including the Company and affiliates of Carlyle entered into the Limited Liability Company Agreement to co-manage SCP, a joint venture focused on investing in broadly syndicated first lien senior secured loans, financed with long-term, non-mark-to-market, and predominantly investment grade rated CLO debt managed by affiliates of Sixth Street or Carlyle on a no-fee basis.

Sixth Street affiliates own 50.0% of the equity interests in SCP and Carlyle affiliates own 50.0%, with investment decisions requiring approval by representatives of both the Sixth Street affiliates and the Carlyle affiliates. <b>Total Portfolio Company Commitments <sup>(1)(2)</sup></b>	<b>\$ 1,094,137</b>	<b>\$ 857,800</b>

- (1) Represents the full amount of the Company’s commitments to fund investments on such date. Commitments may be subject to limitations on borrowings set forth in the agreements between the Company and the applicable portfolio company. As a result, portfolio companies may not be eligible to borrow the full commitment amount on such date.
- (2) The Company’s estimate of the fair value of the current investments in these portfolio companies includes an analysis of the fair value of any unfunded commitments.

#### *Other Commitments and Contingencies*

As of March 31, 2026 and December 31, 2025, the Company did not have any unfunded commitments to fund investments to new borrowers that were not current portfolio companies as of such date.

From time to time, the Company may become a party to certain legal proceedings incidental to the normal course of its business. As of March 31, 2026 and December 31, 2025, management is not aware of any material pending or threatened litigation that would require accounting recognition or financial statement disclosure.

#### **9. Net Assets**

In connection with its formation, the Company has the authority to issue an unlimited number of Common Shares of beneficial interest at \$0.001 per share par value. On June 24, 2022, our Adviser purchased \$30 thousand of Common Shares of the Company at a price of \$25.00 per Common Share as our initial capital. These Common Shares were issued and sold in reliance upon Section 4(a)(2) of the Securities Act, which provides an exemption from the registration requirements of the Securities Act.

The Company has entered into subscription agreements (the “Subscription Agreements”) with investors providing for the private placement of the Company’s Common Shares. Under the terms of the Subscription Agreements, investors are required to fund drawdowns to purchase the Company’s Common Shares up to the amount of their respective Capital Commitment on an as-needed basis each time the Company delivers a drawdown notice to its investors. As of March 31, 2026, the Company had received Capital Commitments totaling \$7.4 billion (\$3.7 billion remaining undrawn). As of December 31, 2025, the Company had received Capital Commitments totaling \$7.4 billion (\$3.7 billion remaining undrawn).

The Company has a dividend reinvestment plan, whereby the Company may issue Common Shares in order to satisfy dividend reinvestment requests. The number of Common Shares to be issued to a shareholder is determined by dividing the total dollar amount of the cash dividend or distribution payable to a shareholder by the price per share of the Company’s Common Shares at the close of the payment date of a distribution. However, if the price per share on the payment date of a cash dividend or distribution exceeds the most recently computed net asset value per share, the Company will issue shares at the greater of (i) the most recently computed net asset value per share and (ii) 95% of the current price per share (or such lesser discount to the current price per share that still exceeds the most recently computed net asset value per share).

Pursuant to the Company’s dividend reinvestment plan, the following table summarizes the Common Shares issued to shareholders who have not opted out of the Company’s dividend reinvestment plan for the three months ended March 31, 2026 and 2025. All shares issued to shareholders in the tables below are newly issued shares.

The dividends declared during the three months ended March 31, 2026 and 2025 were derived from net investment income and long-term capital gains, determined on a tax basis.

With respect to distributions, the Company has adopted an “opt out” dividend reinvestment plan for shareholders. As a result, in the event of a declared cash distribution or other distribution, each shareholder that has not “opted out” of the dividend reinvestment plan will have their dividends or distributions automatically reinvested in additional Common Shares rather than receiving cash distributions. Shareholders who receive distributions in the form of Common Shares will be subject to the same U.S. federal, state and local tax consequences as if they received cash distributions.

### Overview

Sixth Street Lending Partners is a Delaware statutory trust formed on April 5, 2022. The Adviser is our external manager. We have three wholly owned subsidiaries, SSLP Lending, LLC, a Delaware limited liability company, which holds a California finance lender and broker license, Sixth Street LP Holding II, LLC and Sixth Street Lending Partners Sub, LLC in which we may hold certain investments.

We have elected to be regulated as a BDC under the 1940 Act and have elected to be treated as a RIC under the Code. As a result, we are required to comply with various statutory and regulatory requirements, such as:

- the requirement to invest at least 70% of our assets in "qualifying assets";
- source of income limitations;
- asset diversification requirements; and
- the requirement to distribute (or be treated as distributing) in each taxable year at least 90% of our investment company taxable income and tax-exempt interest for that taxable year.

### Our Investment Framework

Our investment objective is to generate current income by targeting investments with favorable "risk-adjusted returns," which are expected returns that are adjusted based on the levels of risk associated with the investments. Since we began our investment activities in August 2022, through March 31, 2026, we have originated approximately \$32.3 billion aggregate principal amount of investments and retained approximately \$10.7 billion aggregate principal amount of these investments on our balance sheet prior to any subsequent exits and repayments. We seek to generate current income and long-term capital appreciation primarily by investing in U.S.-domiciled upper middle-market companies through direct originations of senior secured loans and, to a lesser extent, originations of mezzanine and unsecured loans and investments in corporate bonds, equity securities, and other instruments.

By "upper middle-market companies," we mean companies that have annual EBITDA, which we believe is a useful proxy for cash flow, of greater than \$75 million, although we may invest in smaller companies on occasion. "EBITDA" means a company's earnings before interest, tax, depreciation and amortization. As of March 31, 2026, our core portfolio companies, which exclude certain investments that fall outside of our typical borrower profile and represent 89.7% of our total investments based on fair value, had a weighted average annual revenue of \$835.1 million and weighted average annual EBITDA of \$255.0 million. As of March 31, 2026, our core portfolio companies had a median annual revenue of \$234.8 million and median annual EBITDA of \$70.6 million.

We invest in first-lien debt, second-lien debt, mezzanine and unsecured debt and equity and other investments. Our first-lien debt may include stand-alone first-lien loans; "last out" first-lien loans, which are loans that have a secondary priority behind super-senior "first out" first-lien loans; "unitranche" loans, which are loans that combine features of first-lien, second-lien and mezzanine debt, generally in a first-lien position; and secured corporate bonds with similar features to these categories of first-lien loans. Our second-lien debt may include secured loans, and, to a lesser extent, secured corporate bonds, with a secondary priority behind first-lien debt.

We seek to create a portfolio over time that includes primarily senior secured investments by investing approximately \$125 million to \$300 million of capital, on average, across our core positions of upper middle-market companies.

The debt in which we invest typically is not rated by any rating agency, but if these instruments were rated, they would likely receive a rating of below investment grade (that is, below BBB- or Baa3 as defined by Standard & Poor's and Moody's Investors Services, respectively), which is often referred to as "junk".

The companies in which we invest use our capital to support organic growth, acquisitions, market or product expansion and recapitalizations (including restructurings). As of March 31, 2026, the largest investment in a single issuer based on fair value represented 4.3% of our total investment portfolio.

As of March 31, 2026, the average investment size in each of our portfolio companies was approximately \$115.1 million based on fair value.

Through our Adviser, we consider potential investments utilizing a four-tiered investment framework and against our existing portfolio as a whole:

*Business and sector selection.* We focus on companies with enterprise values above \$750 million. When reviewing potential investments, we will seek to invest in businesses with high marginal cash flow, recurring revenue streams and where we believe credit quality will improve over time. We will look for portfolio companies that we think have a sustainable competitive advantage in growing industries or distressed situations. We will also seek companies where our investment will have a low loan-to-value ratio.

We currently do not limit our focus to any specific industry and we may invest in larger or smaller companies on occasion. We classify the industries of our portfolio companies by end-market (such as healthcare, and business services) and not by the products or services (such as software) directed to those end-markets.

As of March 31, 2026, the largest industry represented 16.5% of our total investment portfolio based on fair value.

*Investment Structuring.* We focus on investing at the top of the capital structure and protecting that position. As of March 31, 2026, approximately 95.4% of our portfolio was invested in secured debt, including 95.0% in first-lien debt investments. We carefully perform diligence and structure investments to include strong investor covenants. As a result, we structure investments with a view to creating opportunities for early intervention in the event of non-performance or stress. In addition, we seek to retain effective voting control in investments over the loans or particular class of securities in which we invest through maintaining affirmative voting positions or negotiating consent rights that allow us to retain a blocking position. We also aim for our loans to mature on a medium term, between two to seven years after origination. For the three months ended March 31, 2026, the weighted average term on new debt investment commitments in new portfolio companies was 6.1 years.

*Deal Dynamics.* We focus on, among other deal dynamics, direct origination of investments, where we identify and lead the investment transaction. We seek transactions that are too small for the traditional high yield market. We look to invest in companies that value our commitment and ability to originate an investment that meets their goals and fits within their existing capital structure.

*Risk Mitigation.* We seek to mitigate non-credit-related risk on our returns in several ways, including call protection provisions to protect future interest income. As of March 31, 2026, we had call protection on 90.1% of our debt investments based on fair value, with weighted average call prices of 108.1% for the first year, 104.3% for the second year and 101.9% for the third year, in each case from the date of the initial investment. As of March 31, 2026, 97.4% of our debt investments based on fair value bore interest at floating rates, with 100% of these subject to interest rate floors, which we believe helps act as a portfolio-wide hedge against inflation.

#### ***Relationship with our Adviser and Sixth Street***

Our Adviser is a Delaware limited liability company. Our Adviser acts as our investment adviser and administrator and is a registered investment adviser with the SEC under the Advisers Act. Our Adviser sources and manages our portfolio through a dedicated team of investment professionals predominately focused on direct lending, which we refer to as our Investment Team. Our Investment Team is led by our Adviser's Co-Founding Partner, Co-President and Co-Chief Investment Officer Joshua Easterly, our Co-Head of Sixth Street Direct Lending and Co-Head of Growth Robert 'Bo' Stanley, Co-Head of Direct Lending Michael Griffin and our Adviser's Co-Founding Partner, Chief Executive Officer and Co-Chief Investment Officer Alan Waxman, all of whom have substantial experience in credit origination, underwriting and asset management. Our investment decisions are made by our Investment Review Committee, which includes senior personnel of our Adviser and affiliates of Sixth Street Partners, LLC, or "Sixth Street."

Sixth Street is a global investment business with over \$130 billion of assets under management as of March 31, 2026. Sixth Street's direct lending platforms include Sixth Street Specialty Lending and Sixth Street Lending Partners, which are aimed at U.S. middle-market loan originations and upper middle-market loan originations, respectively, Sixth Street Specialty Lending Europe, which is aimed at European middle-market loan originations. Additional Sixth Street core platforms include Sixth Street TAO, which has the flexibility to invest across all of Sixth Street's private credit market investments, Sixth Street Opportunities, which focuses on actively managed opportunistic investments across the credit cycle, Sixth Street Credit Market Strategies, which is the firm's "public-side" credit investment platform focused on investment opportunities in broadly syndicated leveraged loan markets, Sixth Street Growth, which provides financing solutions to growing companies, Sixth Street Fundamental Strategies, which primarily invests in secondary credit, and Sixth Street Agriculture, which invests in niche agricultural opportunities. Sixth Street has a long-term oriented, highly flexible capital base that allows it to invest across industries, geographies, capital structures and asset classes. Sixth Street has extensive experience with highly complex, global public and private investments executed through primary originations, secondary market purchases and restructurings, and has a team of over 750 investment and operating professionals. As of March 31, 2026, seventy-three (73) of these personnel are dedicated to direct lending, including fifty-nine (59) investment professionals.

Our Adviser consults with Sixth Street in connection with a substantial number of our investments. The Sixth Street platform provides us with a breadth of large and scalable investment resources. We believe we benefit from Sixth Street's market expertise,

insights into industry, sector and macroeconomic trends and intensive due diligence capabilities, which help us discern market conditions that vary across industries and credit cycles, identify favorable investment opportunities and manage our portfolio of investments. The Adviser will determine whether it would be permissible, advisable or otherwise appropriate for us to pursue a particular investment opportunity allocated to us.

On May 6, 2025, we, the Adviser and certain of our affiliates were granted an exemptive order from the SEC that allows us to co-invest, subject to certain conditions, with certain of our affiliates (including affiliates of Sixth Street) in middle-market loan origination activities for companies domiciled in the United States.

We believe our ability to co-invest with Sixth Street affiliates is particularly useful where we identify larger capital commitments than otherwise would be appropriate for us. We expect that with the ability to co-invest with Sixth Street affiliates we will continue to be able to provide “one-stop” financing to a potential portfolio company in these circumstances, which may allow us to capture opportunities where we alone could not commit the full amount of required capital or would have to spend additional time to locate unaffiliated co-investors.

Under the terms of the Investment Advisory Agreement and Administration Agreement, the Adviser’s services are not exclusive, and the Adviser is free to furnish similar or other services to others, so long as its services to us are not impaired. Under the terms of the Investment Advisory Agreement, we will pay the Adviser the base management fee, or the Management Fee, and may also pay certain incentive fees (the “Incentive Fees”).

Under the terms of the Administration Agreement, the Adviser also provides administrative services to us. These services include providing office space, equipment and office services, maintaining financial records, preparing reports to shareholders and reports filed with the SEC, and managing the payment of expenses and the oversight of the performance of administrative and professional services rendered by others. Certain of these services are reimbursable to the Adviser under the terms of the Administration Agreement.

### ***General Economic Conditions***

To date, 2026 has been marked by continued uncertainty in global markets, driven by investor concerns over inflation, elevated interest rates, ongoing political and regulatory uncertainty, including potential shifts in U.S. trade policy and the imposition of new tariffs, as well as geopolitical instability stemming from the conflicts in Ukraine and the Middle East.

Further contributing to economic uncertainty, the current U.S. presidential administration has signaled its intention to implement, and has started to implement, significant changes to U.S. trade policy, the size of the federal government, tax policy and the enforcement of various regulations. These policy shifts could introduce additional market instability and reduce investor confidence. For example, the U.S. government has announced tariffs on goods imported from various countries to the United States and countries subject to such tariffs have imposed, or may in the future, impose reciprocal or retaliatory tariffs and other trade measures. We are actively monitoring macroeconomic developments and analyzing the potential impacts on our business, the businesses of our portfolio companies and the broader economic environment. In light of these developments, there can be no assurances that political and regulatory conditions will not worsen and/or adversely affect the Company, its portfolio companies or their respective financial performance.

### **Key Components of Our Results of Operations**

#### ***Investments***

We focus primarily on the direct origination of loans to upper middle-market companies domiciled in the United States.

Our level of investment activity (both the number of investments and the size of each investment) can and does vary substantially from period to period depending on many factors, including the amount of debt and equity capital generally available to middle-market companies, the level of merger and acquisition activity for such companies, the general economic environment and the competitive environment for the types of investments we make.

In addition, as part of our risk strategy on investments, we may reduce certain levels of investments through partial sales or syndication to additional investors.

## **Revenues**

We generate revenues primarily in the form of interest income from the investments we hold. In addition, we may generate income from dividends on direct equity investments, capital gains on the sale of investments and various loan origination and other fees. Our debt investments typically have a term of two to seven years, and, as of March 31, 2026, 97.4% of these investments based on fair value bore interest at a floating rate, with 100% of these subject to interest rate floors. Interest on debt investments is generally payable monthly or quarterly. Some of our investments provide for deferred interest payments or PIK interest. For the three months ended March 31, 2026, 8.6% of our total investment income was comprised of PIK interest. For the three months ended March 31, 2025, 6.1% of our total investment income was comprised of PIK interest.

Changes in our net investment income are primarily driven by the spread between the payments we receive from our investments in our portfolio companies against our cost of funding and fees related to portfolio activity, rather than by changes in interest rates. Our investment portfolio primarily consists of floating rate loans, and our Credit Facilities, all bear interest at floating rates. Macro trends in base interest rates like SOFR or other reference rates may affect our net investment income over the long term. However, because we generally originate loans to a limited number of portfolio companies each quarter, and those investments also vary in size, our results in any given period, including the interest rate on investments that were sold or repaid in a period compared to the interest rate of new investments made during that period—often are idiosyncratic, and reflect the characteristics of the particular portfolio companies that we invested in or exited during the period and not necessarily any trends in our business.

In addition to interest income, our net investment income may also be driven by prepayment and other fees, which also can vary significantly from quarter to quarter. The level of prepayment fees is generally correlated to the movement in credit spreads and risk premiums, but also will vary based on corporate events that may take place at an individual portfolio company in a given period—e.g., merger and acquisition activity, initial public offerings and restructurings. As noted above, generally a small but varied number of portfolio companies may make prepayments in any quarter, meaning that changes in the amount of prepayment fees received can vary significantly between periods and can vary without regard to underlying credit trends.

Loan origination fees, original issue discount and market discount or premium are capitalized, and we accrete or amortize such amounts as interest income using the effective interest method for term instruments and the straight-line method for revolving or delayed draw instruments. Repayments of our debt investments can reduce interest income from period to period. We record prepayment premiums on loans as interest income when earned. We also may generate revenue in the form of commitment, amendment, structuring, syndication or due diligence fees, fees for providing managerial assistance and consulting fees. The frequency or volume of these items of revenue may fluctuate significantly.

Dividend income on common equity investments is recorded on the record date for private portfolio companies or on the ex-dividend date for publicly traded portfolio companies.

Our portfolio activity also reflects the proceeds of sales of investments. We recognize realized gains or losses on investments based on the difference between the net proceeds from the disposition and the amortized cost basis of the investment without regard to unrealized gains or losses previously recognized. We record current period changes in fair value of investments that are measured at fair value as a component of the net change in unrealized gains (losses) on investments in the Consolidated Statements of Operations.

## **Expenses**

Our primary operating expenses include the payment of fees to our Adviser under the Investment Advisory Agreement, expenses reimbursable under the Administration Agreement and other operating costs described below. Additionally, we pay interest expense on our outstanding debt. We bear all other costs and expenses of our operations, administration and transactions, including those relating to:

- organizational and offering expenses related to the Company's initial private offering of Common Shares (up to an aggregate of 0.10% of total capital commitments to the Company, it being understood and agreed that the Adviser shall bear all such organizational and offering expenses related to the Company's initial private offering of Common Shares in excess of such amount);
- calculating individual asset values and our net asset value (including the cost and expenses of any independent valuation firms);
- expenses, including travel expenses, incurred by the Adviser, or members of our Investment Team, or payable to third parties, in respect of due diligence on prospective portfolio companies and, if necessary, in respect of enforcing our rights with respect to investments in existing portfolio companies;
- the costs of any public offerings of our Common Shares and other securities, including registration and listing fees;
- the Management Fee and any Incentive Fee;

- certain costs and expenses relating to distributions paid on our Common Shares;
- administration fees payable under our Administration Agreement;
- costs of preparing financial statements and maintaining books and records and filing reports or other documents with the SEC (or other regulatory bodies) and other reporting and compliance costs, and the compensation of professionals responsible for the preparation of the foregoing, including the allocable portion of the compensation of our Chief Financial Officer, Chief Compliance Officer and other professionals who provide operational and administrative services to us pursuant to the Administration Agreement (based on the percentage of time those individuals devote, on an estimated basis, to our business and affairs);
- debt service and other costs of borrowings or other financing arrangements;
- the Adviser's allocable share of costs incurred in providing significant managerial assistance to those portfolio companies that request it;
- amounts payable to third parties relating to, or associated with, making or holding investments;
- transfer agent and custodial fees;
- costs of hedging;
- commissions and other compensation payable to brokers or dealers;
- taxes;
- Independent Trustees fees and expenses;
- the costs of any reports, proxy statements or other notices to our shareholders (including printing and mailing costs), the costs of any shareholders' meetings and the compensation of investor relations personnel responsible for the preparation of the foregoing and related matters;
- our fidelity bond;
- trustees and officers/errors and omissions liability insurance, and any other insurance premiums;
- indemnification payments;
- direct costs and expenses of administration, including audit, accounting, consulting and legal costs; and
- all other expenses reasonably incurred by us in connection with making investments and administering our business.

We expect that during periods of asset growth, our general and administrative expenses will be relatively stable or will decline as a percentage of total assets, and will increase as a percentage of total assets during periods of asset declines.

### ***Leverage***

While as a BDC the amount of leverage that we are permitted to use is limited in significant respects, we use leverage to increase our ability to make investments. The amount of leverage we use in any period depends on a variety of factors, including cash available for investing, the cost of financing and general economic and market conditions, however, under the 1940 Act, our total borrowings are limited so that our asset coverage ratio cannot fall below 150% immediately after any borrowing, as defined in the 1940 Act. In any period, our interest expense will depend largely on the extent of our borrowing and we expect interest expense will increase as we increase leverage over time within the limits of the 1940 Act. In addition, we may dedicate assets as collateral to financing facilities from time to time.

### ***Market Trends***

We believe trends in the middle-market lending environment, including the limited availability of capital from traditional regulated financial institutions, strong demand for debt capital and specialized lending requirements, are likely to continue to create favorable opportunities for us to invest at attractive risk-adjusted rates.

Subsequent to the global financial crisis, the implementation of regulatory changes such as Basel III requirements, Leverage Lending Guidance, and the Volcker Rule, tightened risk appetites and reduced the capacity of traditional lenders to serve middle-market companies. We believe that these dynamics create a significant opportunity for us to directly originate investments. We also believe that the large amount of uninvested capital held by private equity firms will continue to drive deal activity, which may in turn create additional demand for debt capital.

This market dynamic is further exacerbated by the specialized due diligence and underwriting capabilities, as well as extensive ongoing monitoring, required for middle-market lending. We believe middle-market lending is generally more labor-intensive than lending to larger companies due to smaller investment sizes and the lack of publicly available information on these companies. As a result, the opportunities for dedicated private lenders such as us have continued to expand.

An imbalance between the supply of, and demand for, middle-market debt capital creates attractive pricing dynamics for investors such as BDCs. The negotiated nature of middle-market financings also generally provides for more favorable terms to the lenders, including stronger covenant and reporting packages, better call protection and lender-protective change of control provisions. We believe that BDCs have flexibility to develop loans that reflect each borrower's distinct situation, provide long-term relationships and a potential source for future capital, which renders BDCs, including us, attractive lenders.

(2) Loans are generally placed on non-accrual status when principal or interest payments are past due 30 days or more or when management has reasonable doubt that the borrower will pay principal or interest in full. Accrued and unpaid interest is generally reversed when a loan is placed on non-accrual status. Non-accrual loans are restored to accrual status when past due principal and interest has been paid and, in management's judgment, the borrower is likely to make principal and interest payments in the future. Management may determine to not place a loan on non-accrual status if, notwithstanding any failure to pay, the loan has sufficient collateral value and is in the process of collection. The Adviser monitors our portfolio companies on an ongoing basis. The Adviser monitors the financial trends of each portfolio company to determine if it is meeting its business plans and to assess the appropriate course of action for each company. The Adviser has a number of methods of evaluating and monitoring the performance and fair value of our investments, which may include the following:

- assessment of success of the portfolio company in adhering to its business plan and compliance with covenants;
- periodic and regular contact with portfolio company management and, if appropriate, the financial or strategic sponsor, to discuss financial position, requirements and accomplishments;
- comparisons to other companies in the industry;
- attendance at, and participation in, board meetings; and
- review of monthly and quarterly financial statements and financial projections for portfolio companies.

As part of the monitoring process, the Adviser regularly assesses the risk profile of each of our investments and, on a quarterly basis, grades each investment on a risk scale of 1 to 5. Risk assessment is not standardized in our industry and our risk assessment may not be comparable to ones used by our competitors. Our assessment is based on the following categories:

- An investment is rated 1 if, in the opinion of the Adviser, it is performing as agreed and there are no concerns about the portfolio company’s performance or ability to meet covenant requirements. For these investments, the Adviser generally prepares monthly reports on investment performance and intensive quarterly asset reviews.
- An investment is rated 2 if it is performing as agreed, but, in the opinion of the Adviser, there may be concerns about the company’s operating performance or trends in the industry. For these investments, in addition to monthly reports and quarterly asset reviews, the Adviser also researches any areas of concern with the objective of early intervention with the portfolio company.
- An investment will be assigned a rating of 3 if it is paying its obligations to us as agreed but a material covenant violation is expected. For these investments, in addition to monthly reports and quarterly asset reviews, the Adviser also adds the investment to its “watch list” and researches any areas of concern with the objective of early intervention with the portfolio company.
- An investment will be assigned a rating of 4 if a material covenant has been violated, but the company is making its scheduled payments on its obligations to us. For these investments, the Adviser generally prepares a bi-monthly asset review email and generally has monthly meetings with the portfolio company’s senior management. For investments where there have been material defaults, including bankruptcy filings, failures to achieve financial performance requirements or failure to maintain liquidity or loan-to-value requirements, the Adviser often will take immediate action to protect its position. These remedies may include negotiating for additional collateral, modifying investment terms or structure, or payment of amendment and waiver fees.
- A rating of 5 indicates an investment is in default on its interest and/or principal payments. For these investments, our Adviser reviews the investments on a bi-monthly basis and, where possible, pursues workouts that achieve an early resolution to avoid further deterioration of our investment. The Adviser retains legal counsel and takes actions to preserve our rights, which may include working with the portfolio company to have the default cured, to have the investment restructured or to have the investment repaid through a consensual workout. Investments that carry a rating of 5 would typically indicate the position has been placed on non-accrual status (for investments that otherwise would be income producing).

The following table shows the distribution of our investments on the 1 to 5 investment performance rating scale at fair value as of March 31, 2026 and December 31, 2025. Investment performance ratings are accurate only as of those dates and may change due to subsequent developments relating to a portfolio company’s business or financial condition, market conditions or developments, and other factors.

Paid-in-kind interest income increased from \$14.7 million for the three months ended March 31, 2025 to \$18.6 million for the three months ended March 31, 2026, primarily due to increased PIK investments. Dividend income decreased from \$2.0 million for the three months ended March 31, 2025 to \$0.1 million for three months ended March 31, 2026, primarily due to the timing of dividend payments in 2025. Other income increased from \$4.6 million for the three months ended March 31, 2025 to \$8.1 million for the three months ended March 31, 2026 primarily due to increased amendment and arranger fees earned.

### Interest

Interest expense, including other debt financing costs, increased from \$56.0 million for the three months ended March 31, 2025 to \$56.7 million for the three months ended March 31, 2026. This increase was primarily due to an increase in average debt outstanding from \$3,345.7 million for the three months ended March 31, 2025 to \$4,123.9 million for the three months ended March 31, 2026. This was offset by a decrease in the weighted average interest rate in our debt outstanding which decreased from 6.1% for three months ended March 31, 2025 to 5.1% for the three months ended March 31, 2026 due to a change in the mix of our debt financing sources and a change in reference rates.

### Management Fees

Management Fees (gross of waivers) increased from \$25.7 million for the three months ended March 31, 2025 to \$27.2 million for the three months ended March 31, 2026 due to an increase in average assets for the three months ended March 31, 2026 compared to the same period in 2025. Management Fees (net of waivers) increased from \$9.7 million for the three months ended March 31, 2025 to

For the three months ended March 31, 2026 and 2025, \$(14.9) million and \$(3.1) million were accrued related to Capital Gains Fees, respectively. As of March 31, 2026, these accrued Incentive Fees are not contractually payable to the Adviser.

For the three months ended March 31, 2026 and 2025, Other general and administrative expenses were \$1.7 million and \$1.7 million, respectively.

#### ***Income Taxes, Including Excise Taxes***

We elected to be treated as a RIC under Subchapter M of the Code, and we operate in a manner so as to continue to qualify for the tax treatment applicable to RICs. To qualify as a RIC, we must, among other things, distribute to our shareholders in each taxable year generally at least 90% of our investment company taxable income, as defined by the Code, and net tax-exempt income for that taxable year. To maintain our RIC status, we, among other things, have made and intend to continue to make the requisite distributions to our shareholders, which generally relieve us from corporate-level U.S. federal income taxes.

We evaluate tax positions taken or expected to be taken in the course of preparing our financial statements to determine whether the tax positions are “more-likely-than-not” to be sustained by the applicable tax authority. Tax positions not deemed to meet the “more-likely-than-not” threshold are reserved and recorded as a tax benefit or expense in the current year. All penalties and interest associated with income taxes are included in income tax expense. Conclusions regarding tax positions are subject to review and may be adjusted at a later date based on factors including, but not limited to, on-going analyses of tax laws, regulations and interpretations thereof.

Depending on the level of taxable income earned in a tax year, we can be expected to carry forward taxable income (including net capital gains, if any) in excess of current year dividend distributions from the current tax year into the next tax year and pay a nondeductible 4% U.S. federal excise tax on such taxable income, as required. To the extent that we determine that our estimated current year annual taxable income will be in excess of estimated current year dividend distributions from such income, we accrue excise tax on estimated excess taxable income.

For both the three months ended March 31, 2026 and 2025, we recorded a net expense of less than \$0.1 million and less than \$0.1 million, respectively, for U.S. federal excise tax and other taxes.

For the three months ended March 31, 2026, we had less than \$0.1 million of unrealized gains on foreign currency transactions. For the three months ended March 31, 2025, we had \$2.6 million of unrealized losses on foreign currency transactions. For the three months ended March 31, 2026, we had unrealized gains of \$31.5 million on foreign currency borrowings, primarily as a result of fluctuations in the GBP, EUR, SEK and CAD exchange rates. For the three months ended March 31, 2025, we had \$41.6 million in unrealized losses on foreign currency borrowings, primarily as a result of fluctuations in the GBP, EUR, and SEK exchange rates.

### ***Realized Gross Internal Rate of Return***

Since we began investing in 2022 through March 31, 2026, weighted by capital invested, our exited investments have generated an average realized gross internal rate of return to us of 18.7% (based on total capital invested of \$2.3 billion and total proceeds from these exited investments of \$2.8 billion). 97.4% percent of these exited investments resulted in a realized gross internal rate of return to us of 10% or greater.

Gross IRR, with respect to an investment, is calculated based on the dates that we invested capital and dates we received distributions, regardless of when we made distributions to our shareholders. Initial investments are assumed to occur at time zero, and all cash flows are deemed to occur on the fifteenth of each month in which they occur.

Gross IRR reflects historical results relating to our past performance and is not necessarily indicative of our future results. In addition, gross IRR does not reflect the effect of Management Fees, expenses, Incentive Fees or taxes borne, or to be borne, by us or our shareholders, and would be lower if it did.

Average gross IRR is the average of the gross IRR for each of our exited investments (each calculated as described above), weighted by the total capital invested for each of those investments.

Average gross IRR on our exited investments reflects only invested and realized cash amounts as described above, and does not reflect any unrealized gains or losses in our portfolio.

Internal rate of return, or IRR, is a measure of our discounted cash flows (inflows and outflows). Specifically, IRR is the discount rate at which the net present value of all cash flows is equal to zero. That is, IRR is the discount rate at which the present value of total capital invested in each of our investments is equal to the present value of all realized returns from that investment. Our IRR calculations are unaudited.

Capital invested, with respect to an investment, represents the aggregate cost basis allocable to the realized or unrealized portion of the investment, net of any upfront fees paid at closing for the term loan portion of the investment. Capital invested also includes realized losses on hedging activity, with respect to an investment, which represents any inception-to-date realized losses on foreign currency forward contracts allocable to the investment, if any.

Realized returns, with respect to an investment, represents the total cash received with respect to each investment, including all amortization payments, interest, dividends, prepayment fees, upfront fees, administrative fees, agent fees, amendment fees, accrued interest, and other fees and proceeds. Realized returns also include realized gains on hedging activity, with respect to an investment, which represents any inception-to-date realized gains on foreign currency forward contracts allocable to the investment, if any.

### ***Interest Rate and Foreign Currency Hedging***

We use interest rate swaps to hedge our fixed rate debt and certain fixed rate investments. We have designated certain interest rate swaps to be in a hedge accounting relationship. See Note 2 for additional disclosure regarding our accounting for derivative instruments designated in a hedge accounting relationship. See Note 5 for additional disclosure regarding these derivative instruments and the interest payments paid and received. See Note 7 for additional disclosure regarding the carrying value of our debt.

Our current approach to hedging the foreign currency exposure in our non-U.S. dollar denominated investments is primarily to borrow the par amount in local currency under our Credit Facilities to fund these investments. For the three months ended March 31, 2026, we had unrealized gains in \$31.5 million on the translation of our non-U.S. dollar denominated debt into U.S. dollars; such amounts approximate the corresponding unrealized gains on the translation of our non-U.S. dollar denominated investments into U.S. dollars for the three months ended March 31, 2026. For the three months ended March 31, 2025, we had \$41.6 million in unrealized losses on the translation of our non-U.S. dollar denominated debt into U.S. dollars; such amounts approximate the corresponding unrealized losses on the translation of our non-U.S. dollar denominated investments into U.S. dollars for the three months ended March 31, 2025. See Note 2 for additional disclosure regarding our accounting for foreign currency. See our Consolidated Schedule of Investments for additional disclosure regarding the foreign currency amounts (in both par and fair value) of our non-U.S. dollar denominated investments.

### ***Financial Condition, Liquidity and Capital Resources***

Our liquidity and capital resources are derived primarily from proceeds from equity issuances, advances from our Credit Facilities, and cash flows from operations. The primary uses of our cash and cash equivalents are:

- investments in portfolio companies and other investments and to comply with certain portfolio diversification requirements;
- the cost of operations (including paying our Adviser);

- debt service, repayment, and other financing costs; and
- cash dividends to the holders of our shares.

We intend to continue to generate cash primarily from cash flows from operations, future borrowings and future offerings of securities. We may from time to time enter into additional debt facilities, increase the size of existing facilities or issue debt securities. Any such incurrence or issuance would be subject to prevailing market conditions, our liquidity requirements, contractual and regulatory restrictions and other factors. In accordance with the 1940 Act, with certain limited exceptions, we are only allowed to incur borrowings, issue debt securities or issue preferred shares if immediately after the borrowing or issuance our ratio of total assets (less total liabilities other than indebtedness) to total indebtedness plus preferred shares, is at least 150%. For more information, see “*Key Components of Our Results of Operations —Leverage*” above. As of March 31, 2026 and December 31, 2025, our asset coverage ratio was 192.7% and 200.8%, respectively. We carefully consider our unfunded commitments for the purpose of planning our capital resources and ongoing liquidity including our financial leverage. Further, we maintain sufficient borrowing capacity within the 150% asset coverage limitation under the 1940 Act and the asset coverage limitation under our Credit Facilities to cover any outstanding unfunded commitments we are required to fund.

Cash and cash equivalents as of March 31, 2026, taken together with cash available under our Credit Facilities, and cash available from undrawn Capital Commitments, is expected to be sufficient for our investing activities and to conduct our operations in the near term. As of March 31, 2026, we had approximately \$478.0 million and \$244.6 million of availability on our Subscription Facility and Revolving Credit Facility, respectively, subject to asset coverage limitations.

As of March 31, 2026, we had \$130.2 million in cash and cash equivalents, including \$52.9 million of restricted cash. For the three months ended March 31, 2026, cash used in operating activities was \$593.2 million, primarily attributable to funding portfolio investments of \$948.5 million, a decrease in net assets resulting from operations of \$1.8 million and other net operating activities of \$96.2 million, which was partially offset by repayments and proceeds from investments of \$274.8 million and net change in unrealized losses from investments of \$178.5 million. Cash provided by financing activities was \$268.7 million during the period due to borrowings of \$831.2 million, which were partially offset by paydowns on debt of \$424.4 million and other financing activities of \$138.1 million.

As of March 31, 2025, we had \$703.8 million in cash and cash equivalents, including \$121.7 million of restricted cash. For the three months ended March 31, 2025, cash provided by operating activities was \$84.8 million, primarily attributable to repayments and proceeds from investments of \$750.5 million, an increase in net assets resulting from operations of \$128.1 million and other net operating activities of \$38.5 million, which was partially offset by funding portfolio investments of \$812.8 million and net change in unrealized gains on investments of \$19.5 million. Cash used in financing activities was \$579.0 million during the period due to paydowns on debt of \$1,808.7 million and other financing activities of \$69.8 million, which were partially offset by borrowings of \$1,299.5 million.

## **Equity**

We have entered into subscription agreements (the “Subscription Agreements”) with investors providing for the private placement of our Common Shares. Under the terms of the Subscription Agreements, investors are required to fund drawdowns to purchase our Common Shares up to the amount of their respective Capital Commitment on an as-needed basis each time we deliver a drawdown notice to our investors. As of March 31, 2026, we had received Capital Commitments totaling \$7.4 billion (\$3.7 billion remaining undrawn). As of December 31, 2025, we had received Capital Commitments totaling \$7.4 billion (\$3.7 billion remaining undrawn).

There were no Common Shares issued and proceeds received related to the Company's capital drawdown delivered pursuant to the Subscription Agreements for the three months ended March 31, 2026 and 2025.

#### *2029 Notes*

In March 2024, we issued \$600 million aggregate principal amount of unsecured notes that mature on March 11, 2029 (the "2029 Notes"). The principal amount of the 2029 Notes is payable at maturity. Total proceeds from the issuance of the 2029 Notes, net of underwriting discounts, offering costs and original issue discount, were \$586.0 million. We used the net proceeds of the 2029 Notes to repay outstanding indebtedness under the Revolving Credit Facility and Subscription Facility.

In June 2024, we issued an additional \$150 million aggregate principal amount of unsecured notes that mature on March 11, 2029. The additional 2029 Notes are a further issuance of, fungible with, rank equally in right of payment with and have the same terms (other than the issue date and the public offering price) as the initial issuance of the 2029 Notes. Total proceeds from the issuance of the additional 2029 Notes, net of underwriting discounts, offering costs and original issue premium were \$147.8 million. We used the net proceeds of the 2029 Notes to repay outstanding indebtedness under the Revolving Credit Facility and Subscription Facility.

The notional amount of the two interest rate swaps are \$600.0 million and \$150.0 million, respectively, each of which matures on March 11, 2029, matching the maturity date of the 2029 Notes. As a result of the swap, our effective interest rate on the 2029 Notes is SOFR plus 2.45% (on a weighted average basis). The interest expense related to the 2029 Notes is offset by proceeds received from the interest rate swaps designated as a hedge. As of March 31, 2026 and December 31, 2025, the effective hedge interest rate swaps had a fair value of \$8.7 million and \$15.1 million, respectively, which is offset within interest expense by an equal, but opposite, fair value change for the hedged risk on the 2029 Notes.

Undrawn senior secured delayed draw term loan commitments generally have a shorter availability period than the term of the associated loan agreement. ### ***Other Commitments and Contingencies***

As of March 31, 2026 and December 31, 2025, we did not have any unfunded commitments to fund investments to new borrowers that were not current portfolio companies as of such date.

From time to time, we may become a party to certain legal proceedings incidental to the normal course of our business. As of March 31, 2026 and December 31, 2025, management is not aware of any material pending or threatened litigation that would require accounting recognition or financial statement disclosure.

We have certain contracts under which we have material future commitments. Under the Investment Advisory Agreement, our Adviser provides us with investment advisory and management services. For these services, we pay the Management Fee and the Incentive Fee.

Under the Administration Agreement, our Adviser furnishes us with office facilities and equipment, provides us clerical, bookkeeping and record keeping services at such facilities and provides us with other administrative services necessary to conduct our day-to-day operations. We reimburse our Adviser or its affiliates for the allocable portion (subject to the review and approval of our Board) of expenses incurred by it in performing its obligations under the Administration Agreement, and the fees and expenses associated with performing compliance functions. Such reimbursable amounts include the allocable portion of the compensation of our Chief Compliance Officer, Chief Financial Officer and other professionals who provide operational and administrative services to us pursuant to the Administration Agreement. We reimburse the Adviser (or its affiliates) for the allocable portion of the compensation paid by the Adviser (or its affiliates) to such individuals based on a percentage of time those individuals devote, on an estimated basis, to our business and affairs. We may also reimburse the Adviser or its affiliates for the allocable portion of overhead expenses (including rent, office equipment and utilities) attributable thereto. ### ***Distributions***

We have elected and qualified to be treated for U.S. federal income tax purposes as a RIC under subchapter M of the Code. To maintain RIC status, we must distribute (or be treated as distributing) in each taxable year dividends for tax purposes equal to at least 90 percent of the sum of our:

- investment company taxable income (which is generally our ordinary income plus the excess of realized net short-term capital gains over realized net long-term capital losses), determined without regard to the deduction for dividends paid, for such taxable year; and
- net tax-exempt interest income (which is the excess of our gross tax-exempt interest income over certain disallowed deductions) for such taxable year.

As a RIC, we (but not our shareholders) generally will not be subject to U.S. federal income tax on investment company taxable income and net capital gains that we distribute to our shareholders.

We intend to distribute annually all or substantially all of such income. To the extent that we retain our net capital gains or any investment company taxable income, we generally will be subject to corporate-level U.S. federal income tax. We may choose to retain our net capital gains or any investment company taxable income, and pay the U.S. federal excise tax described below.

Amounts not distributed on a timely basis in accordance with a calendar year distribution requirement are subject to a nondeductible 4% U.S. federal excise tax payable by us. To avoid this tax, we must distribute (or be treated as distributing) during each calendar year an amount at least equal to the sum of:

- 98% of our net ordinary income excluding certain ordinary gains or losses for that calendar year;
- 98.2% of our capital gain net income, adjusted for certain ordinary gains and losses, recognized for the twelve-month period ending on October 31 of that calendar year; and
- 100% of any income or gains recognized, but not distributed, in preceding years.

While we intend to distribute any income and capital gains in the manner necessary to minimize imposition of the 4% U.S. federal excise tax, sufficient amounts of our taxable income and capital gains may not be distributed to avoid entirely the imposition of this tax. In that event, we will be liable for this tax only on the amount by which we do not meet the foregoing distribution requirement.

We intend to pay quarterly dividends to our shareholders out of assets legally available for distribution. All dividends will be paid at the discretion of our Board and will depend on our earnings, financial condition, maintenance of RIC status, compliance with applicable BDC regulations and such other factors as our Board may deem relevant from time to time.

To the extent our current taxable earnings for a year fall below the total amount of our distributions for that year, a portion of those distributions may be deemed a return of capital to our shareholders for U.S. federal income tax purposes. Thus, the source of a distribution to our shareholders may be the original capital invested by the shareholder rather than our income or gains. Shareholders should read any written disclosure carefully and should not assume that the source of any distribution is our ordinary income or gains.

We have adopted an “opt out” dividend reinvestment plan for our common shareholders. As a result, if we declare a cash dividend or other distribution, each shareholder that has not “opted out” of our dividend reinvestment plan will have their dividends or distributions automatically reinvested in additional shares of our Common Shares rather than receiving cash dividends. Shareholders who receive distributions in the form of Common Shares will be subject to the same U.S. federal, state and local tax consequences as if they received cash distributions.

#### ***Related-Party Transactions***

We have entered into a number of business relationships with affiliated or related parties, including the following:

- the Investment Advisory Agreement; and
- the Administration Agreement

#### **Critical Accounting Estimates**

Our critical accounting policies and estimates, including those relating to the valuation of our investment portfolio, are described in our Annual Report on Form 10-K for the fiscal year ended December 31, 2025, filed with the SEC on February 13, 2026, and elsewhere in our filings with the SEC. The critical accounting policies and estimates should be read in connection with our risk factors discussed in Part I, “Item 1A. Risk Factors” in our Annual Report on Form 10-K for the fiscal year ended December 31, 2025.

### **ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK**

We are subject to financial market risks, including valuation risk, interest rate risk and currency risk.

#### ***Valuation Risk***

We have invested, and plan to continue to invest, primarily in illiquid debt and equity securities of private companies. Most of our investments will not have a readily available market price, and we value these investments at fair value as determined in good faith by our Board in accordance with our valuation policy. There is no single standard for determining fair value. As a result, determining fair value requires that judgment be applied to the specific facts and circumstances of each portfolio investment while employing a consistently applied valuation process for the types of investments we make. If we were required to liquidate a portfolio investment in

a forced or liquidation sale, we may realize amounts that are different from the amounts presented and such differences could be material.

### **Interest Rate Risk**

Interest rate sensitivity refers to the change in earnings that may result from changes in the level of interest rates. We also fund portions of our investments with borrowings. Our net investment income is affected by the difference between the rate at which we invest and the rate at which we borrow. Accordingly, we cannot assure you that a significant change in market interest rates will not have a material adverse effect on our net investment income.

We regularly measure our exposure to interest rate risk. We assess interest rate risk and manage our interest rate exposure on an ongoing basis by comparing our interest rate-sensitive assets to our interest rate-sensitive liabilities. Based on that review, we determine whether or not any hedging transactions are necessary to mitigate exposure to changes in interest rates.

As of March 31, 2026, 97.4% of our debt investments based on fair value in our portfolio bore interest at floating rates, with 100% of these subject to interest rate floors. Our credit facilities also bear interest at floating rates, and in connection with our 2029 Notes, January 2030 Notes and July 2030 Notes, which bear interest at fixed rates, we entered into fixed-to-floating interest rate swaps in order to align the interest rates of our liabilities with our investment portfolio.

Assuming that our Consolidated Balance Sheet as of March 31, 2026 were to remain constant and that we took no actions to alter our existing interest rate sensitivity, the following table shows the annualized impact of hypothetical base rate changes in interest rates (considering interest rate floors for floating rate instruments):

(\$ in millions)

<b>Basis Point Change</b>	<b>Interest Income</b>	<b>Interest Expense</b>	<b>Net Interest Income</b>
Up 300 basis points	\$ 250.9	\$ 135.7	\$ 115.2
Up 200 basis points	\$ 167.3	\$ 90.5	\$ 76.8
Up 100 basis points	\$ 83.6	\$ 45.2	\$ 38.4
Down 25 basis points	\$ (20.9)	\$ (11.3)	\$ (9.6)
Down 50 basis points	\$ (41.8)	\$ (22.6)	\$ (19.2)
Down 75 basis points	\$ (62.7)	\$ (33.9)	\$ (28.8)
Down 100 basis points	\$ (83.6)	\$ (45.2)	\$ (38.4)

Although we believe that this analysis is indicative of our existing sensitivity to interest rate changes, it does not adjust for changes in the credit market, credit quality, the size and composition of the assets in our portfolio and other business developments that could affect our net income. Accordingly, we cannot assure you that actual results would not differ materially from the analysis above.

We may in the future hedge against interest rate fluctuations by using hedging instruments such as additional interest rate swaps, futures, options and forward contracts. While hedging activities may mitigate our exposure to adverse fluctuations in interest rates, certain hedging transactions that we may enter into in the future, such as interest rate swap agreements, may also limit our ability to participate in the benefits of changes in interest rates with respect to our portfolio investments.

### **Currency Risk**

From time to time, we may make investments that are denominated in a foreign currency. These investments are translated into U.S. dollars at each balance sheet date, exposing us to movements in foreign exchange rates. We may employ hedging techniques to minimize these risks, but we cannot assure you that such strategies will be effective or without risk to us. We may seek to utilize instruments such as, but not limited to, forward contracts to seek to hedge against fluctuations in the relative values of our portfolio positions from changes in currency exchange rates. We also have the ability to borrow in certain foreign currencies under our Credit Facilities. Instead of entering into a foreign exchange forward contract in connection with loans or other investments we have made that are denominated in a foreign currency, we may borrow in that currency to establish a natural hedge against our loan or investment. To the extent the loan or investment is based on a floating rate other than a rate under which we can borrow under our Credit Facilities, we may seek to utilize interest rate derivatives to hedge our exposure to changes in the associated rate.

## ITEM 4. CONTROLS AND PROCEDURES

**Evaluation of Disclosure Controls and Procedures.** As of the end of the period covered by this report, we carried out an evaluation, under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rule 13a-15 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. Based on that evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that our current disclosure controls and procedures are effective in timely alerting them to material information relating to us that is required to be disclosed by us in the reports we file or submit under the Exchange Act.

**Changes in Internal Control over Financial Reporting.** There have been no changes in our internal control over financial reporting that occurred during our most recently completed fiscal quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

## PART II – OTHER INFORMATION

### ITEM 1. Legal Proceedings.

From time to time, we may be a party to certain legal proceedings in the ordinary course of business, including proceedings relating to the enforcement of our rights under loans to or other contracts with our portfolio companies. We are not currently subject to any material legal proceedings, nor, to our knowledge, is any material legal proceeding threatened against us.

#### Item 1A. Risk Factors.

In addition to the other information set forth in this report, you should carefully consider the risk factors discussed in Part I, “Item 1A. Risk Factors” in our Annual Report on Form 10-K for the fiscal year ended December 31, 2025, which could materially affect our business, financial condition and/or operating results. These risks are not the only risks facing our Company. Additional risks and uncertainties not currently known to us or that we currently deem to be immaterial also may materially and adversely affect our business, financial condition and/or operating results.

#### Item 2. Unregistered Sales of Equity Securities and Use of Proceeds.

None.

#### Item 3. Defaults Upon Senior Securities.

Not applicable.

#### Item 4. Mine Safety Disclosures.

Not applicable.

#### Item 5. Other Information.

(1) the sum of (a) Daily Simple SOFR and (b) 0.10%; and

(2) the sum of: (a) the alternate benchmark rate that has been selected by the Administrative Agent and the Borrower as the replacement for the then-current Benchmark for the applicable Currency giving due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention in the United States for determining a benchmark rate as a replacement for the then-current Benchmark for syndicated credit facilities denominated in the applicable Currency at such time and (b) the related Benchmark Replacement Adjustment.

--

“Benchmark Replacement Adjustment” means, with respect to any replacement of the then-current Benchmark for a Currency with an Unadjusted Benchmark Replacement for any applicable Interest Period and Available Tenor for any such setting of such Unadjusted Benchmark Replacement (excluding, for the avoidance of doubt, Daily Simple SOFR), the spread adjustment, or method for calculating or determining such spread adjustment (which may be a positive or negative value or zero) that has been selected by the Administrative Agent and the Borrower for such Currency giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for syndicated credit facilities denominated in the applicable Currency in the U.S. syndicated loan market at such time.

“Benchmark Replacement Date” means a date and time determined by the Administrative Agent, which date shall be no later than the earliest to occur of the following events with respect to the then-current Benchmark:

(1) in the case of clause (1) or (2) of the definition of “Benchmark Transition Event,” the later of

(a) the date of the public statement or publication of information referenced therein; and

(b) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof);

(2) in the case of clause (3) of the definition of “Benchmark Transition Event,” the first date on which such Benchmark (or the published component used in the calculation thereof) has been determined and announced by or on behalf of the administrator of such Benchmark (or such component thereof) or the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be non-representative; provided that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (3) and even if any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date; or

(3) in the case of an Other Benchmark Rate Election, the fifth (5th) Business Day after the date notice of such Other Benchmark Rate Election is provided to the Lenders, so long as the Administrative Agent has not received, by such time, written notice of objection to such Other Benchmark Rate Election, as applicable, from Lenders comprising the Required Lenders.

For the avoidance of doubt, the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (1) or (2) of this definition with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-

Available Tenors of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Transition Event” means, with respect to any then-current Benchmark, the occurrence of one or more of the following events with respect to such Benchmark:

(1) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);

(2) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Board, the Federal Reserve Bank of New York or the Bank of Canada, as applicable, the central bank for the Currency applicable to such Benchmark, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component thereof), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component thereof) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component thereof), which states that the administrator of such Benchmark (or such component thereof) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely; provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

(3) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) or the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

Each Lender at its option may make any Term Benchmark Loan or RFR Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) Minimum Amounts. Each Term Benchmark Borrowing and RFR Borrowing shall be in an aggregate amount of \$1,000,000 or a larger multiple of \$1,000,000, and each ABR Borrowing (whether a Syndicated Loan or a Swingline Loan) shall be in an aggregate amount of \$1,000,000 or a larger multiple of \$100,000 (or, in each case, such smaller amounts as may be agreed by the Administrative Agent); provided that a Syndicated ABR Borrowing of a Class may be in an aggregate amount that is equal to the entire unused balance of the total Commitments of such Class or that is required to finance the reimbursement of an LC Disbursement of such Class as contemplated by Section 2.05(f). Borrowings of more than one Class, Currency and Type may be outstanding at the same time.

(d) Limitations on Interest Periods. Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request (or to elect to convert to or continue as a Term Benchmark Borrowing or RFR Borrowing) any Borrowing if the Interest Period requested

therefor would end after the Final Maturity Date.

(e)Treatment of Classes. Notwithstanding anything to the contrary contained herein, with respect to each Revolving Loan, Swingline Loan or Letter of Credit designated in Dollars, the Administrative Agent shall deem the Borrower to have requested that such Revolving Loan, Swingline Loan or Letter of Credit be applied ratably to each of the Dollar Commitments and the Multicurrency Commitments, based upon the percentage of the aggregate Revolving Commitments represented by the Dollar Commitments and the Multicurrency Commitments, respectively; provided that, if the ratable share of such Revolving Loan, Swingline Loan or Letter of Credit that would be applied to the Multicurrency Commitments pursuant to this clause (e) exceeds the unused Multicurrency Commitments, such excess shall be allocated to the Dollar Commitments (rather than the Multicurrency Commitments) up to an amount not to exceed the unused Dollar Commitments.

SECTION 2.03. Requests for Syndicated Borrowings.

(a)Notice by the Borrower. Subject to Section 2.03(e), to request a Syndicated Borrowing, the Borrower shall notify the Administrative Agent of such request by telephone or electronic communication (i) in the case of a Term Benchmark Borrowing denominated in Dollars, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of the proposed Borrowing, (ii) in the case of a Term Benchmark Borrowing denominated in a Foreign Currency, not later than 11:00 a.m., New York City time, four (4) Business Days before the date of the proposed Borrowing, (iii) in the case of an RFR Borrowing, not later than 11:00 a.m., New York City time, four (4) Business Days before the date of the proposed Borrowing or (iv) in the case of a Syndicated ABR Borrowing, not later than 11:00 a.m., New York City time, on the date of the proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery, electronic communication or telecopy to the Administrative Agent of a written Borrowing Request in a form reasonably approved by the Administrative Agent and signed by the Borrower.

(b)Content of Borrowing Requests. Each telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

(i) whether such Borrowing is to be made under the Term Commitments, the Dollar Commitments or the Multicurrency Commitments;

(ii) in the case of a Revolving Borrowing, the aggregate amount and Currency of the requested Borrowing;

(iii) the date of such Borrowing, which shall be a Business Day (or, in the case of the Borrowing of the Initial Term Loan, the Second Amendment Effective Date);

(iv) in the case of a Syndicated Borrowing denominated in Dollars, whether such Borrowing is to be an ABR Borrowing or a Term Benchmark Borrowing;

(v) in the case of any ~~Term Loan or~~ Revolving Borrowing denominated in an Agreed Foreign Currency, whether such Borrowing is to be a Term Benchmark Borrowing or an RFR Borrowing;

(vi) in the case of a Term Benchmark Borrowing or RFR Borrowing, the Interest Period therefor, which shall be a period contemplated by the definition of the term "Interest Period" and permitted under Section 2.02(d); and

(vii) the location and number of the Borrower's account to which funds are to be disbursed.

(c)Notice by the Administrative Agent to the Lenders. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each applicable Lender of the details thereof and of the amounts of such Lender's Loan to be made as part of the requested Borrowing.

(d)Failure to Elect. If no election as to the Class of a Revolving Borrowing is

specified, then the requested Revolving Borrowing shall be deemed to be under the Multicurrency Commitments. If no election as to the Currency of a Revolving Borrowing is specified, then the requested Revolving Borrowing shall be denominated in Dollars. If no election as to the Type of a Syndicated Borrowing is specified, then the requested Borrowing shall be a Term Benchmark Borrowing having an Interest Period of one month and, in the case of a Revolving Borrowing, if an Agreed Foreign Currency has been specified, the requested Revolving Borrowing shall be a Term Benchmark Borrowing or RFR Borrowing, as applicable, denominated in such Agreed Foreign Currency and having an Interest Period of one month. If a Term Benchmark Borrowing or RFR Borrowing is requested but no Interest Period is specified, (i) if the Currency specified for such Borrowing is Dollars (or if no Currency has been specified), the requested Borrowing shall be a Term Benchmark Borrowing denominated in Dollars having an Interest Period of one month's duration, and (ii) if the Currency specified for such Borrowing is an Agreed Foreign Currency, the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(e)Notice by Borrower for Initial Term Loan. Notwithstanding anything to the contrary herein and the notice requirements set forth in Section 2.03(a), to request the Initial Term Loan to be made on the Second Amendment Effective Date, the Borrower shall notify the Administrative Agent of such request by telephone (confirmed by telecopy or electronic communication) not later than 12:00 p.m., New York City time, one (1) Business Day before the date of the proposed Second Amendment Effective Date (or such later time as reasonably agreed by the Administrative Agent). For the avoidance of doubt, such notice shall not affect any future obligations of the Borrower to comply with the obligations of Section 2.03(a) in connection with any Borrowing Request.

#### SECTION 2.04. Swingline Loans.

(a)Agreement to Make Swingline Loans. Subject to the terms and conditions set forth herein, each Swingline Lender severally agrees to make Swingline Loans under each Commitment to the Borrower from time to time during the Availability Period in Dollars, in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate principal

amount of outstanding Swingline Loans of both Classes exceeding \$245,000,000 or the aggregate principal amount of outstanding Swingline Loans of any Swingline Lender exceeding the amount set forth opposite the name of such Swingline Lender on Schedule 2.04, (ii)(A) in the case of any Swingline Lender with a Dollar Commitment, the sum of such Swingline Lender's outstanding Dollar Loans, its LC Exposure, its outstanding Swingline Loans and (without duplication) its other Swingline Exposure exceeding its Dollar Commitment and (B) in the case of any Swingline Lender with a Multicurrency Commitment, the sum of such Swingline Lender's outstanding Multicurrency Loans, its LC Exposure, its outstanding Swingline Loans and (without duplication) its other Swingline Exposure exceeding its Multicurrency Commitment, (iii) the total Revolving Dollar Credit Exposures exceeding the aggregate Dollar Commitments at such time, (iv) the total Revolving Multicurrency Credit Exposures exceeding the aggregate Multicurrency Commitments at such time or (v) the total Covered Debt Amount exceeding the Borrowing Base then in effect; provided that no Swingline Lender shall be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.

Borrower shall notify the Administrative Agent of such request by telephone (confirmed by telecopy or electronic communication) not later than 1:00 p.m., New York City time, on the day of such proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the Swingline Lender from which such Swingline Loan shall be made, the requested date (which shall be a Business Day) and the amount of the requested Swingline Loan. The Administrative Agent will promptly advise the applicable Swingline Lender of any such notice received from the Borrower. Each Swingline Lender shall make each applicable Swingline Loan by wire transfer of immediately available funds to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders by 4:00 p.m., New York City time, on the requested date of such Swingline Loan. The Administrative Agent will make such Swingline Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower designated by the Borrower; provided that Swingline Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(c) Participations by Revolving Lenders in Swingline Loans. Any Swingline Lender may by written notice given to the Administrative Agent not later than 10:00 a.m., New York City time on any Business Day, require the Revolving Lenders of the applicable Class of Commitments to acquire participations on such Business Day in all or a portion of the outstanding Swingline Loans of such Class made by such Swingline Lender. Such notice to the Administrative Agent shall specify the aggregate amount of Swingline Loans in which the applicable Revolving Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each applicable Revolving Lender, specifying in such notice such Revolving Lender's Applicable Percentage of such Swingline Loan or Loans. Each Revolving Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above in this paragraph, to pay to the Administrative Agent, for account of the applicable Swingline Lender, such Revolving Lender's Applicable Percentage, as the case may be, of such Swingline Loan or Loans; provided that no Revolving Lender shall be required to purchase a participation in a Swingline Loan pursuant to this Section 2.04(c) if (x) the conditions set forth in Section 4.02 would not be satisfied in respect of a Borrowing at the time such Swingline Loan was made and (y) the Required Lenders of the respective Class shall have so notified the applicable Swingline Lender in writing and shall not have subsequently determined that the circumstances giving rise to such conditions not being satisfied no longer exist. Unless a Swingline Lender has received the written notice referred to in the previous sentence prior to the time such Swingline Loan was made, then, subject to the terms and conditions hereof, such Swingline Lender shall be entitled to assume all such conditions are satisfied.

Subject to the foregoing, each Revolving Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph (c) is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or reduction or termination of the Commitments of the respective Class, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as

provided in Section 2.06 with respect to Loans made by such Revolving Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the applicable Swingline Lender the amounts so received by it from the Revolving Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the relevant Swingline Lender. Any amounts received by a Swingline Lender from the Borrower (or other party on behalf of the Borrower) in respect of a Swingline Loan after receipt by such Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Lenders that shall have made their payments pursuant to this paragraph and to the applicable Swingline Lender, as their interests may appear. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

(d) Resignation and Replacement of Swingline Lender. Any Swingline Lender may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Swingline Lender and a successor Swingline Lender. The Administrative Agent shall notify the Lenders of any such replacement of any Swingline Lender. In addition if any Swingline Lender, in its capacity as a Revolving Lender, assigns all of its Revolving Loans and Revolving Commitments in connection with the terms of this Agreement, such Swingline Lender shall be deemed to have automatically resigned as a Swingline Lender hereunder. The Administrative Agent shall notify the Lenders of any such replacement of any Swingline Lender. At the time any such replacement or resignation shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced or resigning Swingline Lender pursuant Section

2.11. From and after the effective date of any such replacement, (i) the successor Swingline Lender shall have all the rights and obligations of the replaced Swingline Lender under this Agreement with respect to Swingline Loans to be made by such successor Swingline Lender thereafter and

(ii) references herein to the term “Swingline Lender” and/or “Swingline Lenders” shall be deemed to refer to such successor or successors (and the other current Swingline Lenders, if applicable) or to any previous Swingline Lender, or to such successor or successors (and all current Swingline Lenders) and all previous Swingline Lenders, as the context shall require. After the replacement

or resignation of the Swingline Lender hereunder, the replaced or resigning Swingline Lender shall have no obligation to make additional Swingline Loans.

(e) Designation of Additional Swingline Lenders. The Borrower may, at any time and from time to time, with the consent of the Administrative Agent (which consent shall not be unreasonably withheld), designate as additional Swingline Lenders one (1) or more Revolving Lenders that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as a Swingline Lender hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent, executed by the Borrower, the Administrative Agent and such designated Revolving Lender and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of a Swingline Lender under this Agreement and the other Loan Documents and (ii) references herein or therein to the term “Swingline Lender” shall be deemed

## SECTION 2.05. Letters of Credit.

(a)General. Subject to the terms and conditions set forth herein, in addition to the Loans provided for in Section 2.01, the Borrower may request each Issuing Bank to issue, at any time and from time to time during the Availability Period and under either the Dollar Commitments or Multicurrency Commitments, Letters of Credit denominated in Dollars or (in the case of Letters of Credit under the Multicurrency Commitments) in any Agreed Foreign Currency for its own account or the account of its designee (provided that the Obligors shall remain primarily liable to the Lenders hereunder for payment and reimbursement of all amounts payable in respect of the Letters of Credit hereunder) in such form as is acceptable to such Issuing Bank in its reasonable determination. Letters of Credit issued hereunder shall constitute utilization of the Commitments up to the aggregate amount available to be drawn thereunder. Without limiting any rights of an Issuing Bank under this Section 2.05, no Issuing Bank shall be obligated to issue, amend, renew or extend any Letter of Credit (x) denominated in any Foreign Currency if at the time of such issuance, such Issuing Bank, in its capacity as a Revolving Lender, would not be required to make Loans in such Foreign Currency hereunder. or (y) the proceeds of which would be made available to any Person (i) to fund any activity or business of or with any Sanctioned Person or in any Sanctioned Countries, that, at the time of such funding, is the subject of any Sanctions prohibiting such funding or (ii) in any other manner, in each case, as would result in a violation of any Sanctions by any party to this Agreement.

(b)Notice of Issuance, Amendment, Renewal or Extension. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by such Issuing Bank) to any Issuing Bank and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (d) of this Section), the amount and Currency of such Letter of Credit, whether such Letter of Credit is to be issued under the Dollar Commitments or the Multicurrency Commitments, the name and address of the beneficiary thereof and such other

information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, any Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(c)Limitations on Amounts. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the aggregate LC Exposure of the applicable Issuing Bank requested to issue such Letter of Credit (determined for these purposes without giving effect to the participations therein of the Revolving Lenders pursuant to paragraph (e) of this Section) shall not exceed the amount set forth opposite the name of such Issuing Bank on

greater amount as such Issuing Bank may agree in its sole discretion); (ii) the total Revolving Dollar Credit Exposures of Dollar Lenders with Dollar Commitments then in effect shall not exceed the aggregate Dollar Commitments at such time; (iii) the total Revolving Multicurrency Credit Exposures of Multicurrency Lenders with Multicurrency Commitments then in effect shall not exceed the aggregate Multicurrency Commitments at such time; and (iv)(A) with respect to each Issuing Bank that is a Swingline Lender with a Dollar Commitment, the sum of such Swingline Lender's outstanding Dollar Loans, its LC Exposure, its outstanding Swingline Loans and (without duplication) its other Swingline Exposure shall not exceed its Dollar Commitment then in effect and (B) with respect to each Issuing Bank that is a Swingline Lender with a Multicurrency Commitment, the sum of such Swingline Lender's outstanding Multicurrency Loans, its LC Exposure, its outstanding Swingline Loans and (without duplication) its other Swingline Exposure shall not exceed its Multicurrency Commitment then in effect; and (v) the total Covered Debt Amount shall not exceed the Borrowing Base then in effect.

(d)Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the date twelve months after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, twelve months after the then-current expiration date of such Letter of Credit, so long as such renewal or extension occurs within three months of such then-current expiration date); provided that any Letter of Credit with a one-year term may provide for the renewal thereof for additional one-year periods. No Letter of Credit may be renewed following the earlier to occur of the Commitment Termination Date and the Termination Date, except to the extent that the relevant Letter of Credit is Cash Collateralized no later than five (5) Business Days prior to the Commitment Termination Date or Termination Date, as applicable, or supported by another letter of credit, in each case pursuant to arrangements reasonably satisfactory to the applicable Issuing Bank and the Administrative Agent.

(e)Participations. By the issuance of a Letter of Credit of a Class (or an amendment to a Letter of Credit increasing the amount thereof) by an Issuing Bank, and without any further action on the part of such Issuing Bank or the Revolving Lenders, the Issuing Bank hereby grants to each Revolving Lender of such Class, and each Revolving Lender of such Class hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Dollar Percentage or Applicable Multicurrency Percentage, as the

case may be, of the aggregate amount available to be drawn under such Letter of Credit. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the applicable Commitments; provided that no Revolving Lender shall be required to purchase a participation in a Letter of Credit pursuant to this Section 2.05(e) if (x) the conditions set forth in Section 4.02 would not be satisfied in respect of a Borrowing at the time such Letter of Credit was issued and (y) the Administrative Agent or any Revolving Lender shall have so notified such Issuing Bank in writing at least two (2) Business Days prior to the requested date of issuance of such Letter of Credit and shall not have subsequently determined that the circumstances giving rise to such conditions not being satisfied no longer exist. Unless an Issuing Bank has received written notice from any Revolving Lender, the Administrative Agent or the Borrower, at least two

--  
(2) Business Days prior to the requested date of issuance of the applicable Letter of Credit, that  
63 one or more applicable conditions contained in Section 4.02 shall not then be satisfied, then,

subject to the terms and conditions hereof, such Issuing Bank shall be entitled to assume all such conditions are satisfied.

In consideration and in furtherance of the foregoing, each Revolving Lender of a Class hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for account of each Issuing Bank, such Revolving Lender's Applicable Dollar Percentage or Applicable Multicurrency Percentage, as the case may be, of each LC Disbursement made by such Issuing Bank in respect of Letters of Credit of such Class promptly upon the request of such Issuing Bank at any time from the time of such LC Disbursement until such LC Disbursement is reimbursed by the Borrower or at any time after any reimbursement payment is required to be refunded to the Borrower for any reason. Such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each such payment shall be made in the same manner as provided in Section 2.06 with respect to Loans made by such Revolving Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the applicable Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to the next following paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that the Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse an Issuing Bank for any LC Disbursement shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(f)Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such Issuing Bank in respect of such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 11:00 a.m., New York City time, on (i) the Business Day that the Borrower receives notice of such LC Disbursement, if such notice is received prior to 10:00 a.m., New York City time, or (ii) the Business Day immediately following the day that the Borrower receives such notice, if such notice is not received prior to such time; provided that, if such LC Disbursement is not less than \$1,000,000 (or such smaller amount as may be agreed to by the Administrative Agent) and is denominated in Dollars, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 or 2.04 that such payment be financed with a Syndicated ABR Borrowing or a Swingline Loan of the respective Class in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting Syndicated ABR Borrowing or Swingline Loan.

If the Borrower fails to make such payment when due, the Administrative Agent shall notify each applicable Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender's Applicable Dollar Percentage or Applicable Multicurrency Percentage, as the case may be, thereof.

(g)Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (f) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability

of any Letter of Credit, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply strictly with the terms of such Letter of Credit, and (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of the Borrower's obligations hereunder.

Neither the Administrative Agent, the Revolving Lenders nor any Issuing Bank, nor any of their Related Parties, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit by such Issuing Bank or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of such Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's fraud, gross negligence or willful misconduct as finally determined by a court of competent jurisdiction when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that:

(i) the Issuing Banks may accept documents that appear on their face to be in substantial compliance with the terms of a Letter of Credit without responsibility for further investigation, regardless of any notice or information to the contrary, and may make payment upon presentation of documents that appear on their face to be in substantial compliance with the terms of such Letter of Credit;

(ii) the Issuing Banks shall have the right, in their sole discretion, to decline to accept such documents and to make such payment if such documents are not in strict compliance with the terms of such Letter of Credit; and

(iii) this sentence shall establish the standard of care to be exercised by the Issuing Banks when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof (and the parties hereto hereby waive, to the extent permitted by applicable law, any standard of care inconsistent with the foregoing).

(h)Disbursement Procedures. Each Issuing Bank shall, within a reasonable time following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit issued by such Issuing Bank. The applicable Issuing Bank shall promptly after such examination notify the Administrative Agent and the Borrower by telephone (confirmed by telecopy or electronic communication) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the applicable Revolving Lenders with respect to any such LC Disbursement.

(i)Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to Revolving ABR Loans; provided that, if the Borrower fails to reimburse such LC Disbursement within two (2) Business Days following the date when due pursuant to paragraph (f) of this Section, then the provisions of Section 2.12(d) shall apply. Interest accrued pursuant to this paragraph shall be for account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (f) of this Section to reimburse such Issuing Bank shall be for account of such Revolving Lender to the extent of such payment.

(j)Resignation and/or Replacement of an Issuing Bank. An Issuing Bank may resign and be replaced at any time by written agreement among the Borrower, the Administrative Agent, the resigning Issuing Bank and the successor Issuing Bank. In addition, if any Issuing Bank, in its capacity as a Revolving Lender, assigns all of its Revolving Loans and Revolving Commitments in accordance with the terms of this Agreement, such Issuing Bank may, with the prior written consent of the Borrower (such consent not to be unreasonably withheld or delayed; provided that no consent of the Borrower shall be required if a Specified Event of Default has occurred and is continuing), resign as an Issuing Bank hereunder upon not less than three (3) Business Days prior written notice to the Administrative Agent and the Borrower; provided, further, in determining whether to give any such consent, the Borrower may consider, among other factors, the sufficiency of availability of Letters of Credit hereunder. The Administrative Agent shall notify the Revolving Lenders of any such resignation and replacement of an Issuing Bank. Upon the effectiveness of any resignation or replacement of an Issuing Bank, the Borrower shall pay all unpaid fees accrued for account of the resigning or replaced Issuing Bank pursuant to Section 2.11(b). From and after the effective date of the appointment of a successor Issuing Bank,

(i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term “Issuing Bank” and/or “Issuing Banks” shall be deemed to refer to such successor or successors (and other current Issuing Banks, if applicable) or to any previous Issuing Bank, or to such successor or successors (and all other current Issuing Banks) and all previous Issuing Banks, as the context shall require. After the effective replacement or resignation of the Issuing Bank hereunder, the replaced or resigning Issuing Bank, as the case may be, shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit.

(k)Cash Collateralization. If the Borrower shall be required to provide Cash Collateral for LC Exposure pursuant to Section 2.05(d), Section 2.09(a), Section 2.10(b) or (c), the last paragraph of Article VII or Section 9.19, the Borrower shall immediately deposit into a segregated collateral account or accounts (herein, collectively, the “Letter of Credit Collateral Account”) in the name and under the dominion and control of the Administrative Agent Cash denominated in the Currency of the Letter of Credit under which such LC Exposure arises in an amount equal to the amount required under Section 2.09(a), Section 2.10(b) or (c) or the last paragraph of Article VII, as applicable. Such deposit shall be held by the Administrative Agent as collateral in the first instance for the LC Exposure under this Agreement and thereafter for the payment of the “Secured Obligations” under and as defined in the Guarantee and Security Agreement, and for these purposes the Borrower hereby grants a security interest to the Administrative Agent for the benefit of the Revolving Lenders in the Letter of Credit Collateral Account and in any financial assets (as defined in the Uniform Commercial Code) or other property held therein.

(l)Additional Issuing Banks. From time to time, the Borrower may, by notice to the Administrative Agent, designate additional Revolving Lenders as Issuing Banks, each of which agrees (in its sole discretion) to act in such capacity and is reasonably satisfactory to the Administrative Agent; provided that each such notice shall include an updated Schedule 2.05; provided, further, that the Borrower shall not update Schedule 2.05 to increase any Issuing Bank’s maximum LC Exposure without such Issuing Bank’s consent. Each such additional Issuing Bank shall execute a counterpart of this Agreement upon the approval of the Administrative Agent (which approval shall not be unreasonably withheld) and shall thereafter be an Issuing Bank hereunder for all purposes.

#### SECTION 2.06. Funding of Borrowings.

(a)Funding by Lenders. Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by (i) in the case of any Loan (other than a Syndicated ABR Borrowing), 11:00 a.m. New York City time, and (ii) in the case of any Loan that is a Syndicated ABR Borrowing, 1:00 p.m. New York City time, in each case, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders; provided that Swingline Loans shall be made as provided in Section 2.04. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower designated by the Borrower in the applicable Borrowing Request; provided that Syndicated ABR Borrowings

made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(b)Presumption by the Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the Federal Funds Effective Rate or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. Nothing in this paragraph shall relieve any Lender of its obligation to fulfill its commitments hereunder, and this paragraph shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

#### SECTION 2.07. Interest Elections.

(a)Elections by the Borrower for Syndicated Borrowings. Subject to Section 2.03(d), the Loans constituting each Syndicated Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Term Benchmark Borrowing or RFR Borrowing, shall have the Interest Period specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a Borrowing of a different Type or to continue such Borrowing as a Borrowing of the same Type and, in the case of a Term Benchmark Borrowing or RFR Borrowing, may elect the Interest Period therefor, all as provided in this Section; provided, however, that (i) a Syndicated Borrowing of a Class may only be continued or converted into a Syndicated Borrowing of the same Class, (ii) except as set forth in Sections 2.13, 2.20 and 2.21, a Syndicated Borrowing denominated in one Currency may not be continued as, or converted to, a Syndicated Borrowing in a different Currency, (iii) prior to the Commitment Termination Date, no Term Benchmark Borrowing denominated in a Foreign Currency or RFR Borrowing may be continued if, after giving effect thereto, the aggregate Revolving Multicurrency Credit Exposures would exceed the aggregate Multicurrency Commitments, and (iv) a Term Benchmark Borrowing denominated in a Foreign Currency or RFR Borrowing may not be converted to a Borrowing of a different Type. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders of the respective Class holding the Loans constituting such Borrowing, and the Loans constituting each such portion shall be considered a separate Borrowing. This Section shall not apply to Swingline Loans, which may not be converted or continued.

(b)Notice of Elections. To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone, delivery of a signed interest election request or email by the time that a Borrowing Request would be required under

Section 2.03 if the Borrower were requesting a Syndicated Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly (but no later than the close of business on the date of such request) by hand delivery or telecopy or electronic communication to the Administrative Agent of a written Interest Election Request in a form approved by the Administrative Agent and signed by the Borrower.

(c)Content of Interest Election Requests. Each telephonic and written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing (including the Class) to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) of this paragraph shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether, in the case of a Borrowing denominated in Dollars, the resulting Borrowing is to be an ABR Borrowing or a Term Benchmark Borrowing; and

(iv) if the resulting Borrowing is a Term Benchmark Borrowing or RFR Borrowing, the Interest Period therefor after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period" and permitted under Section 2.02(d).

(d)Notice by the Administrative Agent to the Lenders. Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e)Failure to Elect; Events of Default. If the Borrower fails to deliver a timely and complete Interest Election Request with respect to a Term Benchmark Borrowing or RFR Borrowing prior to the end of the Interest Period therefor, then, unless such Borrowing is repaid as provided herein, (i) if such Borrowing is denominated in Dollars, at the end of such Interest Period such Borrowing shall be converted to a Syndicated Term Benchmark Borrowing consistent with the existing Loan of the same Class having an Interest Period of one month, and (ii) if such Borrowing is denominated in a Foreign Currency, the Borrower shall be deemed to have selected an Interest Period of one month's duration. Notwithstanding any contrary provision hereof (other than the last paragraph of Article VII), if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, (i) any Term Benchmark Borrowing denominated in Dollars shall, at the end of the applicable Interest Period for such Term Benchmark Borrowing, be automatically converted to an ABR Borrowing and (ii) any Term Benchmark Borrowing or RFR Borrowing denominated in a Foreign Currency shall not have an Interest Period of more than one month's duration.

SECTION 2.08. Termination, Reduction or Increase of the Commitments.

(a)Scheduled Termination. Unless previously terminated, the Revolving

Commitments shall terminate on the Commitment Termination Date. The Initial Term Commitments terminated upon the funding of the Initial Term Loans on the Second Amendment Effective Date. The Incremental Term Commitments made by such Incremental Term Lenders on December 18, 2024 terminated upon the funding of such Incremental Term Loans on December 18, 2024. The Incremental Term Commitments made by such Incremental Term Lenders on August 26, 2025 terminated upon the funding of such Incremental Term Loans on August 26, 2025.

(b) Voluntary Termination or Reduction. The Borrower may at any time without premium or penalty terminate, or from time to time reduce, the Revolving Commitments of either Class; provided that (i) each reduction of the Revolving Commitments of a Class shall be in an amount that is \$10,000,000 (or, if less, the entire amount of the Revolving Commitments of such Class) or a larger multiple of \$1,000,000 in excess thereof (or, if less, the entire amount of the Revolving Commitments of such Class) and (ii) the Borrower shall not terminate or reduce the Revolving Commitments of either Class if, after giving effect to any concurrent prepayment of the Revolving Loans of such Class in accordance with Section 2.10, the total Revolving Credit Exposures of such Class would exceed the total Revolving Commitments of such Class. Any such reduction of the Revolving Commitments below the principal amount of the Swingline Loans permitted under Section 2.04(a)(i) and the Letters of Credit permitted under Section 2.05(c)(i) shall result in a dollar-for-dollar reduction of such amounts as applicable.

(c) Notice of Voluntary Termination or Reduction. The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Revolving Commitments under paragraph (b) of this Section at least three (3) Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any notice, the Administrative Agent shall advise the applicable Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitments of a Class delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or events, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(d) Effect of Termination or Reduction. Any termination or reduction of the Revolving Commitments of a Class pursuant to clause (b) shall be permanent. Each reduction of the Revolving Commitments of a Class pursuant to clause (b) shall be made ratably among the Lenders of such Class in accordance with their respective Revolving Commitments.

(e) Increase of the Commitments.

(i) Requests for Increase by Borrower. The Borrower may, at any time, request that the Revolving Commitments hereunder of a Class be increased or a new Class of Incremental Term Commitments be created (each such proposed increase or creation being a “Commitment Increase”), upon notice to the Administrative Agent (who shall promptly notify the Lenders), which notice shall specify each existing Lender that shall have agreed to an additional Commitment of the same Class as its existing

Commitment (each an “Increasing Lender”) and/or each additional lender that shall have agreed to a new Commitment or existing Lender that shall have agreed to a new Commitment of a different Class than its existing Commitment (each an “Assuming Lender”) ~~that shall have agreed to an additional Commitment~~ and the date on which such increase or creation, as applicable, is expected to be effective (the date of actual effectiveness, the “Commitment Increase Date”), which shall be a Business Day at least three (3) Business Days (or such shorter period as the Administrative Agent may reasonably agree) after delivery of such notice and at least 30 days prior to the Commitment Termination Date; provided that:

(A) the minimum amount of the Commitment of any Assuming Lender, and the minimum amount of the increase of the Commitment of any Increasing Lender, as part of such Commitment Increase shall be \$10,000,000 or a larger multiple of \$5,000,000 in excess thereof (or such lesser amount as the Administrative Agent may reasonably agree);

(B) immediately after giving effect to such Commitment Increase, the total Commitments of all of the Lenders hereunder shall not exceed ~~\$3,420,000,000~~ 4,012,500,000;

(C) each Assuming Lender shall be consented to by the Administrative Agent and, in the case of a Commitment Increase under the Revolving Commitments, each Issuing Bank and each Swingline Lender (such consent not to be unreasonably withheld or delayed);

(D) no Default shall have occurred and be continuing on such Commitment Increase Date or shall result from the proposed Commitment Increase; and

(E) the representations and warranties contained in this Agreement shall be true and correct in all material respects (or, in the case of any portion of the representations and warranties already subject to a materiality qualifier, true and correct in all respects) on and as of the Commitment Increase Date as if made on and as of such date (or, if any such representation or warranty is expressly stated to have been made as of a specific date, as of such specific date).

(ii) Effectiveness of Commitment Increase by Borrower. ~~An~~ On the Commitment Increase Date for any Commitment Increase, an Assuming Lender, if any, shall become a Lender hereunder as of such Commitment Increase Date with the Commitment in the amount set forth in the applicable Commitment Increase Supplement, and the Commitment of the respective Class of any Increasing Lender ~~and such Assuming Lender~~ part of such Commitment Increase, if any, shall be increased as of such Commitment Increase Date to the amount set forth in the applicable Commitment Increase Supplement; provided that:

(x) the Administrative Agent shall have received on or prior to 11:00 a.m., New York City time, on such Commitment Increase Date (or on or prior

to a time on an earlier date specified by the Administrative Agent) a certificate of a duly authorized officer of the Borrower stating that each of the applicable conditions to such Commitment Increase set forth in the foregoing paragraph (i) has been satisfied;

(y) each Assuming Lender or Increasing Lender shall have delivered to the Administrative Agent, on or prior to 11:00 a.m., New York City time on such Commitment Increase Date (or on or prior to a time on an earlier date specified by the Administrative Agent), an agreement, in form and substance satisfactory to the Borrower and the Administrative Agent (each a "Commitment Increase Supplement"), pursuant to which such Lender shall, effective as of such Commitment Increase Date, undertake a Commitment or an increase of Commitment in each case of the respective Class, duly executed by such Assuming Lender or Increasing Lender, as applicable, and the Borrower and acknowledged by the Administrative Agent; and

(z) in the case of a Commitment Increase under the Term Commitments, each Assuming Lender and Increasing Lender shall on such Commitment Increase Date make available their respective Term Loans to the Borrower pursuant to procedures reasonably established by the Administrative Agent.

Promptly following satisfaction of such conditions, the Administrative Agent shall notify the Lenders of such Class (including any Assuming Lenders) thereof and of the occurrence of the Commitment Increase Date by facsimile transmission or electronic messaging system.

(iii) Recordation into Register. Upon its receipt of a Commitment Increase Supplement executed by an Assuming Lender or any Increasing Lender, and, if applicable, upon the making of any Incremental Term Loan pursuant to clause (ii)(C), together with the certificate referred to in clause (ii)(x) above, the Administrative Agent shall, if such agreement has been completed, (x) accept such agreement, (y) record the information contained therein, and, if applicable, the Incremental Term Loans, in the Register and (z) give prompt notice thereof to the Borrower.

(iv) Adjustments of Borrowings upon Effectiveness of Increase. In the case of a Commitment Increase under the Revolving Commitments, on each Commitment Increase Date, the Borrower shall (A) prepay the outstanding Revolving Loans (if any) of the affected Class in full, (B) simultaneously borrow new Revolving Loans of such Class hereunder in an amount equal to such prepayment (which may also include the amount of any fees, expenses or amounts due by the Borrower on or prior to the Commitment Increase Date); provided that with respect to subclauses (A) and (B), (x) the prepayment to, and borrowing from, any existing Revolving Lender shall be effected by book entry to the extent that any portion of the amount prepaid to such Revolving Lender will be subsequently borrowed from such Revolving Lender and (y) the existing Revolving Lenders, the Increasing Lenders and the Assuming Lenders shall make and receive payments among themselves, in a manner acceptable to the Administrative Agent, so that,

—after giving effect thereto, the Revolving Loans of such Class are held ratably by the Revolving Lenders of such Class in accordance with the respective Revolving Commitments of such Class of such Revolving Lenders (after giving effect to such Commitment Increase) and (C) pay to the Revolving Lenders of such Class the amounts, if any, payable under Section 2.15 as a result of any such prepayment. Concurrently therewith, the Revolving Lenders of such Class shall be deemed to have adjusted their participation interests in any outstanding Swingline Loans and Letters of Credit of such Class so that such interests are held ratably in accordance with their Revolving Commitments of such Class as so increased.

SECTION 2.09. Repayment of Loans; Evidence of Debt.

(a)Repayment. The Borrower hereby unconditionally promises to pay the Loans of each Class as follows:

(i) to the Administrative Agent for account of the Lenders of such Class the outstanding principal amount of the Syndicated Loans of such Class on the Final Maturity Date; and

(ii) to the applicable Swingline Lender the then unpaid principal amount of each Swingline Loan of each Class denominated in Dollars made by such Swingline Lender, on the earlier of the Commitment Termination Date and the first date after such Swingline Loan is made that is the 15th or last day of a calendar month and is at least ten (10) Business Days after such Swingline Loan is made; provided that on each date that a Syndicated Borrowing of such Class is made, the Borrower shall repay all Swingline Loans of such Class then outstanding.

In addition, on the Commitment Termination Date, the Borrower shall deposit Cash into the Letter of Credit Collateral Account (denominated in the Currency of the Letter of Credit under which such LC Exposure arises) in an amount equal to 100% of the undrawn face amount of all Letters of Credit outstanding on the close of business on the Commitment Termination Date, such deposit to be held by the Administrative Agent as collateral security for the LC Exposure under this Agreement in respect of the undrawn portion of such Letters of Credit.

(b)Manner of Payment. Prior to any repayment or prepayment of any Borrowings to any Lenders of any Class hereunder, the Borrower shall select the Borrowing or Borrowings of such Class to be paid and shall notify the Administrative Agent by telephone (confirmed by telecopy or e-mail) of such selection not later than the time set forth in Section 2.10(e) prior to the scheduled date of such repayment; provided that each repayment of Borrowings to any Lenders of a Class shall be applied to repay any outstanding ABR Borrowings of such Class before any other Borrowings of such Class. If the Borrower fails to make a timely selection of the Borrowing or Borrowings to be repaid or prepaid, such payment shall be applied, first, to pay any outstanding ABR Borrowings of the applicable Class and, second, to other Borrowings of such Class in the order of the remaining duration of their respective Interest Periods (the Borrowing with the shortest remaining Interest Period to be repaid first). Each payment of a Syndicated Borrowing of a Class shall be applied ratably to the Loans included in such Borrowing.

(c)Maintenance of Records by Lenders. Each Lender shall maintain in accordance

with its usual practice records evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts and Currency of principal and interest payable and paid to such Lender from time to time hereunder.

(d)Maintenance of Records by the Administrative Agent. The Administrative Agent shall maintain records in which it shall record (i) the amount and Currency of each Loan made hereunder, the Class and Type thereof and each Interest Period therefor, (ii) the amount and Currency of any principal or interest due and payable or to become due and payable from the Borrower to each Lender of such Class hereunder and (iii) the amount and Currency of any sum received by the Administrative Agent hereunder for account of the Lenders and each Lender's share thereof.

(e)Effect of Entries. The entries made in the records maintained pursuant to paragraph (c) or (d) of this Section shall be prima facie evidence, absent obvious error, of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such records or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement.

(f)Promissory Notes. Any Lender may request that Loans of any Class made by it be evidenced by a promissory note; in such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form reasonably approved by the Administrative Agent. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

#### SECTION 2.10. Prepayment of Loans.

(a)Optional Prepayments. The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty except for payments under Section 2.15, subject to the requirements of this Section. Any prepayment of a Borrowing made in accordance with this clause (a) shall be applied ratably among the Lenders of a Class unless such prepayment is made in connection with the reduction of Commitments in accordance with Section 2.08(b) in which case such prepayment shall be applied in accordance with Section 2.08(d).

#### (b) Mandatory Prepayments due to Changes in Exchange Rates.

(i) Determination of Amount Outstanding. On each Quarterly Date and, in addition, promptly upon the receipt by the Administrative Agent of a Currency Valuation Notice (as defined below), the Administrative Agent shall determine the aggregate Revolving Multicurrency Credit Exposure. For the purpose of this determination, the outstanding principal amount of any Loan that is denominated in any Foreign Currency shall be deemed to be the Dollar Equivalent of the amount in the Foreign

Currency of such Loan, determined as of such Quarterly Date or, in the case of a Currency Valuation Notice received by the Administrative Agent prior to 11:00 a.m., New York City time, on a Business Day, on such Business Day or, in the case of a Currency Valuation Notice otherwise received, on the first Business Day after such Currency Valuation Notice is received. Upon making such determination, the Administrative Agent shall promptly notify the Multicurrency Lenders and the Borrower thereof.

(ii) Prepayment. If on the date of such determination the aggregate Revolving Multicurrency Credit Exposure minus the Multicurrency LC Exposure fully Cash Collateralized on such date exceeds 105% of the aggregate amount of the Multicurrency Commitments as then in effect, the Borrower shall, if requested by the Required Multicurrency Lenders (through the Administrative Agent), prepay the Syndicated Multicurrency Loans and Swingline Loans of the Swingline Lenders with a Multicurrency Commitment (and/or provide Cash Collateral for Multicurrency LC Exposure as specified in Section 2.05(k)) within 15 Business Days following the Borrower's receipt of such request in such amounts as shall be necessary so that after giving effect thereto the aggregate Revolving Multicurrency Credit Exposure does not exceed the Multicurrency Commitments.

For purposes hereof "Currency Valuation Notice" means a notice given by the Required Multicurrency Lenders to the Administrative Agent stating that such notice is a "Currency Valuation Notice" and requesting that the Administrative Agent determine the aggregate Revolving Multicurrency Credit Exposure. The Administrative Agent shall not be required to make more than one valuation determination pursuant to Currency Valuation Notices within any rolling three month period.

Any prepayment pursuant to this paragraph shall be applied, first to Swingline Multicurrency Loans outstanding, second, to Syndicated Multicurrency Loans outstanding and third, as cover for Multicurrency LC Exposure.

(c) Mandatory Prepayments due to Borrowing Base Deficiency. In the event that at any time any Borrowing Base Deficiency shall exist, the Borrower shall, within five (5) Business Days after delivery of the applicable Borrowing Base Certificate, prepay the Revolving Loans (or provide Cash Collateral for Letters of Credit as contemplated by Section 2.05(k)) or reduce Other Covered Indebtedness or any other Indebtedness that is included in the Covered Debt Amount at such time in such amounts as shall be necessary so that such Borrowing Base Deficiency is cured; provided that (i) the aggregate amount of such prepayment of Revolving Loans (and Cash Collateral for Letters of Credit) shall be at least equal to the Revolving Percentage times the aggregate prepayment of the Covered Debt Amount, and (ii) if, within five (5) Business Days after delivery of a Borrowing Base Certificate demonstrating such Borrowing Base Deficiency, the Borrower shall present the Administrative Agent with a reasonably feasible plan to enable such Borrowing Base Deficiency to be cured within 30 Business Days (which 30-Business Day period shall include the five (5) Business Days permitted for delivery of such plan), then such prepayment or reduction shall not be required to be effected immediately but may be effected in accordance with such plan (with such modifications as the Borrower may reasonably determine), so long as such Borrowing Base Deficiency is cured within such 30-Business Day period (or any extended period consented to by the Administrative Agent in its sole discretion).

(d) Mandatory Prepayments During Amortization Period. During the period commencing on the date immediately following the Commitment Termination Date and ending on the Final Maturity Date:

(i) Asset Disposition. If the Borrower or any of its Subsidiaries (other than a Financing Subsidiary) Disposes of any property which results in the receipt by such Person of Net Cash Proceeds in excess of \$2,000,000 in the aggregate since the Commitment Termination Date, the Borrower shall prepay an aggregate principal amount of Loans equal to 100% of such Net Cash Proceeds no later than the fifth Business Day following the receipt of such Net Cash Proceeds (such prepayments to be applied as set forth in Section 2.09(b)).

(ii) Equity Issuance. Upon the sale or issuance by the Borrower or any of its Subsidiaries (other than a Financing Subsidiary) of any of its Equity Interests (other than any sales or issuances of Equity Interests to the Borrower or any Subsidiary Guarantor), the Borrower shall prepay an aggregate principal amount of Loans equal to 75% of all Net Cash Proceeds received therefrom no later than the fifth Business Day following the receipt of such Net Cash Proceeds (such prepayments to be applied as set forth in Section 2.09(b)).

(iii) Indebtedness. Upon the incurrence or issuance by the Borrower or any of its Subsidiaries (other than a Financing Subsidiary) of any Indebtedness, the Borrower shall prepay an aggregate principal amount of Loans equal to 100% of all Net Cash Proceeds received therefrom no later than the fifth Business Day following the receipt of such Net Cash Proceeds (such prepayments to be applied as set forth in Section 2.09(b)).

(iv) Extraordinary Receipt. Upon any Extraordinary Receipt (which, when taken with all other Extraordinary Receipts received after the Commitment Termination Date, exceeds \$5,000,000 in the aggregate) received by or paid to or for the account of the Borrower or any of its Subsidiaries (other than a Financing Subsidiary), and not otherwise included in clauses (i), (ii) or (iii) of this Section 2.10(d), the Borrower shall prepay an aggregate principal amount of Loans equal to 100% of all Net Cash Proceeds received therefrom no later than the fifth Business Day following the receipt of such Net Cash Proceeds (such prepayments to be applied as set forth in Section 2.09(b)).

(v) Return of Capital. If any Obligor shall receive any Return of Capital (other than from any Financing Subsidiary), the Borrower shall prepay an aggregate principal amount of Loans equal to 90% of such Return of Capital (excluding amounts payable by the Borrower pursuant to Section 2.15) no later than the fifth Business Day following the receipt of such Return of Capital (such prepayments to be applied as set forth in Section 2.09(b)).

Notwithstanding the foregoing, (I) Net Cash Proceeds and Return of Capital required to be applied to the prepayment of the Loans pursuant to this Section 2.10(d) shall ~~(A) be applied in accordance with the Guarantee and Security Agreement and (B) exclude the amount necessary for the Borrower to make all required distributions (which shall be no less than~~without duplication for distributions of the amount estimated in good faith by Borrower under Section 6.05(b) herein) to maintain the status of a RIC under the Code and a “business development company” under the Investment Company Act for so long as the Borrower retains such status and to avoid payment by the Borrower of federal excise Taxes imposed by Section 4982 of the Code for so long as the Borrower retains the status of a RIC under the Code and (II) if the Loans to be prepaid pursuant to ~~this Section 2.10(d)~~clauses (i) through (y) above are Term Benchmark Loans, the Borrower may defer such prepayment until the last day of the Interest Period applicable to such Loans owed to such Lender or Lenders, so long as the Borrower deposits an amount equal to such Net Cash Proceeds, no later than the fifth Business Day following the receipt of such Net Cash Proceeds, into a segregated collateral account in the name and under the dominion and control of the Administrative Agent, pending application of such amount to the prepayment of the Loans on the last day of such Interest Period; provided, further, that the Administrative Agent may direct the application of such deposits as set forth in Section 2.09(b) at any time and if the Administrative Agent does so, no amounts will be payable by the Borrower pursuant to Section 2.15.

(e) Payments Following the Commitment Termination Date or During an Event of Default. Notwithstanding any provision to the contrary in Section 2.09 or this Section 2.10:

(i) any prepayment of Loans required to be made in connection with any of the events specified in Section 2.10(d) shall be applied to prepay Loans and/or cash collateralize Letters of Credit on a pro-rata basis between each outstanding Class of Credit Exposure; provided, that, so long as no Event of Default has occurred and is continuing, each prepayment in an Agreed Foreign Currency (including as a result of the Borrower’s receipt of proceeds from a prepayment event in such Agreed Foreign Currency) shall be applied ratably among just the Multicurrency Lenders to prepay the Revolving Loans denominated in such Agreed Foreign Currency and, if after such payment, if applicable or otherwise, the balance of the Revolving Loans denominated in such Agreed Foreign Currency remaining is zero, then, if there are any remaining proceeds, such amount shall be applied to prepay (in Dollars) the remaining Loans and/or cash collateralize outstanding Letters of Credit on a pro-rata basis (based on the aggregate outstanding Dollar Equivalent principal amount of such Loans and Letters of Credit) between each outstanding Class of Credit Exposure;

(ii) after the Commitment Termination Date, no optional prepayment of the Loans of any Class shall be permitted unless at such time, the Borrower also prepays the Loans of each other Class or, to the extent no Loans of any other Class are outstanding, provides cash collateral as contemplated by Section 2.05(k) for outstanding Letters of Credit of such Class, which prepayment (and cash collateral) shall be made on a pro-rata basis (based on the outstanding principal amounts of such Indebtedness) between each outstanding Class

of Credit Exposure; and

(iii) notwithstanding any other provision to the contrary in this Agreement, if an Event of Default has occurred and is continuing, then any payment or repayment of the Loans shall be applied to repay Loans and/or cash collateralize outstanding Letters of Credit on a pro rata basis (based on the aggregate Dollar Equivalents of the outstanding principal amounts of such Loans and Letters of Credit) between each outstanding Class of Credit Exposure.

(f)~~(e)~~ Notices, Etc. The Borrower shall notify the Administrative Agent (and, in the case of prepayment of a Swingline Loan made by a Swingline Lender, such Swingline Lender) by telephone (confirmed by telecopy or electronic communication) of any prepayment hereunder (i) in the case of prepayment of a Term Benchmark Borrowing denominated in Dollars (other than in the case of a prepayment pursuant to Section 2.10(d)), not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment (or such shorter period as may be agreed to by the Administrative Agent), (ii) in the case of prepayment of a Term Benchmark Borrowing denominated in a Foreign Currency (other than in the case of a prepayment pursuant to Section 2.10(d)), not later than 11:00 a.m., London time, four (4) Business Days before the date of prepayment, (iii) in the case of prepayment of a RFR Borrowing (other than in the case of a prepayment pursuant to Section 2.10(d)), not later than 11:00 a.m., London time, four (4) Business Days before the date of prepayment, (iv) in the case of prepayment of a Syndicated ABR Borrowing (other than in the case of a prepayment pursuant to Section 2.10(d)), not later than 11:00 a.m., New York City time on the date of prepayment, (v) in the case of prepayment of a Swingline Loan, not later than 11:00 a.m., New York City time, on the date of prepayment, and (vi) in the case of any prepayment pursuant to Section 2.10(d), not later than 1:00 p.m., New York City time, on the date of prepayment or, in each case of the notice periods described in this clause (e), such lesser period as the Administrative Agent may reasonably agree. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that, if (i) a notice of prepayment is given in connection with a conditional notice of reduction or termination of the Commitments of a Class as contemplated by Section 2.08, then such notice of prepayment may be revoked if such notice of termination or reduction is revoked in accordance with Section 2.08 and (ii) any notice given in connection with Section 2.10(d) may be conditioned on the consummation of the applicable transaction contemplated by such Section and the receipt by the Borrower or any such Subsidiary (other than a Financing Subsidiary) of Net Cash Proceeds. Promptly following receipt of any such notice relating to a Syndicated Borrowing, the Administrative Agent shall advise the affected Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of a Borrowing of the same Type as provided in Section 2.02 or in the case of a Swingline Loan, as provided in Section 2.04, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Syndicated Borrowing of a Class shall be applied ratably to the Loans of such Class included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.12 and shall be made in the manner specified in Section 2.09(b) unless such prepayment is made in connection with the reduction of Commitments in accordance with Section 2.08(b) in which case such prepayment shall be applied in accordance with Section 2.08(d).

(a)Commitment Fee. The Borrower agrees to pay to the Administrative Agent for account of each Revolving Lender a commitment fee, which shall accrue at a rate per annum equal to 0.325% on the average daily unused amount of the Dollar Commitment and Multicurrency Commitment, as applicable, of such Revolving Lender during the period from and including the date hereof to but excluding the earlier of the date such commitment terminates and the Commitment Termination Date. Accrued commitment fees shall be payable within one Business Day after each Quarterly Date, commencing on the first such date to occur after the date

hereof, and on the earlier of the date the Revolving Commitments of the respective Class terminate and the Commitment Termination Date. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing commitment fees, (i) the daily unused amount of the applicable Revolving Commitment shall be determined as of the end of each day and (ii) the Revolving Commitment of any Class of a Revolving Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Class of such Revolving Lender (and the Swingline Exposure of such Class of such Revolving Lender shall be disregarded for such purpose).

(b)Letter of Credit Fees. The Borrower agrees to pay (i) to the Administrative Agent for account of each Revolving Lender a participation fee with respect to its participations in Letters of Credit of each Class, which shall accrue at a rate per annum equal to the Applicable Margin applicable to interest on Term Benchmark Loans (or, if such Letter of Credit is denominated in Sterling or Swiss Francs, RFR Loans) on the average daily amount of such Revolving Lender's LC Exposure of such Class (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date on which such Revolving Lender's Revolving Commitment of such Class terminates and the date on which such Revolving Lender ceases to have any LC Exposure of such Class, and (ii) to each Issuing Bank a fronting fee, which shall accrue at the rate of 0.25% per annum on the average daily amount of such Issuing Bank's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Revolving Commitments and the date on which there ceases to be any LC Exposure, as well as each Issuing Bank's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including each Quarterly Date shall be payable on the third Business Day following such Quarterly Date, commencing on the first such date to occur after the Effective Date; provided that all such fees with respect to the Letters of Credit shall be payable on the Termination Date and the Borrower shall pay any such fees that have accrued and that are unpaid on such date and, in the event any Letters of Credit shall be outstanding that have expiration dates after the Termination Date, the Borrower shall prepay on the Termination Date the full amount of the participation and fronting fees that will accrue on such Letters of Credit subsequent to the Termination Date through but not including the date such outstanding Letters of Credit are scheduled to expire (and, in that connection, the Revolving Lenders agree not later than the date two (2) Business Days after the date upon which the last such Letter of Credit shall expire or be terminated to rebate to the Borrower the excess, if any, of the aggregate participation and fronting fees that have been prepaid by the Borrower over the sum of the amount of such fees that ultimately accrue through the date of such expiration or termination and the aggregate amount of all other unpaid obligations hereunder at such time). Any other fees payable to an

this paragraph shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c)Administrative Agent Fees. The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(d)Payment of Fees. All fees payable hereunder shall be paid on the dates due, in Dollars (or, at the election of the Borrower with respect to any fees payable to an Issuing Bank on account of Letters of Credit issued by such Issuing Bank in any Foreign Currency, in such Foreign Currency) and immediately available funds, to the Administrative Agent (or to the applicable Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances absent obvious error.

#### SECTION 2.12. Interest.

(a)ABR Loans. The Loans constituting each ABR Borrowing (including each Swingline Loan) shall bear interest at a rate per annum equal to the Alternate Base Rate plus the Applicable Margin.

(b)Term Benchmark Loans. The Loans constituting each Term Benchmark Borrowing shall bear interest at a rate per annum equal to the Adjusted Term Benchmark Rate for the related Interest Period for such Borrowing plus the Applicable Margin.

(c)RFR Loans. The Loans constituting each RFR Borrowing shall bear interest at a rate per annum equal to the Daily Simple RFR plus the Applicable Margin.

(d)Default Interest. Notwithstanding the foregoing, if any Event of Default has occurred and is continuing and the Required Lenders have elected to increase pricing, the interest rates applicable to Loans and any fee or other amount payable by the Borrower hereunder shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of principal of any Loan, 2% plus the rate otherwise applicable to such Loan as provided above, (ii) in the case of any Letter of Credit, 2% plus the fee otherwise applicable to such Letter of Credit as provided in Section 2.11(b)(i), or (iii) in the case of any fee or other amount, 2% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section.

(e)Payment of Interest. Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan in the Currency in which such Loan is denominated and, in the case of Syndicated Loans, upon the Termination Date; provided that (i) interest accrued pursuant to paragraph (d) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of a Syndicated ABR Loan prior to the Final Maturity Date), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Term Benchmark Borrowing denominated in Dollars prior to the end of the Interest Period therefor, accrued interest on such Borrowing shall be payable on the effective date of such conversion.

(f)Computation. All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed (i) by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate and (ii) on Multicurrency Loans denominated in Sterling or Canadian Dollars shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Daily Simple RFR or Adjusted Term Benchmark Rate shall be determined by the Administrative Agent and such determination shall be conclusive absent manifest error.

(g)Conforming Changes. In connection with the use or administration of Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

SECTION 2.13. Inability to Determine Interest Rates. Subject to Section 2.21, if, prior to the commencement of any Interest Period for any Term Benchmark Borrowing of a Class or (ii) at any time for an RFR Borrowing (the Currency of such Borrowing herein called the "Affected Currency"):

(a)(i) in the case of a Term Benchmark Borrowing, the Administrative Agent shall have determined (which determination shall be conclusive absent manifest error) the Adjusted Term Benchmark Rate for the Affected Currency cannot be determined pursuant to the definition thereof or (ii) in the case of an RFR Borrowing, the Administrative Agent shall have determined (which determination shall be conclusive absent manifest error) that the Daily Simple RFR for the Affected Currency cannot be determined pursuant to the definition thereof; or

(b)(A) in the case of a Term Benchmark Borrowing, the Administrative Agent shall have received notice from the Required Lenders of such Class of Commitments that the Adjusted Term Benchmark Rate for the Affected Currency for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their respective Loans included in such Borrowing for such Interest Period or (B) in the case of an RFR Borrowing, the Administrative Agent shall have received notice from the Required Multicurrency Lenders that the Daily Simple RFR for the Affected Currency will not adequately and fairly reflect the cost to such Lenders of making or maintaining the Loans included in such RFR Borrowing;

then the Administrative Agent shall give written notice thereof (or telephonic notice, promptly confirmed in writing) to the Borrower and the affected Lenders as promptly as practicable thereafter. Until the Administrative Agent shall notify the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Syndicated Borrowing to, or the continuation of any Syndicated Borrowing as, a Term Benchmark Borrowing or RFR Borrowing denominated in the Affected Currency shall be ineffective and, if the Affected Currency is Dollars, such Syndicated Borrowing (unless prepaid) shall be continued as, or converted to, a Syndicated ABR Borrowing at the end of the applicable Interest Period, (ii) if the Affected Currency is Dollars and any

requests a Term Benchmark Borrowing denominated in Dollars, such Borrowing shall be made as a Syndicated ABR Borrowing, (iii) if the Affected Currency is a Foreign Currency other than Canadian Dollars, (A) any Borrowing Request that requests a Term Benchmark Borrowing or RFR Borrowing denominated in the Affected Currency shall be made as a Term Benchmark Borrowing with a Term Benchmark Rate equal to the Central Bank Rate for the applicable Agreed Foreign Currency; provided, that if the Administrative Agent determines (which determination shall be

conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Foreign Currency cannot be determined, such Borrowing Request shall be ineffective, and (B) any outstanding Term Benchmark Borrowing or RFR Borrowing in the Affected Currency, at the Borrower's election shall either (1) be converted to a Term Benchmark Borrowing with a Term Benchmark Rate equal to the Central Bank Rate for the applicable Agreed Foreign Currency; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Foreign Currency cannot be determined, such Borrowing shall be converted into an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such Affected Currency) immediately in the case of an RFR Borrowing or, in the case of a Term Benchmark Borrowing, at the end of the applicable Interest Period, (2) be converted into a Syndicated ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such Affected Currency) immediately in the case of an RFR Borrowing or, in the case of a Term Benchmark Borrowing, at the end of the applicable Interest Period, or (3) be prepaid in full immediately in the case of an RFR Borrowing or, in the case of a Term Benchmark Borrowing, at the end of the applicable Interest Period, and (iv) if the Affected Currency is Canadian Dollars, (A) any Borrowing Request that requests a Term Benchmark Borrowing denominated in Canadian Dollars shall be made as a Term Benchmark Borrowing with a Term Benchmark Rate equal to the Canadian Prime Rate; provided, that if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Canadian Prime Rate cannot be determined, such Borrowing Request shall be ineffective, and (B) any outstanding Term Benchmark Borrowing in Canadian Dollars, at the Borrower's election, shall either (1) be converted to a Term Benchmark Borrowing denominated in Canadian Dollars with a Term Benchmark Rate equal to the Canadian Prime Rate at the end of applicable Interest Period; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Canadian Prime Rate cannot be determined, such Borrowing shall be converted into an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such Affected Currency) at the end of the applicable Interest Period, (2) be converted into a Syndicated ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such Affected Currency) at the end of the applicable Interest Period, or (3) be prepaid in full at the end of the applicable Interest Period; provided that if no election is made by the Borrower by the date that is three (3) Business Days after receipt by the Borrower of such notice or, in the case of a Term Benchmark Borrowing, the last day of the current Interest Period for the applicable Term Benchmark Loan, if earlier, the Borrower shall be deemed to have elected clause (iii)(B)(1) or (iv)(B)(1) above, as applicable.

#### SECTION 2.14. Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

82

(i) impose, modify or deem applicable any reserve (including pursuant to

regulations issued from time to time by the Board for determining the maximum reserve requirement (including any emergency, special, supplemental or other marginal reserve requirement) with respect to eurocurrency funding (currently referred to as "Eurocurrency liabilities" in Regulation D)), special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for account of, or credit extended by, any Lender or any Issuing Bank; or

(ii) impose on any Lender or any Issuing Bank any other condition, cost or expense (other than Taxes) affecting this Agreement or Term Benchmark Loans or RFR Loans made by such Lender or any Letter of Credit or participation in any such Loan or Letter of Credit;

and the result of any of the foregoing shall be to increase the cost to such Lenders of making, converting to, continuing or maintaining any Term Benchmark Loan or RFR Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or such Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or such Issuing Bank hereunder (whether of principal, interest or otherwise), then upon the request of such Lender or such Issuing Bank the Borrower will pay to such Lender or such Issuing Bank, as the case may be, in Dollars, such additional amount or amounts as will compensate such Lender or such Issuing Bank, as the case may be, for such additional costs incurred or reduction suffered; provided that no Lender will claim the payment of any of the amounts referred to in this paragraph if not generally claiming similar compensation from its other similar customers in similar circumstances (it being understood that no Lender shall be required to disclose price sensitive information or any other information).

(b)Capital and Liquidity Requirements. If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or on the capital of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Swingline Loans and Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity requirements), by an amount deemed to be material by such Lender or such Issuing Bank, then upon the request of such Lender or such Issuing Bank, the Borrower will pay to such Lender or such Issuing Bank, as the case may be, in Dollars, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered; provided that no Lender will claim the payment of any of the amounts referred to in this paragraph if not generally claiming similar compensation from its other similar customers in similar circumstances (it being understood that no Lender shall be required to disclose price sensitive information or any other information).

(c)Certificates from Lenders. A certificate of a Lender or an Issuing Bank (x) setting forth in reasonable detail the basis for and the calculation of the amount or amounts, in Dollars, necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section, (y) setting forth in

detail the manner of determination of such amount or amounts and (z) certifying that such Lender of such Issuing Bank or its holding company, as the case may be, is generally claiming similar compensation from its other similar customers in similar circumstances, shall be promptly delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

(d)Delay in Requests. Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than six months prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.15. Break Funding Payments. In the event of (a) the payment of any principal of any Term Benchmark Loan other than on the last day of an Interest Period therefor (including as a result of the occurrence of any Commitment Increase Date or an Event of Default),

(b) the conversion of any Term Benchmark Loan other than on the last day of an Interest Period therefor, (c) the failure to borrow, convert, continue or prepay any Term Benchmark Loan on the date specified in any notice delivered pursuant hereto (including, in connection with any Commitment Increase Date, and regardless of whether such notice is permitted to be revocable under Section 2.10(e) and is revoked in accordance herewith), or (d) the assignment as a result of a request by the Borrower pursuant to Section 2.18(b) of any Term Benchmark Loan other than on the last day of an Interest Period therefor, then, in any such event, the Borrower shall compensate each affected Lender for such Lender's loss, cost and reasonable expense attributable to such event (excluding loss of anticipated profits). In the case of a Term Benchmark Loan, the loss to any Lender attributable to any such event shall be deemed to include an amount determined by such Lender to be equal to the excess, if any, of:

(a) the amount of interest that such Lender would pay for a deposit equal to the principal amount of such Loan denominated in the Currency of such Loan for the period from the date of such payment, conversion, failure or assignment to the last day of the then current Interest Period for such Loan (or, in the case of a failure to borrow, convert or continue, the duration of the Interest Period that would have resulted from such borrowing, conversion or continuation) if the interest rate payable on such deposit were equal to the Term Benchmark Rate for such Currency for such Interest Period, over

(b) the amount of interest that such Lender would earn on such principal amount for such period if such Lender were to invest such principal amount for such period at the interest rate that would be bid by such Lender (or an affiliate of such Lender) for deposits denominated in such Currency from other banks in the market for the applicable Term Benchmark Rate at the commencement of such period.

84 Payment under this Section shall be made upon written request of a Lender delivered to the

Borrower not later than five (5) Business Days following the payment, conversion, or failure to borrow, convert, continue or prepay that gives rise to a claim under this Section accompanied by a written certificate of such Lender setting forth in reasonable detail the basis for and the calculation of the amount or amounts that such Lender is entitled to receive pursuant to this Section, which certificate shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) Business Days after receipt thereof.

SECTION 2.16. Taxes.

(a)Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower hereunder or under any other Loan Document shall be made free and clear of and without deduction for any Taxes, except as required by applicable law; provided that if the Borrower shall be required to deduct any Taxes from such payments, then (i) if such Taxes are Indemnified Taxes, the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent, applicable Lender or applicable Issuing Bank (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made,

(ii) the Borrower shall make such deductions and (iii) the Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b)Payment of Other Taxes by the Borrower. In addition, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law or at the option of the Administrative Agent timely reimburse it for the payment of any Other Taxes.

(c)Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent, each Lender and each Issuing Bank for and, within ten (10) Business Days after written demand therefor, pay the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Administrative Agent, such Lender or such Issuing Bank, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority, ~~except to the extent that any such Indemnified Taxes or Other Taxes arise as the result of the fraud, gross negligence or willful misconduct of the Administrative Agent, such Lender or such Issuing Bank.~~ A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or an Issuing Bank, or by the Administrative Agent on its own behalf or on behalf of a Lender or an Issuing Bank, shall be conclusive absent manifest error.

(d)Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) Business Days after written demand therefor, for (i) any Indemnified Taxes or Other Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(f) relating to the maintenance of a Participant Register, and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and

-

reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent

to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e)Evidence of Payments. As soon as practicable after any payment of ~~Indemnified~~ Taxes or Other Taxes by the Borrower to a Governmental Authority pursuant to this Section, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f)Tax Documentation. (i) Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments made under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.16(f)(ii) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent (and such additional copies as shall be reasonably requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), ~~duly completed and~~ executed copies of Internal Revenue Service Form W-9 ~~or any successor form~~ certifying that such Lender is exempt from U.S. federal backup withholding tax; and

(B) each Foreign Lender shall deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, but only if such Foreign Lender is

legally entitled to do so), whichever of the following is applicable:

(w) ~~duly completed and~~ executed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E or any successor form claiming eligibility for benefits of an income tax treaty to which the United States is a party,

(x) ~~duly completed~~ executed copies of Internal Revenue Service Form W-8ECI ~~or any successor form certifying that the income receivable pursuant to this Agreement is effectively connected with the conduct of a trade or business in the United States,~~

(y) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (1) a certificate to the effect that such Foreign Lender is not (1) a “bank” within the meaning of Section 881(c)(3)(A) of the Code, (2) a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (3) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code and (2) ~~duly completed and~~ executed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor form) certifying that the Foreign Lender is not a U.S. Person, or

(z) any other form including Internal Revenue Service Form W-8IMY as applicable prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower to determine the withholding or deduction required to be made.

(iii) ~~In addition, e~~ Each Lender ~~shall deliver such forms promptly upon the obsolescence, expiration or invalidity of~~ agrees that if any form or certification it previously delivered ~~by such Lender; provided it is legally able to do so at the time. Each Lender shall~~ expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent ~~at any time the chief tax officer of such Lender becomes aware that it no longer satisfies the legal requirements to provide any previously delivered form or certificate to the Borrower (or any other form of certification adopted by the U.S. or other taxing authorities for such purpose)~~ in writing of its legal inability to do so.

(g) Documentation Required by FATCA. If a payment made to a Lender under this Agreement would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such document prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the

Agent as may be necessary for the Borrower and the Administrative Agent to comply with their respective obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.16(g), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

(h)Treatment of Certain Refunds. If the Administrative Agent, any Lender or an Issuing Bank determines, in its sole discretion exercised in good faith, that it has received a refund or credit (in lieu of such refund) of any Taxes or Other Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section, it shall pay to the Borrower indemnifying party, an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section with respect to the Taxes or Other Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses ~~of the Administrative Agent, any Lender or an Issuing Bank, as the case may be,~~ (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); ~~provided that the Borrower~~ Such indemnifying party, upon the request of ~~the Administrative Agent, any Lender or an Issuing Bank, agrees to repay~~ such indemnified party, shall repay to such indemnified party the amount paid over ~~to the Borrower pursuant to this paragraph (h)~~ (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) ~~to the Administrative Agent, any Lender or an Issuing Bank~~ in the event ~~the Administrative Agent, any Lender or an Issuing Bank~~ that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (h), in no event will the ~~Administrative Agent, any Lender or an Issuing Bank~~ indemnified party be required to pay any amount to ~~Borrower~~ an indemnifying party pursuant to this clause (h), the payment of which would place such Person in a less favorable net after-Tax position than such Person would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This subsection shall not be construed to require the Administrative Agent, any Lender or an Issuing Bank to make available its Tax returns or its books or records (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person.

(i) Each party’s obligations under this Section shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments, the expiration or cancellation of all Letters of Credit and the repayment, satisfaction or discharge of all obligations under any Loan Document.

SECTION 2.17. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Payments by the Borrower. The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or under Section 2.14, 2.15 or 2.16, or otherwise) or under any other Loan Document (except to the extent otherwise provided therein) prior to 12:00 noon, New York City time, on the date when due, in immediately available funds, without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at the Administrative Agent's Account, except as otherwise expressly provided in the relevant Loan Document and except payments to be made directly to any Issuing Bank or any Swingline Lender as expressly provided herein and payments pursuant to Sections 2.14, 2.15, 2.16 and 9.03, which shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in

-  
the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

All amounts owing under this Agreement (including commitment fees, payments required under Section 2.14, and payments required under Section 2.15 relating to any Loan denominated in Dollars, but not including principal of and interest on any Loan denominated in any Foreign Currency or payments relating to any such Loan required under Section 2.15, which are payable in such Foreign Currency) or under any other Loan Document (except to the extent otherwise provided therein) are payable in Dollars. Notwithstanding the foregoing, if the Borrower shall fail to pay any principal of any Loan when due (whether at stated maturity, by acceleration, by mandatory prepayment or otherwise), the unpaid portion of such Loan shall, if such Loan is not denominated in Dollars, automatically be redenominated in Dollars on the due date thereof (or, if such due date is a day other than the last day of the Interest Period therefor, on the last day of such Interest Period) in an amount equal to the Dollar Equivalent thereof on the date of such redenomination and such principal shall be payable on demand; and if the Borrower shall fail to pay any interest on any Loan that is not denominated in Dollars, such interest shall automatically be redenominated in Dollars on the due date therefor (or, if such due date is a day other than the last day of the Interest Period therefor, on the last day of such Interest Period) in an amount equal to the Dollar Equivalent thereof on the date of such redenomination and such interest shall be payable on demand.

Notwithstanding the foregoing provisions of this Section, if, after the making of any Borrowing in any Foreign Currency, currency control or exchange regulations are imposed in the country which issues such currency with the result that the type of currency in which the Borrowing was made (the "Original Currency") no longer exists or the Borrower is not able to make payment to the Administrative Agent for the account of the Lenders in such Original Currency, then all payments to be made by the Borrower hereunder in such currency shall instead be made when due in Dollars in an amount equal to the Dollar Equivalent (as of the date of repayment) of such payment due, it being the intention of the parties hereto that the Borrower

all risks of the imposition of any such currency control or exchange regulations.

(b) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees of a Class then due hereunder, such funds shall be applied (i) first, to pay interest and fees of such Class then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees of such Class then due to such parties, and (ii) second, to pay principal and unreimbursed LC Disbursements of such Class then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements of such Class then due to such parties.

(c) Pro Rata Treatment. Except to the extent otherwise provided herein:

(i) each Syndicated Borrowing of a Class shall be made from the Lenders of such Class, each payment of commitment fee under Section 2.11 shall be made for account of the Lenders of the applicable Class, and each termination or reduction of the amount of the Commitments of a Class under Section 2.08 shall be applied to the respective Commitments of the Lenders of such Class, pro rata according to the amounts of their respective Commitments of such Class; (ii) each Syndicated Borrowing of a Class shall be allocated pro rata among the Lenders of such Class

according to the amounts of their respective Commitments of such Class (in the case of the making of Syndicated Loans) or their respective Loans of such Class that are to be included in such Borrowing (in the case of conversions and continuations of Loans); (iii) each payment or prepayment of principal of Syndicated Loans of a Class by the Borrower shall be made for account of the Lenders of such Class pro rata in accordance with the respective unpaid principal amounts of the Syndicated Loans of such Class held by them; and (iv) each payment of interest on Syndicated Loans of a Class by the Borrower shall be made for account of the Lenders of such Class pro rata in accordance with the amounts of interest on such Loans of such Class then due and payable to the respective Lenders.

(d) Sharing of Payments by Lenders. If any Lender of any Class shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Syndicated Loans, or participations in LC Disbursements or Swingline Loans, of such Class resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Syndicated Loans, and participations in LC Disbursements and Swingline Loans, and accrued interest thereon of such Class then due than the proportion received by any other Lender of such Class, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Syndicated Loans, and participations in LC Disbursements and Swingline Loans, of other Lenders of such Class to the extent necessary so that the benefit of all such payments shall be shared by the Lenders of such Class ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Syndicated Loans, and participations in LC Disbursements and Swingline Loans, of such Class; provided that

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof

provisions of this paragraph shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(e)Presumptions of Payment. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for account of the Lenders or the Issuing Banks hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Banks, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent at the Federal Funds Effective Rate.

(f)Certain Deductions by the Administrative Agent. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(c), 2.05(e), 2.06(a) or (b) or 2.17(e), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

#### SECTION 2.18. Mitigation Obligations; Replacement of Lenders.

(a)Designation of a Different Lending Office. If any Lender requests compensation under Section 2.14, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.16, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.14 or 2.16, as the case may be, in the future and (ii) would not subject such Lender to any cost or expense not required to be reimbursed by the Borrower and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b)Replacement of Lenders. If any Lender requests compensation under Section 2.14, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for account of any Lender pursuant to Section 2.16, or if any Lender becomes a Defaulting Lender or is a Non-Consenting Lender (as provided in Section 9.02(d)), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) the Borrower shall have received

the prior written consent of the Administrative Agent (and, if a Revolving Commitment is being assigned, each Issuing Bank and each Swingline Lender), which consent shall not unreasonably be withheld, conditioned or delayed, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts then due and payable) and (iii) in the case of any such assignment resulting from a claim for compensation under Section 2.14 or payments required to be made pursuant to Section 2.16, such assignment is reasonably expected at the time of such assignment request to result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 2.19. Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by Administrative Agent from a Defaulting Lender pursuant to Section 9.08 shall be applied at such time or times as may be determined by Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Bank or any Swingline Lender hereunder; *third*, to Cash Collateralize each Issuing Bank's Fronting Exposure with respect to such Defaulting Lender in the manner described in Section 2.09(a); *fourth*, as Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by Administrative Agent; *fifth*, if so determined by Administrative Agent and Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize each Issuing Bank's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in the manner described in Section 2.09(a); *sixth*, to the payment of any amounts owing to the Lenders, Issuing Banks or Swingline Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender, any Issuing Bank or any Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, to the payment of any amounts owing to Borrower as a result of any judgment of a court of competent jurisdiction obtained by Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or reimbursement obligations in respect of any LC Disbursement for which such Defaulting Lender has not

fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied and waived, such payment shall be applied solely to pay the Loans of, and reimbursement obligations in respect of any LC Disbursement that is owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or reimbursement obligations in respect of any LC Disbursement that is owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letters of Credit and Swingline Loans are held by the Lenders pro rata in accordance with the applicable Commitments without giving effect to Section 2.19(a)(iii). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.19(a)(i) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(ii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee pursuant to Sections 2.11(a) and (b) for any period during which that Lender is a Defaulting Lender (and Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender); provided that such Defaulting Lender shall be entitled to receive fees pursuant to Section 2.11(b) for any period during which that Lender is a Defaulting Lender only to extent allocable to its Applicable Revolving Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.19(d).

(B) With respect to any Section 2.11(b) fees not required to be paid to any Defaulting Lender pursuant to clause (A) above, Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit or Swingline Loans that has been reallocated to such Non-Defaulting Lender pursuant to clause (iii) below, (y) pay to each Issuing Bank the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Bank's Fronting Exposure to such Defaulting Lender, and

(z) not be required to pay the remaining amount of any such fee.

(iii) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letters of Credit and Swingline Loans shall be reallocated (effective no later than one (1) Business Day after the Administrative Agent has actual knowledge that such Lender has become a Defaulting Lender) among the Non-Defaulting Lenders in accordance with their respective Applicable Dollar Percentages and Applicable Multicurrency Percentages, as the case may be (in each case calculated without regard to such Defaulting Lender's Commitment), but only to the extent that (x) the conditions set forth in Section 4.02 are satisfied at the time of such reallocation (and, unless Borrower shall have otherwise notified Administrative Agent at such time, Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (y) such reallocation does not cause the aggregate Revolving Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's

Commitment. Subject to Section 9.15, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(iv) Cash Collateral; Repayment of Swingline Loans. If the reallocation described in clause (iii) above cannot, or can only partially, be effected, the Borrower shall not later than two (2) Business Days after demand by the Administrative Agent (at the direction of any Issuing Bank and/or any Swingline Lender), without prejudice to any right or remedy available to it hereunder or under law, (x) first, prepay Swingline Loans in an amount equal to the Swingline Lenders' Swingline Exposure (which exposure shall be deemed equal to the applicable Defaulting Lender's Applicable Percentage of the total outstanding Swingline Exposure (other than Swingline Exposure as to which such Defaulting Lender's participation obligation has been reallocated to other Lenders or Cash

Collateralized in accordance with the terms hereof)) and (y) second, Cash Collateralize each Issuing Bank's Fronting Exposure in accordance with the procedures set forth in Section 2.19(d) or (z) make other arrangements reasonably satisfactory to the Administrative Agent, the Issuing Banks and the Swingline Lenders in their sole discretion to protect them against the risk of non-payment by such Defaulting Lender.

(v) Amendments Etc. No Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder or any other Loan Documents and the Commitments and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether two-thirds (2/3rds) of the Lenders, two-thirds (2/3rds) of the Lenders of a Class, the Required Lenders or the Required Lenders of a Class have taken or may take any action hereunder or any other Loan Documents, except that the Commitments of such Lender may not be increased or extended, and, except as otherwise set forth herein, amounts payable to such Defaulting Lender hereunder may not be permanently reduced, without the consent of such Defaulting Lender (other than reductions in fees and interest in which such reduction does not disproportionately affect such Defaulting Lender); provided, for the avoidance of doubt, Section 2.19(a)(ii) shall apply in all respects.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent, the Swingline Lenders and the Issuing Banks agree in writing that a Lender is no longer a Defaulting Lender, Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that such former Defaulting Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held pro rata by the Lenders in accordance with the applicable Commitments (without giving effect to Section 2.19(a)(iii)), and if Cash Collateral has been posted with respect to such Defaulting Lender, the Administrative Agent will promptly return or release such Cash Collateral to the Borrower, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments

while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

(c) New Swingline Loans/Letters of Credit. So long as any Lender is a Defaulting Lender, (i) no Swingline Lender shall be required to fund any Swingline Loans unless it is satisfied that the participations therein will be fully allocated among Non-Defaulting Lenders in a manner consistent with clause (a)(iii) above and the Defaulting Lender shall not participate therein and (ii) no Issuing Bank shall be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that the participations in any existing Letters of Credit as well as the new, extended, renewed or increased Letter of Credit has been or will be fully allocated among the Non-Defaulting Lenders in a manner consistent with clause (a)(iii) above and such Defaulting Lender shall not participate therein except to the extent such Defaulting Lender's participation has been or will be fully Cash Collateralized in accordance with Section 2.19(d).

(d) Cash Collateral. At any time that there shall exist a Defaulting Lender, promptly following the written request of Administrative Agent or any Issuing Bank (with a copy to Administrative Agent) Borrower shall Cash Collateralize each Issuing Bank's Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.19(a)(iii) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount.

(i) Grant of Security Interest. Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to (and subjects to the control of) Administrative Agent, for the benefit of the Issuing Banks, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligation to fund participations in respect of Letters of Credit, to be applied pursuant to clause (ii) below. If at any time Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than Administrative Agent and the Issuing Banks as herein provided, or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, Borrower will, promptly upon demand by Administrative Agent, pay or provide to Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender). All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in blocked, non-interest bearing deposit accounts at Truist. Borrower shall pay on demand therefor from time to time all reasonable and customary account opening, activity and other administrative fees and charges in connection with the maintenance and disbursement of Cash Collateral.

(ii) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.19 in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letters of Credit (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(iii) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce Issuing Bank's Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.19 following (i) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender) or (ii) the determination by Administrative Agent and the Issuing Banks that there exists excess Cash Collateral; provided that, subject to the other provisions of this Section 2.19, the Person providing Cash Collateral and each Issuing Bank may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure; provided, further, that to the extent that such Cash Collateral was provided by Borrower, such Cash Collateral shall remain subject to the security interest granted pursuant to the Loan Documents.

SECTION 2.20. Illegality. If any Change in Law shall make it unlawful or impossible for any Lender to perform any of its obligations hereunder, to make, maintain or fund

any RFR Loan or Term Benchmark Loan or to determine or charge interest rates based upon any applicable Daily Simple RFR or Term Benchmark Rate and such Lender shall so notify the Administrative Agent, the Administrative Agent shall give written notice thereof (or telephonic notice, promptly confirmed in writing) to the Borrower and the other Lenders as promptly as practicable thereafter, whereupon until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such notice no longer exist, (i) the Alternate Base Rate shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to clause (iii) thereof, (ii) any Interest Election Request that requests the conversion of any Borrowing to, or the continuation of any Borrowing as, a Term Benchmark Borrowing denominated in the affected Currency shall be ineffective and, if the affected Currency is Dollars, such Borrowing (unless prepaid) shall be continued as, or converted to, an ABR Borrowing either

(A) at the end of the applicable Interest Period if such Lender may lawfully continue to maintain such Loan to such date or (B) immediately if such Lender shall determine that it may not lawfully continue to maintain such Term Benchmark Loan to such date, (iii) if the affected Currency is Dollars and any Borrowing Request requests a Term Benchmark Borrowing denominated in Dollars, such Borrowing shall be made as an ABR Borrowing, (iv) if the affected Currency is a Foreign Currency other than Canadian Dollars, (A) any Borrowing Request that requests a Term Benchmark Borrowing or RFR Borrowing denominated in the affected Currency shall be made as a Term Benchmark Borrowing with a Term Benchmark Rate equal to the Central Bank Rate for the applicable Agreed Foreign Currency; provided, that if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Foreign Currency cannot be determined, such Borrowing Request shall be ineffective, and (B) any outstanding Term Benchmark Borrowing or RFR Borrowing in the affected Currency, at the Borrower's election shall either (1) be converted to a Term Benchmark Borrowing with a Term Benchmark Rate equal to the Central Bank Rate for the applicable Agreed Foreign Currency; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Foreign Currency cannot be determined, such Borrowing shall be converted into an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such affected Currency) immediately in the case of an RFR Borrowing or, in the case of a Term Benchmark Borrowing, either (x) at the end of the applicable Interest Period if such Lender may lawfully continue to maintain such Loan to such date or (y) immediately if such Lender shall determine that it may not lawfully continue to

to such date, (2) be converted into an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such affected Currency) immediately in the case of an RFR Borrowing or, in the case of a Term Benchmark Borrowing, either (x) at the end of the applicable Interest Period if such Lender may lawfully continue to maintain such Loan to such date or (y) immediately if such Lender shall determine that it may not lawfully continue to maintain such Term Benchmark Loan to such date, or (3) be prepaid in full immediately in the case of an RFR Borrowing or, in the case of a Term Benchmark Borrowing, either (x) at the end of the applicable Interest Period if such Lender may lawfully continue to maintain such Loan to such date or (y) immediately if such Lender shall determine that it may not lawfully continue to maintain such Term Benchmark Loan to such date, and (v) if the affected Currency is Canadian Dollars, (A) any Borrowing Request that requests a Term Benchmark Borrowing denominated in Canadian Dollars shall be made as a Term Benchmark Borrowing with a Term Benchmark Rate equal to the Canadian Prime Rate; provided, that if the Administrative Agent determines (which determination shall be conclusive and binding

absent manifest error) that the Canadian Prime Rate cannot be determined, such Borrowing Request shall be ineffective, and (B) any outstanding Term Benchmark Borrowing in Canadian Dollars, at the Borrower's election, shall either (1) be converted to a Term Benchmark Borrowing denominated in Canadian Dollars with a Term Benchmark Rate equal to the Canadian Prime Rate at the end of applicable Interest Period; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Canadian Prime Rate cannot be determined, such Borrowing shall be converted into an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such affected Currency) either (x) at the end of the applicable Interest Period if such Lender may lawfully continue to maintain such Loan to such date or (y) immediately if such Lender shall determine that it may not lawfully continue to maintain such Term Benchmark Loan to such date, (2) be converted into an ABR Borrowing denominated in Dollars (in an amount equal to the Dollar Equivalent of such affected Currency) either (x) at the end of the applicable Interest Period if such Lender may lawfully continue to maintain such Loan to such date or (y) immediately if such Lender shall determine that it may not lawfully continue to maintain such Term Benchmark Loan to such date, or (3) be prepaid in full at the end of the applicable Interest Period; provided that if no election is made by the Borrower by the date that is three (3) Business Days after receipt by the Borrower of such notice or, in the case of a Term Benchmark Borrowing, the last day of the current Interest Period for the applicable Term Benchmark Loan, if earlier, the Borrower shall be deemed to have elected clause (iv)(B)(1) or (v)(B)(1) above, as applicable. Notwithstanding the foregoing, the affected Lender shall, prior to giving such notice to the Administrative Agent, use reasonable efforts to designate a different lending office if such designation would avoid the need for giving such notice and if such designation would not otherwise be disadvantageous to such Lender in the good faith exercise of its discretion. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 2.15.

#### SECTION 2.21 Effect of Benchmark Transition Event.

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event or an Other Benchmark Rate Election and its related Benchmark Replacement Date have occurred prior to any setting of the then-current Benchmark for a Currency, then (x) if a Benchmark Replacement for the Term SOFR Reference Rate is determined in accordance with clause (1) of the definition of "Benchmark Replacement"

for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any other Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for such Currency for all purposes hereunder and under any other Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders (which, in the case of a Benchmark Replacement in connection with an Other Benchmark Rate Election, may be delivered on the same day that notice of such Other Benchmark Rate Election is provided to the Lenders) without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the

Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising (x) in the case of a Benchmark Replacement for Dollars, the Required Lenders, and, (y) in the case of a Benchmark Replacement for any Foreign Currency, the Required Multicurrency Lenders. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

(b)Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent (after consulting with the Borrower) will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c)Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement, and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will promptly notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (d) below and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.21, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.21.

(d)Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark for a Currency is a term rate (including the Term SOFR Reference Rate, the Term CORRA Reference Rate or the applicable Adjusted Term Benchmark Rate) and either (A) any tenor for such Benchmark for such Currency is not displayed on a screen or other information service that publishes such rate

time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark for such Currency is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings for such Currency at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark for such Currency (including a Benchmark Replacement) or

(B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark for such Currency (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings for such Currency at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. In the absence of any correlation, the Borrower shall be permitted, upon prior notice to the Administrative Agent and each Lender, to create up to three additional industry classification groups for purposes of this Agreement.

(b) Portfolio Valuation Etc.

(i) Settlement Date Basis. For purposes of this Agreement, all determinations of whether an investment is to be included as a Portfolio Investment shall be determined on a settlement-date basis (meaning that any investment that has been purchased will not be treated as a Portfolio Investment until such purchase has settled, and any Portfolio Investment which has been sold will not be excluded as a Portfolio Investment until such sale has settled); provided that no such investment shall be included as a Portfolio Investment to the extent it has not been paid for in full.

(ii) Determination of Values. The Borrower will conduct reviews of the value to be assigned to each of its Portfolio Investments as follows:

(A) Quoted Investments - External Review. With respect to Portfolio Investments (including Cash Equivalents) for which market quotations are readily available, the Borrower shall, not less frequently than once each calendar week, determine the market value of such Portfolio Investments which shall, in each case, be determined in accordance with one of the following methodologies (as selected by the Borrower):

(x) in the case of Bank Loans, the bid price as determined by one Approved Dealer selected by the Borrower,

(y) in the case of any Portfolio Investment traded on an exchange, the closing price for such Portfolio Investment most recently posted on such exchange, and

(z) in the case of any other Portfolio Investment, the fair market value thereof as determined by an Approved Pricing Service selected by the

Borrower; and

(B)Unquoted Investments- External Review. With respect to each Portfolio Investment for which market quotations are not readily available, the Borrower shall request an Approved Third-Party Appraiser to assist the board of directors of the Borrower in determining the fair market value of such Portfolio Investment, as at the last day of two non-consecutive fiscal quarters each calendar year in each case, and with respect to each calendar year, as selected by the Borrower in its sole discretion (with respect to such Portfolio Investment) (each, a “Testing Quarter”); provided that:

(x)the Value of any such Portfolio Investment (i.e., a Portfolio Investment for which market quotations are not readily available) acquired shall be deemed to be equal to the cost of such Portfolio Investment until such time as the fair market value of such Portfolio Investment is determined in accordance with the foregoing provisions of this sub-clause (B) as at the last day of the next succeeding Testing Quarter with respect to such Portfolio Investment;

(y)notwithstanding the foregoing, the board of directors of the Borrower may, without the assistance of an Approved Third-Party Appraiser, determine the fair market value of such unquoted Portfolio Investment so long as the aggregate Value thereof of all such Portfolio Investments so determined does not at any time exceed 10% of the aggregate Borrowing Base, except that the fair market value of any Portfolio Investment that has been determined without the assistance of an Approved Third-Party Appraiser as at the last day of any Testing Quarter with respect to such Portfolio Investment shall be deemed to be zero as at the last day of the immediately succeeding Testing Quarter with respect to such Portfolio Investment (but effective upon the date upon which the Borrowing Base Certificate for such last day is required to be delivered hereunder) if an Approved Third-Party Appraiser has not assisted the board of directors of the Borrower in determining the fair market value of such Portfolio Investments, as at such date; and

(z)no Testing Quarter with respect to any Portfolio Investment for which market quotations are not readily available shall end more than six months following the end of the immediately preceding Testing Quarter for such Portfolio Investment.

(C)Internal Review. The Borrower shall conduct internal reviews of all Portfolio Investments at least once each calendar week which shall take into account any events of which any Responsible Officer of the Borrower has knowledge that adversely affect the value of the Portfolio Investments. If the value of any Portfolio Investment as most recently determined by the Borrower pursuant

to this Section 5.12(b)(ii)(C) is lower than the value of such Portfolio Investment as most recently determined pursuant to Section 5.12(b)(ii)(A) and (B), such lower

value shall be deemed to be the “Value” of such Portfolio Investment for purposes hereof; provided that the Value of any Portfolio Investment of the Borrower and its Subsidiaries shall be increased by the net unrealized gain as at the date such Value is determined of any Hedging Agreement entered into to hedge risks associated with such Portfolio Investment and reduced by the net unrealized loss as at such date of any such Hedging Agreement (such net unrealized gain or net unrealized loss, on any date, to be equal to the aggregate amount receivable or payable under the related Hedging Agreement if the same were terminated on such date).

(D) Failure to Determine Values. If the Borrower shall fail to determine the value of any Portfolio Investment as at any date pursuant to the requirements of the foregoing sub-clauses (A), (B) or (C), then the “Value” of such Portfolio Investment as at such date shall be deemed to be zero.

(E) Testing of Values.

(x) For the second calendar month immediately following the end of each fiscal quarter (the last such fiscal quarter is referred to herein as, the “Testing Period”), the Administrative Agent shall cause an Approved Third-Party Appraiser selected by the Administrative Agent to value such number of Unquoted Investments (selected by the Administrative Agent) that collectively have an aggregate Value approximately equal to the Calculation Amount. The Administrative Agent agrees to notify the Borrower of the Unquoted Investments selected by the Administrative Agent to be tested in each Testing Period. If there is a difference between the Borrower’s valuation and the Approved Third-Party Appraiser’s valuation of any Unquoted Investment, the Value of such Unquoted Investment for Borrowing Base purposes shall be established as set forth in sub-clause (E) below.

(y) For the avoidance of doubt, the valuation of any Approved Third-Party Appraiser selected by the Administrative Agent would not be as of, or delivered at, the end of any fiscal quarter. Any such valuation would be as of the end of the second month immediately following any fiscal quarter (the “Administrative Agent Appraisal Testing Period”) and would be reflected in the Borrowing Base Certificate for such month (provided that such Approved Third-Party Appraiser delivers such valuation at least seven (7) Business Days before the 20<sup>th</sup> day after the end of the applicable monthly accounting period and, if such valuation is delivered after such time, it shall be included in the Borrowing Base Certificate for the following monthly period and applied to the then applicable balance of the related Portfolio Investment). For illustrative purposes, if the given fiscal quarter is the fourth quarter ending on December 31, 2022, then (A) the Administrative Agent would initiate the testing of Values (using the December 31, 2022 Calculation Values for purposes of determining the scope of the testing under clauses (E)(x) during the month of February with the anticipation of receiving the valuations from

the applicable Approved Third-Party Appraiser(s) on or after February 28, 2023 and (B)(xx) if such valuations were received before the 7th Business Day before March 20, 2023, such valuations would be included in the March 20, 2023 Borrowing Base Certificate covering the month of February, or (yy) if such valuations were received after such time, they would be included in the April 20, 2023 Borrowing Base Certificate for the month of March.

For the avoidance of doubt, all calculations of value pursuant to this Section 5.12(b)(ii)(E) shall be determined without application of the Advance Rates.

(F)Valuation Dispute Resolution. Notwithstanding the foregoing, the Administrative Agent shall at any time have the right to request any Unquoted Investment be independently valued by an Approved Third-Party Appraiser selected by the Administrative Agent. There shall be no limit on the number of such appraisals requested by the Administrative Agent and the costs of any such valuation shall be at the expense of the Borrower. If the difference between the Borrower's valuation pursuant to Section 5.12(b)(ii)(B) and the valuation of any Approved Third-Party Appraiser selected by the Administrative Agent pursuant to Section 5.12(b)(ii)(E) or (F) is (1) less than 5% of the value thereof, then the Borrower's valuation shall be used, (2) between 5% and 20% of the value thereof, then the valuation of such Portfolio Investment shall be the average of the value determined by the Borrower and the value determined by the Approved Third-Party Appraiser retained by the Administrative Agent and (3) greater than 20% of the value thereof, then the Borrower and the Administrative Agent shall select an additional Approved Third-Party Appraiser and the valuation of such Portfolio Investment shall be the average of the three valuations (with the Administrative Agent's Approved Third-Party Appraiser's valuation to be used until the third valuation is obtained).

(c)RIC Diversification Requirements. The Borrower will, and will cause its Subsidiaries (other than Financing Subsidiaries that are exempt from the Investment Company Act) at all times to, subject to applicable grace periods set forth in the Code, comply with the portfolio diversification requirements set forth in the Code applicable to RICs, to the extent applicable.

“Value” means, with respect to any Portfolio Investment, the lower of:

(i) the most recent internal market value as determined pursuant to Section 5.12(b)(ii)(C) and

Collateral securing the “Secured Obligations” under and as defined in the Guarantee and Security Agreement and does not require the direct or indirect granting of any Lien securing any Indebtedness or other obligation by virtue of the granting of Liens on or pledge of property of any Obligor to secure the Loans or any Hedging Agreement.

SECTION 6.11. Modifications of Longer-Term Indebtedness Documents. The Borrower will not consent to any modification, supplement or waiver of:

(a) any of the provisions of any agreement, instrument or other document evidencing or relating to any Secured Longer-Term Indebtedness or Unsecured Longer-Term Indebtedness that would result in such Indebtedness not meeting the requirements of the definition of “Secured Longer-Term Indebtedness” and “Unsecured Longer-Term Indebtedness”, as applicable, set forth in Section 1.01 of this Agreement, unless (i) in the case of Secured Longer-Term Indebtedness, such Indebtedness would have been permitted to be incurred as Secured Shorter-Term Indebtedness at the time of such modification, supplement or waiver and the Borrower so designates such Indebtedness as “Secured Shorter-Term Indebtedness” (whereupon such Indebtedness shall be deemed to constitute “Secured Shorter-Term Indebtedness” for all purposes of this Agreement) and (ii) in the case of Unsecured Longer-Term Indebtedness, such Indebtedness would have been permitted to be incurred as Unsecured Shorter-Term Indebtedness at the time of such modification, supplement or waiver and the Borrower so designates such Indebtedness as “Unsecured Shorter-Term Indebtedness” (whereupon such Indebtedness shall be deemed to constitute “Unsecured Shorter-Term Indebtedness” for all purposes of this Agreement); or

(b) any of the Affiliate Agreements, unless such modification, supplement or waiver is not materially less favorable to the Borrower than could be obtained on an arm’s-length basis from unrelated third parties, in each case, without the prior consent of the Administrative Agent (with the approval of the Required Lenders).

(e) payments or prepayments of Secured Longer-Term Indebtedness, Unsecured Longer-Term Indebtedness or Special Unsecured Indebtedness solely from the proceeds of any issuance of Equity Interests, so long as both before and after giving effect to such payment (i) no Default shall exist or be continuing and (ii) the Covered Debt Amount does not exceed the Borrowing Base.

Notwithstanding anything herein to the contrary, in no event shall any Obligor be permitted to prepay or settle (whether as a result of a mandatory redemption, conversion or otherwise) any such Indebtedness if, immediately after giving effect thereto, the Covered Debt Amount would exceed the Borrowing Base.

(h)any event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or shall continue unremedied for any applicable period of time sufficient to enable or permit the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity (for the avoidance of doubt, other than as permitted under Section 6.12 and that is not a result of a breach, default or other violation or failure in respect of such Material Indebtedness by the Borrower or any of its Subsidiaries after giving effect to any applicable grace period); provided that this clause (h) shall not apply to (1) secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness; or (2) convertible debt that becomes due as a result of a conversion or redemption event, other than as a result of an “event of default” (as defined in the documents governing such convertible Material Indebtedness);

(i)an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of the Borrower or any of its Subsidiaries (other than Immaterial Subsidiaries) or its debts, or of a substantial part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower or any of its Subsidiaries (other than Immaterial Subsidiaries) or for a substantial part of its assets, and, in any such case, such proceeding or petition shall continue undismissed and unstayed for a period of 60 or more days or an order or decree approving or ordering any of the foregoing shall be entered;

(j)the Borrower or any of its Subsidiaries (other than Immaterial Subsidiaries) shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in clause (i) of this Article, (iii) apply for or consent to the appointment of a receiver, trustee, custodian,

sequestrator, conservator or similar official for the Borrower or any of its Subsidiaries (other than Immaterial Subsidiaries) or for a substantial part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) take any action for the purpose of effecting any of the foregoing;

(k) the Borrower or any of its Subsidiaries (other than Immaterial Subsidiaries) shall become unable, admit in writing its inability or fail generally to pay its debts as they become due;

(l) one or more judgments for the payment of money in an aggregate amount in excess of \$50,000,000 shall be rendered against the Borrower or any of its Subsidiaries (other than Immaterial Subsidiaries) or any combination thereof and the same shall remain undischarged for a period of 30 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any assets of the Borrower or any of its Subsidiaries (other than Immaterial Subsidiaries) to enforce any such judgment;

(m) an ERISA Event shall have occurred that, in the opinion of the Required Lenders, when taken together with all other ERISA Events that have occurred, would reasonably be expected to result in a Material Adverse Effect;

(n) a Change in Control shall occur;

(o) the Borrower shall cease to be managed by the External Manager or an Affiliate thereof;

(p) if, prior to the Final Maturity Date, fewer than four of Brian D'Arcy, ~~Joshua Easterly~~ Julian Salisbury, Mike Griffin, Michael Fishman, Bo Stanley, David Stiepleman and Alan Waxman, fail to devote substantially all of their business time and attention to the investment activities of the Borrower and the other investment vehicles managed by TSSP Management Holdings, L.P. and its Affiliates; provided that the External Manager is permitted at any time to replace any person designated as a "principal" with a senior professional selected by the External Manager so long as such replacement has either been approved by a majority of the Borrower's independent directors or by a majority of the Borrower's shareholders;

(q) the Liens created by the Security Documents shall, at any time with respect to Portfolio Investments having an aggregate Value in excess of 5% of the aggregate Value of all Portfolio Investments, not be valid and perfected (to the extent perfection by filing, registration, recordation, possession or control is required herein or therein) in favor of the Collateral Agent, free and clear of all other Liens (other than Liens permitted under Section 6.02 or under the respective Security Documents) except to the extent that any such loss of perfection results from the failure of the Collateral Agent to maintain possession of the certificates representing the securities pledged under the Loan Documents; provided that, with respect to any Liens created by the Security Documents that are perfected by the filing of a UCC financing statement, if such default is as a result of any action of the Administrative Agent or the Collateral Agent or a failure of the Administrative Agent or the Collateral Agent to take any action that it has agreed to take pursuant to this Agreement or the Guarantee and Security Agreement, then there shall be no

Default or Event of Default hereunder unless such default shall continue unremedied for a period of ten (10) consecutive Business Days after such Borrower receives written notice of such default thereof from the Administrative Agent unless the continuance thereof is a result of a failure of the Administrative Agent or the Collateral Agent to take an action that it has agreed to take pursuant to this Agreement or the Guarantee and Security Agreement;

(r)except for expiration in accordance with its terms, any of the Loan Documents shall for whatever reason be terminated or cease to be in full force and effect in any material respect, or the enforceability thereof shall be contested by the Borrower or any other Obligor;

(t)the Borrower or any of its Subsidiaries shall cause or permit the occurrence of any condition or event that would result in any recourse to any Obligor under any Permitted SBIC Guarantee;

then, and in every such event (other than an event with respect to the Borrower described in clause (i) or (j) of this Article), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately, and (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder and under the other Loan Documents, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; and in case of any event with respect to the Borrower described in clause (i) or (j) of this Article, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder and under the other Loan Documents, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

In the event that the Loans shall be declared, or shall become, due and payable pursuant to the immediately preceding paragraph then, upon notice from the Administrative Agent or Lenders with LC Exposure representing more than 50% of the total LC Exposure demanding the deposit of Cash Collateral pursuant to this paragraph, the Borrower shall immediately deposit into the Letter of Credit Collateral Account cash in an amount equal to the LC Exposure as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the  
136occurrence of any Event of Default with

respect to the Borrower described in clause (i) or (j) of this Article.

## ARTICLE VIII

### THE ADMINISTRATIVE AGENT

SECTION 8.01. Appointment of the Administrative Agent. Each of the Lenders and the Issuing Banks hereby irrevocably appoints the Administrative Agent as its agent hereunder

and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Each of the Lenders and the Issuing Banks hereby irrevocably appoints the Collateral Agent as its agent hereunder and under the other Loan Documents and authorizes the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The Collateral Agent shall be a third-party beneficiary of this Section 8.01 and shall have all of the rights, benefits and privileges of a third-party beneficiary, including an independent right of action to enforce such rights, benefits and privileges directly, without the consent or joinder of any other Person.

SECTION 8.02. Capacity as Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such Person and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder.

SECTION 8.03. Limitation of Duties; Exculpation. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise in writing by the Required Lenders, and (c) except as expressly set forth herein and in the other Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders or in the absence of its own fraud, gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants,

agreements or other terms or conditions set forth herein or therein, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein or therein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

SECTION 8.04. Reliance. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.05. Sub-Agents. The Administrative Agent may perform any and all of its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with fraud, gross negligence or willful misconduct in the selection of such sub-agents.

SECTION 8.06. Resignation; Successor Administrative Agent. The Administrative Agent may resign by providing not less than thirty (30) days advance written notice to the Lenders, the Issuing Banks and the Borrower. Upon any such notice of resignation, the Required Lenders shall have the right, with the consent of the Borrower not to be unreasonably withheld (or, if an Event of Default has occurred and is continuing in consultation with the Borrower), to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent's resignation shall nonetheless become effective at the end of such thirty (30) day period (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the Issuing Bank under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) (1) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and (2) the Required Lenders shall perform the duties of the Administrative Agent (and all payments and communications provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly) until such time as the Required Lenders appoint a successor agent as provided for above in this paragraph. Upon the acceptance of its appointment as Administrative Agent hereunder by 138a successor, such successor shall succeed to --

---

and become vested with all the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder (if not already discharged therefrom as provided above in this paragraph). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 9.03 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Administrative Agent.

Any resignation by Truist as Administrative Agent pursuant to this Section shall also constitute its resignation as an Issuing Bank and a Swingline Lender. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank and Swingline Lender, (b) the retiring Issuing Bank and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (c) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring Issuing Bank to effectively assume the obligations of the retiring Issuing Bank with respect to such Letters of Credit.

SECTION 8.07. Reliance by Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, any Joint Lead Arranger or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Joint Lead Arranger or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder. The Administrative Agent shall have no duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such appraisal on behalf of Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter, and the Administrative Agent shall have no responsibility with respect to the accuracy of or the completeness of any information provided to Lenders.

Each Lender, by delivering its signature page to this Agreement or any Assignment and Assumption and funding any Loan shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be approved by the Administrative Agent, Required Lenders or Lenders.

SECTION 8.08. Modifications to Loan Documents. Except as otherwise provided in Section 2.21 or Section 9.02(b) or (c) of this Agreement or the Security Documents with respect to this Agreement, the Administrative Agent may, with the prior consent of the Required Lenders (but not otherwise), consent to any modification, supplement or waiver under any of the Loan Documents, except that no such consent shall be required, and the Administrative Agent is hereby authorized (and so agrees with the Borrower), to direct the Collateral Agent under the Guarantee and Security Agreement, subject to any applicable requirements under Section 10.03 of the Guarantee and Security Agreement, (v) to release any Subsidiary Guarantor (and any  
139property of

such Subsidiary Guarantor) from its guarantee obligations to the extent it may be released in accordance with Section 10.03(f) of the Guarantee and Security Agreement, (w) to release any Lien covering property that is the subject of either a Disposition of property (including, without limitation, any property subject to a participation or repurchase transaction) permitted hereunder or a Disposition to which the Required Lenders have consented, (x) for the avoidance of doubt, execute and deliver agreements, instruments and other documents reasonably requested by the Borrower to implement collateral sharing with respect to Secured Longer-Term Indebtedness and Secured Shorter-Term Indebtedness, (y) following the (i) cancellation, expiration or termination of any commitment to extend credit or issue Letters of Credit under this Agreement or any other Loan Document, (ii) final payment in full of all principal of and interest on each Loan, any LC Disbursements, any fees and any other amounts then due and owing under this Agreement or any other Loan Document and (iii) termination of this Agreement, to release all Liens and guarantees by Obligors, and (z) to allocate the Liens created under the Security Documents to any Designated Indebtedness Obligations or Hedging Agreement Obligations (as such terms are defined in the Guarantee and Security agreement) in accordance with the Guarantee and Security Agreement; provided that, without the prior consent of each Lender, the Administrative Agent shall not (except as provided herein or in the Security Documents) release all or substantially all of the Collateral or otherwise terminate all or substantially all of the Liens under any Security Document providing for collateral security, agree to additional obligations being secured by all or substantially all of such collateral security (~~except~~excluding (x) any such increase pursuant to a Commitment Increase under Section 2.08(e) or (y) in connection with securing additional obligations equally and ratably with the Loans and other obligations hereunder in accordance with the Guarantee and Security Agreement), or alter the relative priorities of the obligations entitled to the benefits of the Liens created under the Security Documents with respect to all or substantially all of the Collateral.

#### SECTION 8.09. Erroneous Payments.

(a) If the Administrative Agent notifies a Lender, an Issuing Bank or any Person who has received funds on behalf of a Lender or an Issuing Bank (any such Lender, Issuing Bank or other recipient, a "Payment Recipient"), that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Issuing Bank or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated (or earmarked) by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender or Issuing Bank shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two (2) Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds 140 Effective Rate and a rate determined by the --

Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a), shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, Issuing Bank or any Person who has received funds on behalf of a Lender or Issuing Bank hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, Issuing Bank or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(i) (A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender or Issuing Bank shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 8.09(b).

(c) Each Lender or Issuing Bank hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender or Issuing Bank under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender or Issuing Bank under any Loan Document with respect to any payment of principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under immediately preceding clause (a).

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with immediately preceding clause (a), from any Lender or Issuing Bank that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an “Erroneous Payment Return Deficiency”), upon the Administrative Agent’s notice to such Lender or Issuing Bank at any time, (i) such Lender or Issuing Bank shall be deemed to have assigned its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the “Erroneous Payment Impacted Class”) in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the “Erroneous Payment Deficiency Assignment”) at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent

14] in such

instance), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to a Platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender or Issuing Bank shall deliver any notes evidencing such Loans to the Borrower or the Administrative Agent, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender or Issuing

Bank, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender or assigning Issuing Bank shall cease to be a Lender or Issuing Bank, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender or assigning Issuing Bank and (iv) the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. So long as any sale of Loans complies with the terms of Section 9.04(b), the Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender or Issuing Bank shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender or Issuing Bank (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender or Issuing Bank and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender or Issuing Bank under the Loan Documents with respect to each Erroneous Payment Return Deficiency (the “Erroneous Payment Subrogation Rights”).

(e)The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Credit Exposure or other obligations owed by the Borrower or any other Obligor; provided that this Section 8.09(e) shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the obligations of the Borrower or any other Obligor relative to the amount (and/or timing for payment) of the obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, immediately preceding clause shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Obligor for the purpose of making payment in respect of the Credit Exposure.

(f)To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received,

including without limitation ~~waiver of~~ any defense based on “discharge for value” or any similar doctrine.

(g) Each party’s obligations, agreements and waivers under this Section 8.09 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments and/or the repayment, satisfaction or discharge of all obligations (or any portion thereof) under any Loan Document.

Notices and other communications to the Lenders and the Issuing Banks hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or any Issuing Bank pursuant to Section 2.06 if such Lender or such Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(i) Notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause

(i) of notification that such notice or communication is available and identifying the website address therefor.

Each party hereto understands that the distribution of material through an electronic

medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution and agrees and assumes the risks associated with such electronic distribution, except to the extent caused by the fraud, willful misconduct or gross negligence of Administrative Agent, any Lender or their respective Related Parties, as determined by a final, non-appealable judgment of a court of competent jurisdiction. The Platform and any electronic communications media approved by the Administrative Agent as provided herein are provided “as is” and “as available”. None of the Administrative Agent or its Related Parties warrant the accuracy, adequacy, or completeness of ~~the~~ such media or the Platform and each expressly disclaims liability

for errors or omissions in the Platform and such media. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects is made by the Administrative Agent and any of its Related Parties in connection with the Platform or the electronic communications media approved by the Administrative Agent as provided for herein.

(c)Private Side Information Contacts. Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable law, including United States federal and state securities laws, to make reference to information that is not made available through the “Public Side Information” portion of the Platform and that may contain Non-Public Information with respect to the Borrower, its Subsidiaries or their Securities for purposes of United States federal or state securities laws. In the event that any Public Lender has determined for itself to not access any information disclosed through the Platform or otherwise, such Public Lender acknowledges that (i) other Lenders may have availed themselves of such information and (ii) neither Borrower nor Administrative Agent has any responsibility for such Public Lender’s decision to limit the scope of the information it has obtained in connection with this Agreement and the other Loan Documents.

(d)Documents to be Delivered under Sections 5.01 and 5.12(a). For so long as an Intralinks™ or equivalent website is available to each of the Lenders hereunder, the Borrower may satisfy its obligation to deliver documents to the Administrative Agent or the Lenders under Sections 5.01 and 5.12(a) by delivering one hard copy thereof to the Administrative Agent and either an electronic copy or a notice identifying the website where such information is located for posting by the Administrative Agent on Intralinks™ or such equivalent website; provided that the Administrative Agent shall have no responsibility to maintain access to Intralinks™ or an equivalent website.

#### SECTION 9.02. Waivers; Amendments.

(a)No Deemed Waivers Remedies Cumulative. No failure or delay by the Administrative Agent, any Issuing Bank, any Swingline Lender or any Lender in exercising any right or power hereunder shall operate as a waiver thereof nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks, the Swingline Lenders and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or 145consent to any departure

by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan, Swingline Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any Swingline Lender, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Amendments to this Agreement. Except as provided in Section 2.21, neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall:

(i) increase the Commitment of any Lender without the written consent of such Lender,

(ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender affected thereby,

(iii) postpone the scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any interest thereon, or any fees payable hereunder, or reduce the amount of waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender affected thereby,

(iv) change Section 2.10(e) or Section 2.17(b), (c) or (d) in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender affected thereby,

(v) change Section 9.19 without the written consent of each Lender (if any) that is subject to the GBSA, ~~or~~

(vi) contractually subordinate the payment priority of the Credit Agreement Obligations (as defined in the Guarantee and Security Agreement) or contractually subordinate the Liens granted to the Collateral Agent (for the benefit of the Secured Parties) in the Collateral, without the written consent of each affected Lender, in each case, except in connection with a transaction permitted by Sections 6.01 and 6.02 as in effect on the Fifth Amendment Effective Date; provided that any “debtor-in-possession” facility (or similar facility under applicable law) shall not be restricted by this clause (vi), or

~~(vii)(vi)~~ change any of the provisions of this Section or the definition of the term “Required Lenders”, the definition of the term “Required Revolving Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender affected thereby;

provided further that (x) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Issuing Banks or the Swingline Lenders hereunder

the prior written consent of the Administrative Agent, the Issuing Banks or the Swingline Lenders, as the case may be and (y) the consent of Lenders holding not less than two-thirds of the Credit Exposure and unused Commitments will be required (A) for any adverse change affecting the provisions of this Agreement relating to the determination of the Borrowing Base (excluding changes to the provisions of Section 5.12(b)(ii)(E) and (F), but including changes to the provisions

of Section 5.12(c)(ii) and the definitions set forth in Section 5.13), and (B) for any release of any material portion of the Collateral other than for fair value or as otherwise permitted hereunder or under the other Loan Documents.

Anything in this Agreement to the contrary notwithstanding, (x) no waiver or modification of any provision of this Agreement or any other Loan Document that could reasonably be expected to adversely affect the Lenders of any Class in a manner that does not affect all Classes equally shall be effective against the Lenders of such Class unless the Required Lenders of such Class shall have concurred with such waiver or modification, (y) the Required Revolving Lenders may waive any condition precedent to an extension of credit under the Revolving Commitments (other than as required by Section 4.02) (which, for the avoidance of doubt, shall not constitute a waiver of any ongoing or resulting Default or Event of Default) (but the consent of no Term Lender shall be required) and (z) any Incremental Term Lender may waive any condition precedent to an extension of credit under the applicable Incremental Term Commitments (which, for the avoidance of doubt, shall not constitute a waiver of any ongoing or resulting Default or Event of Default) (but the consent of no Revolving Lender or other Term Lender shall be required).

(c) Amendments to Security Documents. No Security Document nor any provision thereof may be waived, amended or modified, nor may the Liens thereof be spread to secure any additional obligations (including any increase in Loans hereunder, but excluding any such increase pursuant to a Commitment Increase under Section 2.08(e) to an amount not greater than permitted by Section 2.08(e)(i)(B)) except pursuant to an agreement or agreements in writing entered into by the Borrower, and by the Collateral Agent with the consent of the Required Lenders, except that no such consent shall be required, and the Administrative Agent is hereby authorized (and so agrees with the Borrower) to direct the Collateral Agent under the Guarantee and Security Agreement, (x) to release any Lien covering property (and to release any such guarantor) that is the subject of either a disposition of property permitted hereunder or a disposition to which the Required Lenders have consented, (y) to release any Lien and/or guarantee obligation in accordance with the Guarantee and Security Agreement and (z) to release (and to acknowledge the release of) all Liens and guarantees of Obligors upon the termination of this Agreement (including in connection with a complete refinancing); provided that, (i) without the written consent of each Lender, no such agreement shall release all or substantially all of the Obligors from their respective obligations under the Security Documents and (ii) without the written consent of each Lender, no such agreement shall release all or substantially all of the collateral security or otherwise terminate all or substantially all of the Liens under the Security Documents, alter the relative priorities of the obligations entitled to the Liens created under the Security Documents (except in connection with securing additional obligations equally and ratably with the Loans and other obligations hereunder) with respect to all or substantially all of the collateral security provided thereby, or release all or substantially all of the guarantors under the Guarantee and Security Agreement from their guarantee obligations thereunder.

(d)Replacement of Non-Consenting Lender. If, in connection with any proposed change, waiver, discharge or termination to any of the provisions of this Agreement as contemplated by this Section 9.02, the consent of the Required Lenders shall have been obtained but the consent of one or more Lenders (each a “Non-Consenting Lender”) whose consent is required for such proposed change, waiver, discharge or termination is not obtained, then (so long

as no Event of Default has occurred and is continuing) the Borrower shall have the right, at its sole cost and expense, to replace each such Non-Consenting Lender or Lenders with one or more replacement Lenders pursuant to Section 2.18(b), so long as at the time of such replacement, each such replacement Lender consents to the proposed change, waiver, discharge or termination.

(e)If the Administrative Agent and the Borrower, acting together, identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement or any other Loan Document, then the Administrative Agent and the Borrower shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment, modification or supplement shall become effective without any further action or consent of any other party to this Agreement.

#### SECTION 9.03. Expenses; Indemnity; Damage Waiver.

(a)Costs and Expenses. The Borrower shall pay (i) all reasonable and documented out-of-pocket costs and expenses incurred by the Administrative Agent, the Collateral Agent and their Affiliates, including the reasonable and documented fees, charges and disbursements of counsel for the Administrative Agent and the Collateral Agent, in connection with the syndication of the credit facilities provided for herein, the preparation and administration of this Agreement and the other Loan Documents and any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out-of-pocket expenses incurred by any Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit by such Issuing Bank or any demand for payment thereunder, (iii) all documented out-of-pocket expenses incurred by the Administrative Agent, any Issuing Bank, any Swingline Lender or any Lender, including the reasonable and documented fees, charges and disbursements of one outside counsel for the Administrative Agent, each Issuing Bank and each Swingline Lender as well as one outside counsel for the Lenders and additional counsel should any conflict of interest arise, in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents, including its rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect thereof and

(iv) and all documented costs, expenses, taxes, assessments and other charges incurred in connection with any filing, registration, recording or perfection of any security interest contemplated by any Security Document or any other document referred to therein.

(b)Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent, each Joint Lead Arranger, each Issuing Bank, each Swingline Lender and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever (including the reasonable and documented out-of-pocket fees and

disbursements of one outside counsel for all Indemnitees (and, if reasonably necessary, of one local counsel in any relevant jurisdiction for all Indemnitees) unless, in the reasonable opinion of an Indemnitee, representation of all Indemnitees by such counsel would be inappropriate due to the existence of an actual or potential conflict of interest) in connection with any investigative, administrative or judicial proceeding or hearing commenced or threatened by any Person, whether

or not any such Indemnitee shall be designated as a party or a potential party thereto, and any fees or expenses incurred by Indemnitees in enforcing this indemnity), whether based on any federal, state or foreign laws, statutes, rules or regulations (including securities and commercial laws, statutes, rules or regulations and laws, statutes, rules or regulations relating to environmental, occupational safety and health or land use matters), on common law or equitable cause or on contract or otherwise and related expenses or disbursements of any kind (other than Taxes or Other Taxes which shall only be indemnified by the Borrower to the extent provided in Section 2.16), including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of; in connection with, or as a result of (i) the execution or delivery of this Agreement or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations hereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Loan, Swingline Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by an Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit) or (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and whether brought by the Borrower or a third party and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (A) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the fraud, willful misconduct or gross negligence of such Indemnitee or its Related Parties, (B) result from the settlement of any such claim, investigation, litigation or other proceedings described in clause (iii) above unless the Borrower has consented to such settlement (which consent shall not be unreasonably withheld, delayed or conditioned (provided that nothing in this clause (B) shall restrict the right of any person to settle any claim for which it has waived its right of indemnity by the Borrower)) or (C) result from disputes solely among Indemnitees and not involving any act or omission of an Obligor or any of its Affiliates (other than any dispute against the Administrative Agent in its capacity as such). Notwithstanding the foregoing, it is understood and agreed that indemnification for Taxes is subject to the provisions of Section 2.16.

The Borrower shall not be liable to any Indemnitee for any special, indirect, consequential or punitive damages arising out of, in connection with, or as a result of the Transactions asserted by an Indemnitee against the Borrower or any other Obligor; provided that the foregoing limitation shall not be deemed to impair or affect the obligations of the Borrower under the preceding provisions of this subsection.

(c)Reimbursement by Lenders. To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent, any Issuing Bank or any Swingline Lender under paragraph (a) or (b) of this Section, (i) each Lender severally agrees to pay to the Administrative Agent such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount and

each Revolving Lender severally agrees to pay to the applicable Issuing Bank or the applicable Swingline Lender, as the case may be, such Revolving Lender's Applicable Revolving Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted

against the Administrative Agent, the applicable Issuing Bank or the applicable Swingline Lender in its capacity as such.

(d)Waiver of Consequential Damages, Etc. To the extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of; this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby, except to the extent caused by the fraud, willful misconduct or gross negligence of such Indemnitee, as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(e)Payments. All amounts due under this Section shall be payable promptly after written demand therefor.

#### SECTION 9.04. Successors and Assigns.

(a)Assignments Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of an Issuing Bank that issues any Letter of Credit) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

#### (b) Assignments by Lenders.

(i) Assignments Generally. Subject to the conditions set forth in clause (ii) below, any Lender may assign to one or more assignees (other than natural persons (or a holding company, investments vehicle, investment vehicle or trust for, or owned and operated by or for the primary benefit of a natural Person) or any Defaulting Lender) all or a portion of its rights and obligations under this Agreement (including all or a portion of

its Commitments and the Loans and LC Exposure at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Borrower; provided that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, or, if any Event

of Default has occurred and is continuing, any other assignee; provided, further, that the Borrower shall be deemed to have consented to any such assignment unless it shall have objected thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof; and

(B) the Administrative Agent and, in the case of any assignment of Revolving Commitments, each Swingline Lender and each Issuing Bank: provided that no consent of the Administrative Agent, the Swingline Lenders or the Issuing Banks shall be required for an assignment by a Lender to an Affiliate of such Lender.

(ii) Certain Conditions to Assignments. Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans and LC Exposure of a Class, the amount of the Commitment or Loans and LC Exposure of such Class of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than U.S. \$5,000,000 unless each of the Borrower and the Administrative Agent otherwise consent; provided that no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment of any Class of Commitments or Loans and LC Exposure shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement in respect of such Class of Commitments, Loans and LC Exposure;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption in substantially the form of Exhibit A hereto, together with a processing and recordation fee of U.S. \$3,500 (which fee shall not be payable in connection with an assignment to a Lender or to an Affiliate of a Lender), for which the Borrower and the Subsidiary Guarantors shall not be obligated;

(D) the assignee, if it shall not already be a Lender of the applicable Class, shall deliver to the Administrative Agent an Administrative Questionnaire; and

(E) the assignee shall deliver to the Borrower and the Administrative Agent those documents specified in Section 2.16(f).

(iii) Effectiveness of Assignments. Subject to acceptance and recording thereof pursuant to paragraph (c) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall,

to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.14, 2.15, 2.16 and 9.03 with respect to facts and circumstances occurring prior to the effective date of such assignment). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (e) of this Section. Notwithstanding anything to the contrary herein, in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions set forth in Section 9.04(b)(ii) or otherwise, the parties to the assignment shall make such additional payments to Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of Borrower and Administrative Agent, the Applicable Percentage of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to Administrative Agent, each Issuing Bank, each Swingline Lender and each Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full Applicable Percentage of all Loans and participations in Letters of Credit and Swingline Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(c) Maintenance of Registers by Administrative Agent. The Administrative Agent, acting for this purpose as ~~an~~ a non-fiduciary agent of the Borrower, shall maintain at one of its offices in New York City a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Registers" and each individually, a "Register"). The entries in the Registers shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Issuing Banks and the Lenders may treat each Person whose name is recorded in the Registers pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Registers shall be available for inspection by the Borrower, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Acceptance of Assignments by Administrative Agent. Upon its receipt of a

completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(e) Special Purposes Vehicles. Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle (an "SPC") owned or administered by such Granting Lender, identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make; provided that (i) nothing herein shall constitute a commitment to make any Loan by any SPC, (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall, subject to the terms of this Agreement, make such Loan pursuant to the terms hereof, (iii) the rights of any such SPC shall be derivative of the rights of the Granting Lender, and such SPC shall be subject to all of the restrictions upon the Granting Lender herein contained, and (iv) no SPC shall be entitled to the benefits of Sections 2.14 (or any other increased costs protection provision), 2.15 or 2.16. Each SPC shall be conclusively presumed to have made arrangements with its Granting Lender for the exercise of voting and other rights hereunder in a manner which is acceptable to the SPC, the Administrative Agent, the Lenders and the Borrower, and each of the Administrative Agent, the Lenders and the Obligors shall be entitled to rely upon and deal solely with the Granting Lender with respect to Loans made by or through its SPC. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by the Granting Lender.

Each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding senior indebtedness of any SPC, it will not institute against, or join any other person in instituting against, such SPC, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings or similar proceedings under the laws of the United States or any State thereof, in respect of claims arising out of this Agreement; provided that the Granting Lender for each SPC hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage and expense arising out of their inability to institute any such proceeding against its SPC. In addition, notwithstanding anything to the contrary contained in this Section, any SPC may (i) without the prior written consent of the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to its Granting Lender or to any financial institutions providing liquidity and/or credit facilities to or for the account of such SPC to fund the Loans made by such SPC or to support the securities (if any) issued by such SPC to fund such Loans (but nothing contained herein shall be construed in derogation of the obligation of the Granting Lender to make Loans hereunder); provided that neither the consent of the SPC or of any such assignee shall be required for amendments or waivers hereunder except for those amendments or waivers for which the consent of participants is required under paragraph (f) below, and (ii) disclose on a confidential basis (in the same manner described in Section 9.13(b)) any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of a surety, guarantee or credit or liquidity enhancement to

such SPC.

(f) Participations. Any Lender may, with the consent of the Borrower (such consent not to be unreasonably withheld or delayed), sell participations to one or more banks or other entities (other than natural persons (or a holding company, investments vehicle, investment vehicle or trust for, or owned and operated by or for the primary benefit of a natural Person)) (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement and the other Loan Documents (including all or a portion of its Commitments and the Loans and LC Disbursements owing to it); provided that (i) the consent of the Borrower shall not be required (x) if such Participant does not have the right to receive any non-public information that may be provided pursuant to this Agreement (and the Lender selling such participation agrees with the Borrower at the time of the sale of such participation that it will not deliver such non-public information to the Participant) or (y) for a participation to a Lender or an Affiliate of a Lender or so long as an Event of Default has occurred and is continuing, (ii) such Lender’s obligations under this Agreement and the other Loan Documents shall remain unchanged, (iii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations,

(iv) the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and the other Loan Documents, and (v) the Borrower shall be deemed to have consented to any such participation unless it shall have objected thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that affects such Participant. Subject to paragraph (g) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.14, 2.15 and 2.16 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant shall not be entitled to receive any greater payment under Sections 2.14, 2.15 or 2.16, with respect to any participation, than its participating Lenders would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation; provided, further, that no Participant shall be entitled to the benefits of Section 2.16 unless the Borrower is notified of the participation granted to such Participant and such Participant shall have complied with the requirements of Section 2.16 as if such Participant is a Lender. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender; provided such Participant agrees to be subject to Section 2.17(d) as though it were a Lender hereunder. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each Participant’s interest in the loans or other obligations under the Loan Documents (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any other information relating to a Participant’s interest in any commitments, loans, letters of credit or is other obligations under any Loan Document) to any person except to the extent that

154 such disclosures are necessary to establish that such

commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement

notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(g)Limitations on Rights of Participants. A Participant shall not be entitled to receive any greater payment under Section 2.14, 2.15 or 2.16 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.16 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with paragraphs (e) and (f) of Section 2.16 as though it were a Lender and in the case of a Participant claiming exemption for portfolio interest under Section 871(h) or 881(c) of the Code, the applicable Lender shall provide the Borrower with satisfactory evidence that the participation is in registered form and shall permit the Borrower to review such register as reasonably needed for the Borrower to comply with its obligations under applicable laws and regulations.

(h)Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any such pledge or assignment to a Federal Reserve Bank or any other central bank having jurisdiction over such Lender, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto.

(i)No Assignments to the Borrower or Affiliates. Anything in this Section to the contrary notwithstanding, no Lender may assign or participate any interest in any Loan or LC Exposure held by it hereunder to the Borrower or any of its Affiliates or Subsidiaries without the prior consent of each Lender.

SECTION 9.05. Survival. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.14, 2.15, 2.16 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration

or termination, Cash Collateralization or backstop of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

SECTION 9.06. Counterparts; Integration; Effectiveness; Electronic Execution.

(a)Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract between and among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page to this Agreement by telecopy electronically (e.g. pdf) shall be effective as delivery of a manually executed counterpart of this Agreement.

(b)Electronic Execution of Assignments. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 9.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08. Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time (with the prior consent of the Administrative Agent or the Required Lenders), to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to Administrative Agent for further application in accordance with the provisions of Sections 2.17(d) and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of Administrative Agent, the Issuing Banks, and the Lenders, and (y) the Defaulting Lender shall provide promptly to Administrative Agent a statement

describing in reasonable detail the amounts owing to such Defaulting Lender hereunder as to which it exercised such right of setoff. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff

and application; provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 9.09. Governing Law; Jurisdiction; Etc.

(a)Governing Law. This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b)Submission to Jurisdiction. The Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York sitting in New York County, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement and any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement against the Borrower or its properties in the courts of any jurisdiction.

(c)Waiver of Venue. The Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d)Service of Process. Each party to this Agreement (i) irrevocably consents to service of process in the manner provided for notices in Section 9.01 and (ii) agrees that service as provided in the manner provided for notices in Section 9.01 is sufficient to confer personal jurisdiction over such party in any proceeding in any court and otherwise constitutes effective and binding service in every respect. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY

157HERETO (A)

CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES

HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS. THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11. Judgment Currency. This is an international loan transaction in which the specification of Dollars or any Foreign Currency, as the case may be (the "Specified Currency"), and payment in New York City or the country of the Specified Currency, as the case may be (the "Specified Place"), is of the essence, and the Specified Currency shall be the currency of account in all events relating to Loans denominated in the Specified Currency. The payment obligations of the Borrower under this Agreement shall not be discharged or satisfied by an amount paid in another currency or in another place, whether pursuant to a judgment or otherwise, to the extent that the amount so paid on conversion to the Specified Currency and transfer to the Specified Place under normal banking procedures does not yield the amount of the Specified Currency at the Specified Place due hereunder. If for the purpose of obtaining judgment in any court it is necessary to convert a sum due hereunder in the Specified Currency into another currency (the "Second Currency"), the rate of exchange that shall be applied shall be the rate at which in accordance with normal banking procedures the Administrative Agent could purchase the Specified Currency with the Second Currency on the Business Day next preceding the day on which such judgment is rendered. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or any Lender hereunder or under any other Loan Document (in this Section called an "Entitled Person") shall, notwithstanding the rate of exchange actually applied in rendering such judgment be discharged only to the extent that on the Business Day following receipt by such Entitled Person of any sum adjudged to be due hereunder in the Second Currency such Entitled Person may in accordance with normal banking procedures purchase and transfer to the Specified Place the Specified Currency with the amount of the Second Currency so adjudged to be due; and the Borrower hereby, as a separate obligation and notwithstanding any such judgment, agrees to indemnify such Entitled Person against, and to pay such Entitled Person on demand, in the Specified Currency. the amount (if any) by which the sum originally due to such Entitled Person in the Specified Currency hereunder exceeds the amount of the Specified Currency so purchased and transferred.

SECTION 9.12. Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.13. Treatment of Certain Information; No Fiduciary Duty; Confidentiality.

(a) Treatment of Certain Information; No Fiduciary Duty; No Conflicts. The Borrower acknowledges that from time to time financial advisory, investment banking and other services may be offered or provided to the Borrower or one or more of its Subsidiaries (in connection with this Agreement or otherwise) by any Lender or by one or more subsidiaries or affiliates of such Lender and the Borrower hereby authorizes each Lender to share any information delivered to such Lender by the Borrower and its Subsidiaries pursuant to this Agreement, or in

connection with the decision of such Lender to enter into this Agreement, to any such subsidiary or affiliate, it being understood that any such subsidiary or affiliate receiving such information shall be bound by the provisions of paragraph (b) of this Section as if it were a Lender hereunder. Such authorization shall survive the repayment of the Loans, the expiration or termination of the

Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof. Each Lender shall use all information delivered to such Lender by the Borrower and its Subsidiaries pursuant to this Agreement, or in connection with the decision of such Lender to enter into this Agreement, in connection with providing services to the Borrower. The Administrative Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the "Lenders"), may have economic interests that conflict with those of the Borrower or any of its Subsidiaries, their stockholders and/or their affiliates. The Borrower, on behalf of itself and each of its Subsidiaries, agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and the Borrower or any of its Subsidiaries, its stockholders or its affiliates, on the other. The Borrower and each of its Subsidiaries each acknowledge and agree that

(i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Borrower and its Subsidiaries, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of the Borrower or any of its Subsidiaries, any of their stockholders or affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise the Borrower or any of its Subsidiaries, their stockholders or their affiliates on other matters) or any other obligation to the Borrower or any of its Subsidiaries except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of the Borrower or any of its Subsidiaries, their management, stockholders, creditors or any other Person. The Borrower and each of its Subsidiaries each acknowledge and agree that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower and each of its Subsidiaries each agree that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower or any of its Subsidiaries, in connection with such transaction or the process leading thereto.

(b)Confidentiality. Each of the Administrative Agent, the Lenders, the Swingline Lenders and the Issuing Banks agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and other representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority), (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (iv) to any other party hereto, (v) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (vi) subject to an agreement containing provisions substantially the same as those of this Section, to (x) any assignee of or Participant in, 159 or any prospective assignee of or Participant

in, any of its rights or obligations under this Agreement or (y) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (vii) with the consent of the Borrower, (viii) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or

(y) becomes available to the Administrative Agent, any Lender, any Issuing Bank or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower or (ix) on a confidential basis to (x) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided hereunder or (y) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the credit facilities provided hereunder. In addition, subject to an agreement containing provisions substantially the same as those of this Section 9.13(b), the Administrative Agent and each Lender may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent or any Lender in connection with the administration or servicing of this Agreement, the other Loan Documents and the Commitments.

For purposes of this Section, “Information” means all information received from the Borrower or any of its Subsidiaries relating to the Borrower or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent any Lender or any Issuing Bank on a nonconfidential basis prior to disclosure by the Borrower or any of its Subsidiaries; provided that, in the case of Information received from the Borrower or any of its Subsidiaries after the date hereof, such Information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 9.14. USA PATRIOT Act. Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), it is required to obtain, verify and record information that identifies the Borrower, each other Obligor and each designee of a Letter of Credit, which information includes the name and address of the Borrower, each other Obligor and each designee of a Letter of Credit and other information that will allow such Lender to identify Borrower, each other Obligor and each designee of a Letter of Credit in accordance with said Act.

SECTION 9.15. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Solely to the extent any Lender that is an Affected Financial Institution is a party to this Agreement and notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any

Lender that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 9.16. Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, each Joint Lead Arranger, and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Obligor, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable and the conditions are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of

PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) clause (i) in the immediately preceding paragraph (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with clause (iv) in the immediately preceding paragraph (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, each Joint Lead Arranger, and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Obligor, that none of the Administrative Agent, the Joint Lead Arrangers, or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

SECTION 9.17. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support", and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the

162 Supported QFC and the Loan

Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.17, the following terms have the following meanings:

(i) “BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

(ii) “Covered Entity” means any of the following:

(A) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

(B) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or

(C) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

(iii) “Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

(iv) “QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

SECTION 9.18. Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the “Maximum Rate”). If Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the obligations hereunder.

SECTION 9.19. German Bank Separation Act. Solely for so long as Deutsche Bank AG New York Branch, or any Affiliate thereof, is a Lender, if any such Lender is subject to the GBSA (any such Lender, a “GBSA Lender”) and such GBSA Lender shall have determined in good faith (based on reasonable advice and a written opinion of counsel), which determination shall be made in consultation with the Borrower subject to the terms hereof that, due to the implementation of the German Act on the Ring-fencing of Risks and for the Recovery and Resolution Planning for Credit Institutions and Financial Groups (Gesetz zur

von Risiken und zur Planung der Sanierung und Abwicklung von Kreditinstituten und Finanzgruppen) of 7 August 2013 (commonly referred to as the German Bank Separation Act (Trennbankengesetz) (the “GBSA”)), whether before or after the date hereof, or any corresponding European legislation (such as the proposed regulation on structural measures improving the resilience of European Union credit institutions) that may amend or replace the GBSA in the future or any regulation thereunder, or due to the promulgation of, or any change in the interpretation by, any court, tribunal or regulatory authority with competent jurisdiction of the GBSA or any corresponding future European legislation that may amend or replace the GBSA in the future or any regulation thereunder, the arrangements contemplated by this Agreement or the Loans have, or will, become illegal, prohibited or otherwise unlawful, then, and in any such event, such GBSA Lender shall give written notice to the Borrower and the Administrative Agent of such determination (which written notice shall include a reasonably detailed explanation of such illegality, prohibition or unlawfulness, including, without limitation, all evidence and calculations used in the determination thereof, a “GBSA Initial Notice”), whereupon until the tenth Business Day after the date of such GBSA Initial Notice, such GBSA Lender shall use best efforts to transfer to the extent permitted under applicable law such arrangements, Commitments and/or Loans to an Affiliate or other third party in accordance with Section 9.04. If no such transfer is effected in accordance with the preceding sentence, such GBSA Lender shall give written notice thereof to the Borrower and the Administrative Agent (a “GBSA Final Notice”), whereupon (i) all of the obligations (including outstanding principal of its Loans and participations in LC Disbursements and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, collectively, the “GBSA Obligations”) owed to such GBSA Lender hereunder and under the Loans shall become due and payable, and the Borrower shall repay the GBSA Obligations, on the tenth Business Day immediately after the date of such GBSA Final Notice (such date being the “Initial GBSA Termination Date”) and, for the avoidance of doubt, such repayment shall not be subject to the terms and conditions of Section 2.08, 2.10, 2.15, 2.17(c) or 2.17(d) to the extent that there are no outstanding amounts due and payable to the other Lenders at such date and (ii) the Commitments of such GBSA Lender shall terminate on the Initial GBSA Termination Date; provided that, notwithstanding the foregoing, prior to such Initial GBSA Termination Date and in the event the Borrower in good faith reasonably believes there is a mistake, error or omission in the grounds used to determine such illegality, prohibition or unlawfulness under the GBSA or any corresponding future European legislation that may amend or replace the GBSA in the future or any regulation thereunder, then the Borrower may provide written notice (which written notice shall include a reasonably detailed explanation of the basis of such good faith belief, including, without limitation, all evidence and calculations used in the determination thereof, a “GBSA Consultation Notice”) to that effect, at which point the GBSA Obligations owed to such GBSA Lender hereunder and under the Loans shall not become due and payable, and the Commitments of such GBSA Lender shall not terminate, until the Business Day immediately following the tenth Business Day immediately after the Initial GBSA Termination Date (and the period from, and including, the date of the GBSA Consultation Notice until the tenth Business Day immediately thereafter being the “GBSA Consultation Period”). In the event the Borrower and such GBSA Lender cannot in good faith reasonably agree during the GBSA Consultation Period whether the arrangements contemplated by this Agreement or the Loans have, or will, become illegal, prohibited or otherwise unlawful under the GBSA or any corresponding future European legislation that may amend or replace the GBSA in the future or any regulation thereunder, then all of the GBSA Obligations owed to such GBSA Lender

hereunder and under the Loans shall become due and payable, and the Commitments of such GBSA Lender shall terminate, on the Business Day immediately following the last day of such GBSA Consultation Period. For the avoidance of doubt, so long as a GBSA Consultation Period has occurred and is continuing, (i) the Commitments and Revolving Credit Exposure of any GBSA Lender shall be subject to Section 2.18, and the Borrower shall have all rights to replace such GBSA Lender in accordance with Section 2.18(b), (ii) no GBSA Lender shall be required to fund its pro rata share of any Borrowing or acquire participations in any Swingline Loans under Section 2.04(c) or Letters of Credit under Section 2.05(e), (iii) each GBSA Lender shall be deemed to have an Applicable Percentage, Applicable Dollar Percentage and Applicable Multicurrency Percentage of zero for purposes of Sections 2.02(a), 2.04(c), 2.05(e) and 2.05(f) and (iv) no GBSA Lender shall be entitled to receive any fee pursuant to Sections 2.11(a) or (b) for any day during the continuance of such GBSA Consultation Period. Notwithstanding anything to the contrary contained herein, no part of the proceeds of any extension of credit hereunder will be used to pay any GBSA Lender or otherwise satisfy any obligation under this Section. To the extent any Swingline Exposure or LC Exposure exists at the time a GBSA Lender's Loans are repaid in full and such GBSA Lender's Commitment is cancelled pursuant to this Section 9.19, such Swingline Exposure or LC Exposure shall be reallocated as set forth in Section 2.19(a)(iii) or prepaid or Cash Collateralized, as applicable, as set forth in Section 2.19(a)(iv), treating for this purpose such GBSA Lender as a Defaulting Lender. Additionally, notwithstanding anything to the contrary herein, during the GBSA Consultation Period, the Revolving Credit Exposure and unused Commitments of any GBSA Lender shall be disregarded in the determination of Required Lenders or Required Lenders of a Class.
