Item 1.01 - Entry into a Material Definitive Agreement

Indenture and Supplemental Indenture

On January 13, 2025, Sixth Street Lending Partners (the “Company”) and U.S. Bank Trust Company, National Association (the “Trustee”), entered into a Fourth Supplemental Indenture (the “Fourth Supplemental Indenture”) to the Indenture, dated as of March 11, 2024, between the Company and the Trustee (the “Base Indenture”); and together with the Fourth Supplemental Indenture, the “Indenture”), relating to the Company’s issuance, offer and sale of \$750,000,000 aggregate principal amount of its 6.125% notes due 2030 (the “Notes”). The Notes were offered to persons reasonably believed to be qualified institutional buyers in accordance with Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to non-U.S. persons in transactions outside the United States in reliance on Regulation S under the Securities Act. The Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from such registration requirements. The transaction closed on January 13, 2025.

The Notes will mature on July 15, 2030, and may be redeemed in whole or in part at the Company’s option at any time at the redemption prices set forth in the Fourth Supplemental Indenture. The Notes bear interest at a rate of 6.125% per year payable semiannually on January 15 and July 15 of each year, commencing on July 15, 2025. The Notes are direct unsecured obligations of the Company.

The Company expects to use the net proceeds of this offering to pay down a portion of the outstanding indebtedness on its revolving credit facility and/or its subscription facility. The Indenture contains certain covenants including covenants requiring the Company to comply with Section 18(a)(1)(A) as modified by Section 61(a) of the Investment Company Act of 1940, as amended, or any successor provisions, but giving effect, in either case, to any exemptive relief granted to the Company by the Securities and Exchange Commission (the “SEC”), and to provide financial information to the holders of the Notes and the Trustee if the Company should no longer be subject to the reporting requirements under the Securities Exchange Act of 1934, as amended. These covenants are subject to important limitations and exceptions that are described in the Indenture.

In addition, upon the occurrence of a change of control repurchase event (which involves the occurrence of both a change of control and a below investment grade rating of the Notes by each of Fitch Ratings, Inc., Moody’s Investor Service and S&P Global Ratings), the Company will be required to make an offer to purchase the Notes at a price equal to 100% of the principal amount plus accrued and unpaid interest to the date of purchase.

The foregoing descriptions of the Base Indenture, Fourth Supplemental Indenture and the Notes do not purport to be complete and are qualified in their entirety by reference to the full text of the Base Indenture, Fourth Supplemental Indenture and the Notes, respectively, each filed as an exhibit hereto and incorporated by reference herein.

Registration Rights Agreement

In connection with the offering of the Notes, the Company entered into a Registration Rights Agreement, dated as of January 13, 2025 (the “Registration Rights Agreement”), with BofA Securities, Inc., as representative of the several initial purchasers of the Notes. Pursuant to the Registration Rights Agreement, the Company is obligated to file with the SEC a registration statement relating to an offer to exchange the Notes for new notes issued by the Company that are registered under the Securities Act and otherwise have terms substantially identical to those of the Notes, and to use its commercially reasonable efforts to cause such registration statement to be declared effective by the SEC under the Securities Act. The Company has

agreed to use its commercially reasonable efforts to consummate such exchange offer on the earliest practicable date after such registration statement has been declared effective but in no event later than 365 days after the initial issuance of the Notes. If the Company is not able to effect the exchange offer, the Company will be obligated to file a shelf registration statement covering the resale of the Notes and use its commercially reasonable efforts to cause such registration statement to be declared effective. If the Company fails to satisfy its registration obligations by certain dates specified in the Registration Rights Agreement, it will be required to pay additional interest to the holders of the Notes.

The foregoing description of the Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Registration Rights Agreement, filed as an exhibit hereto and incorporated by reference herein.

SIXTH STREET LENDING PARTNERS

and

**U.S. BANK TRUST COMPANY, NATIONAL ASSOCIATION,
as Trustee****DATED AS OF JANUARY 13, 2025**

FOURTH SUPPLEMENTAL INDENTURE

THIS FOURTH SUPPLEMENTAL INDENTURE (this “Fourth Supplemental Indenture”), dated as of January 13, 2025 (the “Issue Date”), is between Sixth Street Lending Partners, a Delaware statutory trust (the “Company”), and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). All capitalized terms used herein shall have the meaning set forth in the Base Indenture (as defined below) unless otherwise defined herein.

RECITALS OF THE COMPANY

The Company and the Trustee executed and delivered an Indenture, dated as of March 11, 2024 (the “Base Indenture” and, as supplemented by this Fourth Supplemental Indenture, collectively, the “Indenture”), to provide for the issuance by the Company from time to time of the Company’s unsecured debentures, notes or other evidences of indebtedness (the “Securities”), to be issued in one or more series as provided in the Base Indenture.

The Company has duly authorized the creation, issue and sale of (a) \$750,000,000 aggregate principal amount of the Company’s 6.125% Notes due 2030 (the “Initial Notes”) and (b) if and when issued as provided in the Registration Rights Agreement in a Registered Exchange Offer in exchange for any Initial Notes or otherwise registered under the Securities Act and issued in the form of Exhibit A, the Company’s 6.125% Notes due 2030 (the “Exchange Notes” and, together with the Initial Notes and any Additional Notes (as defined below), the “Notes”). The Initial Notes, the Exchange Notes and any Additional Notes shall be treated as a single class for all purposes under this Indenture, including waivers, amendments, redemptions and offers to purchase. The Notes will be distributed initially only to (i) persons reasonably believed to be QIBs in reliance on Rule 144A and (ii) Non-U.S. Persons in reliance on Regulation S, in each case as such terms are defined herein.

Sections 9.01(v) and 9.01(vii) of the Base Indenture provide that without the consent of Holders of the Securities of any series issued under the Base Indenture (as supplemented or amended from time to time by one or more indentures supplemental thereto), the Company, when authorized by or pursuant to a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental to the Base Indenture to (i) change or eliminate any of the provisions of the Base Indenture (as supplemented or amended from time to time by one or more indentures supplemental thereto) when there is no Security Outstanding of any series created prior to the execution of the supplemental indenture that is entitled to the benefit of such provision and (ii) establish the form or terms of Securities of any series as permitted by Section 2.01 and Section 3.01 of the Base Indenture.

The Company desires to establish the form and terms of the Notes and to modify, alter, supplement and change certain provisions of the Base Indenture for the benefit of the Holders of the Notes (subject to amendment as may be provided in a future supplemental indenture to the Indenture (“Future Supplemental Indenture”). The Company has duly authorized the execution and delivery of this Fourth Supplemental Indenture to provide for the issuance of the Notes and all acts and things necessary to make this Fourth Supplemental Indenture a valid, binding, and legal obligation of the Company and to constitute a valid agreement of the Company, in accordance with its terms, have been done and performed.

NOW, THEREFORE, for and in consideration of the premises and the purchase of the Notes by the Holders thereof, it is mutually agreed, for the equal and proportionate benefit of all Holders of the Notes, as follows:

ARTICLE I TERMS OF THE NOTES

Section 1.01. The following terms relating to the Notes are hereby established:

(a) The Notes shall constitute a series of Securities having the title “6.125% Notes due 2030” and shall be designated as Senior Securities under the Indenture. The Notes offered and sold to QIBs in reliance on Rule 144A shall bear a CUSIP number of 829932AE2 and an ISIN number of US829932AE25. The Notes offered and sold in reliance on Regulation S shall bear a CUSIP number of U82912AD5 and an ISIN number of USU82912AD52.

(b) The aggregate principal amount of the Initial Notes that may be initially authenticated and delivered under the Indenture (except for Initial Notes authenticated and delivered upon registration of, transfer of, or in exchange for, or in lieu of, other Notes pursuant to Sections 3.04, 3.05, 3.06, 9.06, 11.07 or 13.05 of the Base Indenture) shall be \$750,000,000. In addition, Exchange Notes may be authenticated and delivered under this Indenture for issue in a Registered Exchange Offer pursuant to the Registration Rights Agreement in a like principal amount of the Initial Notes or Additional Notes exchanged pursuant thereto or otherwise pursuant to an effective registration statement under the Securities Act. Under a Board Resolution, Officers’ Certificate pursuant to Board Resolutions or an indenture supplement, the Company may from time to time, without the consent of the Holders of Notes, issue additional Notes (in any such case, other than any Exchange Notes, “Additional Notes”) having the same ranking and the same interest rate, maturity, CUSIP number and other terms as the Notes; *provided* that, such Additional Notes must either (i) be issued in a “qualified reopening” for U.S. Federal income tax purposes, with no more than a de minimis amount of original issue discount, or otherwise (ii) be part of the same issue as the Notes. Any Additional Notes and the existing Notes will constitute a single series under the Indenture and all references to the relevant Notes herein shall include the Additional Notes unless the context otherwise requires.

(c) The entire Outstanding principal amount of the Notes shall be payable on July 15, 2030, unless earlier redeemed or repurchased in accordance with the provisions of this Fourth Supplemental Indenture.

(d) The rate at which the Notes shall bear interest shall be 6.125% per annum (the “Applicable Interest Rate”). The date from which interest shall accrue on the Notes shall be January 13, 2025, or the most recent Interest Payment Date to which interest has been paid or provided for; the Interest Payment Dates for the Notes shall be January 15 and July 15 of each year, commencing July 15, 2025 (if an Interest Payment Date falls on a day that is not a Business Day, then the applicable interest payment will be made on the next succeeding Business Day with the same force and effect as if made on the scheduled Interest Payment Date and no additional interest will accrue as a result of such delayed payment); the initial interest period will be the period from and including January 13, 2025 (or the most recent Interest Payment Date to which interest has been paid or provided for), to, but excluding, the initial Interest Payment Date, and the subsequent interest periods will be the periods from and including an Interest Payment Date to, but excluding, the next Interest Payment Date or the Stated Maturity, as the case may be; the interest so payable, and punctually paid or duly provided for, on any Interest Payment Date, will be paid to the Person in whose name the Note (or one or more Predecessor Securities) is registered at 5:00 p.m. New York City time (the “close of business”) on the Regular Record Date for such interest, which shall be January 1 and July 1 (whether or not a Business Day), as the case may be, immediately preceding such Interest Payment Date. Payment of principal of (and premium, if any, on) and any such interest on the Notes will be made at the office of the Trustee located at 100 Wall Street, New York, NY 10005 and at such other address as designated by the Trustee, in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; *provided, however*, that in the case of Notes that are not in global form, at the option of the Company, payment of interest may be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register. Interest on the Notes will be computed on the basis of a 360-day year of twelve 30-day months.

(e) The Notes offered on the date hereof will be distributed initially only to (i) persons reasonably believed to be QIBs in reliance on Rule 144A and (ii) Non-U.S. Persons in reliance on Regulation S. Such Notes may thereafter be transferred only in accordance with the provisions of the Indenture.

(f) The Notes shall be initially issuable in global form (each such Note, a “Global Note”). The Global Notes and the Trustee’s certificate of authentication thereon shall be substantially in the form of Exhibit A to this Fourth Supplemental Indenture. Each Global Note shall represent the Outstanding Notes as shall be specified therein and each shall provide that it shall represent the aggregate amount of Outstanding Notes from time to time endorsed thereon and that the aggregate amount of Outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the amount of Outstanding Notes represented thereby shall be made by the Trustee or the Security Registrar, in accordance with Sections 2.03 and 3.05 of the Base Indenture.

(i) The Notes offered and sold to QIBs in reliance on Rule 144A shall be issued initially in the form of one or more 144A Global Notes, which shall be deposited with, or on behalf of, the Depository, or will remain in the custody of the Trustee pursuant to an agreement between the Depository and the Trustee.

(ii) The Notes offered and sold in reliance on Regulation S shall be issued initially in the form of one or more Regulation S Global Notes, which shall be deposited with, or on behalf of, a custodian for the Depository, or will remain in the custody of the Trustee pursuant to an agreement between the Depository and the Trustee, for credit to the respective accounts of the purchasers (or to such other accounts as they may direct) at Euroclear or Clearstream.

(iii) Unrestricted Global Notes shall be issued in accordance with Section 1.02(b)(vi) hereof and shall be deposited, duly executed by the Company and authenticated by the Trustee as hereinafter provided.

(g) The depository for such Global Notes (the “Depository”) shall be The Depository Trust Company, New York, New York, until a successor shall have been appointed and becomes such person, and thereafter, Depository shall mean or include such successor. The Security Registrar with respect to the Global Notes shall be the Trustee.

(h) The Notes shall be defeasible pursuant to Section 14.02 or Section 14.03 of the Base Indenture. Covenant defeasance contained in Section 14.03 of the Base Indenture shall apply to the covenants contained in Sections 10.06, 10.07 and 10.08 of the Indenture.

(i) The Notes shall be redeemable pursuant to Section 11.01 of the Base Indenture and as follows:

(i) Prior to June 15, 2030 (one month prior to the maturity of the Notes) (the “Par Call Date”), the Notes will be redeemable, in whole or in part, at any time, or from time to time, at the option of the Company, at a Redemption Price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of:

(A) (1) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (assuming the Notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 30 basis points less (2) interest accrued to the date of redemption, and

(B) 100% of the principal amount of the Notes to be redeemed, plus, in either case, accrued and unpaid interest, if any, to, but excluding, the Redemption Date.

Notwithstanding the foregoing, on or after the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time and from time to time, at a Redemption Price equal to 100% of the principal amount of the Notes to be redeemed plus accrued and unpaid interest thereon to the Redemption Date.

“Treasury Rate” means, with respect to any Redemption Date of the Notes, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third business day preceding the Redemption Date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily)—H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities—Treasury constant maturities—Nominal” (or any successor caption or heading) (“H.15 TCM”). In determining the Treasury Rate, the Company shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the Redemption Date to the Par Call Date (the “Remaining Life”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields – one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life – and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the Redemption Date.

If on the third business day preceding the Redemption Date H.15 TCM is no longer published, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second business day preceding such Redemption Date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date, as applicable. If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

Actions and determinations made by the Company with respect to determining the Redemption Price shall be conclusive and binding for all purposes, absent manifest error. The Trustee will not be responsible or liable for determining, confirming, or verifying the Redemption Price.

Notice of any redemption shall be mailed or electronically delivered (or otherwise transmitted in accordance with the Depository’s procedures) at least 10 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed, at the Holder’s address appearing in the Security Register. All notices of redemption shall contain the information set forth in Section 11.04 of the Base Indenture. If the Redemption Price is not known at the time such notice is to be given, the actual Redemption Price, calculated as described in the terms of the Notes, will be set forth in an Officers’ Certificate of the Company delivered to the Trustee no later than two Business Days prior to the Redemption Date. Any exercise of the Company’s option to redeem the Notes will be done in compliance with the Investment Company Act, to the extent applicable.

If the Company elects to redeem only a portion of the Notes, selection of the Notes for redemption shall be made pro rata, by lot or by such other method as the Trustee deems appropriate and fair with the prior written consent of the Company. No Notes of a principal amount of \$2,000 or less will be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption that relates to the Note will state the portion of the principal amount of the Note to be redeemed. A new note in a principal amount equal to the unredeemed portion of the Note will be issued in the name of the Holder of the Note upon surrender for cancellation of the original Note. For so long as the Notes are held by DTC, Euroclear or Clearstream (or another depositary), the redemption of the Notes shall be done in accordance with the policies and procedures of the depositary.

(j) Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date, interest will cease to accrue on the Notes called for redemption hereunder.

(k) The Notes shall not be subject to any sinking fund pursuant to Section 12.01 of the Base Indenture.

(l) The Notes shall be issuable in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

(m) Holders of the Notes will not have the option to have the Notes repaid prior to the Stated Maturity other than in accordance with Article Thirteen of the Indenture.

Section 1.02. Transfer and Exchange.

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred as a whole except by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Notes will be exchanged by the Company for Definitive Notes only if (i) the Company delivers to the Trustee notice from the Depositary that it is unwilling or unable to continue to act as Depositary or that it ceases to be a clearing agency registered under the Exchange Act and, in either case, a successor Depositary is not appointed by the Company within 90 days after the date of such notice from the Depositary or of such cessation, (ii) the Company in its sole discretion determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee or (iii) an Event of Default has occurred or is continuing. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 3.04 and 3.06 of the Base Indenture. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 1.02 or Sections 3.04 and 3.05 of the Base Indenture, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 1.02(a); however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 1.02(b) hereof.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with subsections (i) through (vi) below, as applicable, as well as one or more of the other following subsections, as applicable:

(i) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Restricted Notes Legend. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Security Registrar to effect the transfers described in this Section 1.02(b)(i).

(ii) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 1.02(b)(i) above, the transferor of such beneficial interest must deliver to the Security Registrar (A) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (B) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 1.02 hereof. Transfers by an owner of a beneficial interest in the 144A Global Note to a transferee who takes delivery of such interest through the Regulation S Global Note, whether before or after the expiration of the Restricted Period, shall be made only upon receipt by the Trustee of a certification from the transferor to the effect that such transfer is being made in accordance with Regulation S or, after the expiration of the Restricted Period, if available, Rule 144 under the Securities Act and that, if such transfer is being made prior to the expiration of the Restricted Period, the interest transferred shall be held immediately thereafter through Euroclear or Clearstream.

(iii) *Restrictions on Transfer of Regulation S Global Note.*

- (A) Prior to the expiration of the Restricted Period, interests in the Regulation S Global Note may only be held through Euroclear or Clearstream. Prior to expiration of the Restricted Period, transfers by an owner of a beneficial interest in the Regulation S Global Note to a transferee who takes delivery of such interest through the 144A Global Note shall be made only in accordance with Applicable Procedures and upon receipt by the Trustee of a written certification from the transferor of the beneficial interest in the form provided by Exhibit B or as otherwise provided by the Company in accordance with law to the effect that such transfer is being made to a person whom the transferor reasonably believes is a QIB within the meaning of Rule 144A in a transaction meeting requirements of Rule 144A. Such certification shall not be required after the expiration of the Restricted Period.
- (B) Upon the expiration of the Restricted Period, beneficial ownership interests in the Regulation S Note shall be transferable in accordance with law and the other terms of this Indenture.

(iv) *Other Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 1.02(b)(ii) above and delivers a certificate in the form of Exhibit B hereto.

(v) *Transfer and Exchange of Beneficial Interests in Global Notes to Definitive Notes.* In the event that a Global Note is exchanged for Definitive Notes in accordance with the terms of this Indenture (including Section 1.02(a)), such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 1.02 (b), (c), (d) and (e) (including the certification requirements set forth therein intended to ensure that such transfers comply with Rule 144A, Regulation S or such other applicable exemption from registration under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company reasonably necessary to comply with applicable law.

(vi) *Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in the Unrestricted Global Note.* A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 1.02(b)(i) above and:

- (A) such exchange or transfer is effected pursuant to a Registered Exchange Offer and the holder of the beneficial interest to be transferred, in the case of an exchange, or the transferee, in the case of a transfer, makes any and all certifications required in the applicable letter of transmittal (or is deemed to have made such certifications if delivery is made through the Applicable Procedures) as may be required by such Registration Rights Agreement;

- (B) such Notes are sold or exchanged pursuant to an effective registration statement under the Securities Act;
- (C) such transfer is effected by a broker-dealer pursuant to an exchange offer registration statement; or
- (D) the Security Registrar receives the following:

For the purposes of this definition, "voting stock" mean stock having voting power for the election of trustees, whether at all times or only so long as no senior class of stock has such voting power by reason of any contingency. In addition, for purposes of this definition, "Subsidiary" shall exclude any investments held by the Company in the ordinary course of business which are not, under GAAP, consolidated on the financial statements of the Company and its Subsidiaries.

If a Change of Control Repurchase Event occurs, unless the Company shall have exercised its right to redeem the Notes in full, the Company shall make an offer to each Holder of the Notes to repurchase all or any part (in minimum denominations of \$2,000 and integral multiples of \$1,000 principal amount in excess thereof) of that Holder’s Notes at a repurchase price in cash equal to 100% of the aggregate principal amount of Notes repurchased plus any accrued and unpaid interest and Additional Interest, if any, on the Notes repurchased to, but not including, the date of purchase. Within 30 days following any Change of Control Repurchase Event or, at the Company’s option, prior to any Change of Control, but after the public announcement of the Change of Control, the Company shall send a notice to each Holder describing the transaction or transactions that constitute or may constitute the Change of Control Repurchase Event and offering to repurchase Notes on the payment date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is sent. If any Repayment Date upon a Change of Control Repurchase Event falls on a day that is not a Business Day, then the required payment will be made on the next succeeding Business Day and no additional interest will accrue as a result of such delayed payment.

The Company will not be required to make an offer to repurchase the Notes upon a Change of Control Repurchase Event if a third party makes an offer in respect of the Notes in the manner, at the time and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer.”

[BACK OF NOTE]

Sixth Street Lending Partners

6.125% Notes due 2030

This Security is one of a duly authorized issue of securities of the Company (herein called the “Securities”), issued and to be issued in one or more series under an Indenture, dated as of March 11, 2024 (herein called the “Base Indenture”, which term shall have the meaning assigned to it in such instrument), between the Company and U.S. Bank Trust Company, National Association, as Trustee (herein called the “Trustee”, which term includes any successor trustee under the Base Indenture), and reference is hereby made to the Base Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee, and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered, as amended and supplemented by the Fourth Supplemental Indenture, relating to the Securities, dated as of January 13, 2025, by and between the Company and the Trustee (herein called the “Fourth Supplemental Indenture”, and the Fourth Supplemental Indenture and the Base Indenture collectively are herein called the “Indenture”). In the event of any conflict between the Base Indenture and the Fourth Supplemental Indenture, the Fourth Supplemental Indenture shall govern and control.

This Security is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$____. Under a Board Resolution, Officers’ Certificate pursuant to Board Resolutions or an indenture supplement, the Company may from time to time, without the consent of the Holders of Securities, issue additional Securities of this series (in any such case “Additional Securities”) having the same ranking and the same interest rate, maturity, CUSIP number and other terms as the Securities, provided that, such Additional Securities must either (i) be issued in a “qualified reopening” for U.S. federal income tax purposes, with no more than a de minimis amount of original issue discount, or otherwise (ii) be part of the same issue as the Securities for U.S. federal income tax purposes. Any Additional Securities and the existing Securities will constitute a single series under the Indenture and all references to the relevant Securities herein shall include the Additional Securities unless the context otherwise requires. The aggregate amount of Outstanding Securities represented hereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions.

The Securities of this series are subject to redemption prior to June 15, 2030 (one month prior to the maturity of the Notes) (the “Par Call Date”) in whole or in part at any time or from time to time, at the option of the Company, at a Redemption Price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of:

(A) (1) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (assuming the Securities matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 30 basis points less (2) interest accrued to the date of redemption, and

(B) 100% of the principal amount of the Securities to be redeemed,

plus, in either case, accrued and unpaid interest, if any, to, but excluding, the Redemption Date.

Notwithstanding the foregoing, at any time on or after the Par Call Date, the Company may redeem some or all of the Securities, at any time and from time to time, at a Redemption Price equal to 100% of the principal amount of the Securities to be redeemed plus accrued and unpaid interest thereon to the Redemption Date.

“Treasury Rate” means, with respect to any Redemption Date of the Notes, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third business day preceding the Redemption Date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily)—H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities—Treasury constant maturities—Nominal” (or any successor caption or heading) (“H.15 TCM”). In determining the Treasury Rate, the Company shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the Redemption Date to the Par Call Date (the “Remaining Life”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields – one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life – and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the Redemption Date.

If on the third business day preceding the Redemption Date H.15 TCM is no longer published, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second business day preceding such Redemption Date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date, as applicable. If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

Actions and determinations made by the Company with respect to determining the Redemption Price shall be conclusive and binding for all purposes, absent manifest error.

Notice of any redemption shall be mailed or electronically delivered (or otherwise transmitted in accordance with the depository’s procedures) at least 10 days but not more than 60 days before the Redemption Date, to each Holder of the Securities to be redeemed, at the Holder’s address appearing in the Security Register. All notices of redemption shall contain the information set forth in Section 11.04 of the Base Indenture.

Any exercise of the Company’s option to redeem the Securities will be done in compliance with the Investment Company Act, to the extent applicable.

If the Company elects to redeem only a portion of the Securities, selection of the particular Securities for redemption shall be made pro rata, by lot or by such other method as the Trustee deems appropriate and fair with the prior written consent of the Company. No Securities of a principal amount of \$2,000 or less will be redeemed in part. If any Security is to be redeemed in part only, the notice of redemption that relates to the Security will state the portion of the principal amount of the Security to be redeemed. A new security in a principal amount equal to the unredeemed portion of the Security will be issued in the name of the holder of the Security upon surrender for cancellation of the original Security. For so long as the Securities are held by DTC, Euroclear or Clearstream (or another depository), the redemption of the Securities shall be done in accordance with the policies and procedures of the depository.

Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date, interest will cease to accrue on the Securities called for redemption.

Holders will have the right to require the Company to repurchase their Securities upon the occurrence of a Change of Control Repurchase Event as set forth in the Indenture.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Security or certain restrictive covenants and Events of Default with respect to this Security, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Securities of this series shall occur and be continuing (other than Events of Default related to certain events of bankruptcy, insolvency or reorganization as set forth in the Indenture), the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture. In the case of certain events of bankruptcy, insolvency or reorganization described in the Indenture, 100% of the principal of and accrued and unpaid interest and Additional Interest on the Securities will automatically become due and payable.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Security shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Securities of this series, the Holders of not less than 25% in principal amount of the Securities of this series at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee indemnity, security, or both, satisfactory to the Trustee, against the costs, expenses and liabilities to be incurred in compliance with such request, and the Trustee shall not have received from the Holders of a majority in principal amount of Securities of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for sixty (60) days after receipt of such notice, request and offer of indemnity and/or security. The foregoing shall not apply to any suit instituted by the Holder of this Security for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities of this series are issuable only in registered form without coupons in denominations of \$2,000 and any integral multiples of \$1,000 in excess thereof. (a) Unless the Exchange Offer shall not be permissible under applicable law or Commission policy, the Company shall (i) use its commercially reasonable efforts to cause the Exchange Offer to be Consummated on the earliest practicable date after the Exchange Offer Registration Statement has become or been declared effective, but in no event later than 365 days after the Issue Date (or if such 365th day is not a Business Day, the next succeeding Business Day) and (ii) in connection with the foregoing, (A) file all pre-effective amendments to such Registration Statement as may be necessary in order to cause such Registration Statement to become or be declared effective, (B) if applicable, file a post-effective amendment to such Registration Statement pursuant to Rule 430A under the Securities Act and (C) cause all necessary filings in connection with the registration and qualification of the Exchange

Notes to be made under the state securities or blue sky laws of such jurisdictions as are necessary to permit Consummation of the Exchange Offer. The Exchange Offer Registration Statement shall be on the appropriate form permitting registration of the Exchange Notes to be offered in exchange for the Registrable Notes and to permit resales of Notes held by Broker-Dealers as contemplated by Section 3(c) hereof. The Company shall use its commercially reasonable efforts to cause all Exchange Notes to have the same CUSIP number.

(b) The Company shall use its commercially reasonable efforts to cause the Exchange Offer Registration Statement to be effective continuously and shall keep the Exchange Offer open for a period of not less than the minimum period required under applicable federal and state securities laws to consummate the Exchange Offer; *provided, however*, that in no event shall such period be less than 20 Business Days after the commencement of the Exchange Offer. The Company shall cause the Exchange Offer to comply with all applicable federal and state securities laws. No securities other than the Exchange Notes shall be included in the Exchange Offer Registration Statement.

(c) The Company shall indicate in a “Plan of Distribution” section contained in the Prospectus forming a part of the Exchange Offer Registration Statement that any Broker-Dealer who holds Notes that are Registrable Notes and that were acquired for its own account as a result of market-making activities or other trading activities (other than Registrable Notes acquired directly from the Company) may exchange such Notes pursuant to the Exchange Offer; however, such Broker-Dealer may be deemed to be an “underwriter” within the meaning of the Securities Act and must, therefore, deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of the Exchange Notes received by such Broker-Dealer in the Exchange Offer, which prospectus delivery requirement may be satisfied by the delivery by such Broker-Dealer of the Prospectus contained in the Exchange Offer Registration Statement. Such “Plan of Distribution” section shall also contain all other information with respect to such resales by Broker-Dealers that the Commission may require in order to permit such resales pursuant thereto, but such “Plan of Distribution” shall not name any such Broker-Dealer or disclose the amount of Notes held by any such Broker-Dealer except to the extent required by the Commission.

The Company shall use its commercially reasonable efforts to keep the Exchange Offer Registration Statement continuously effective, supplemented and amended as required by the provisions of Section 6(c) hereof to the extent necessary to ensure that it is available for resales of Notes acquired by Broker-Dealers for their own accounts as a result of market-making activities or other trading activities, and to ensure that it conforms with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period ending on the earlier of (i) 180 days from the date on which the Exchange Offer Registration Statement becomes or is declared effective and (ii) the date on which a Broker-Dealer is no longer required to deliver a prospectus in connection with market-making or other trading activities.

The Company shall provide sufficient copies of the latest version of such Prospectus to Broker-Dealers promptly upon request at any time during such 180-day (or shorter as provided in the foregoing paragraph) period in order to facilitate such resales.

SECTION 4. *Shelf Registration.*

(a) *Shelf Registration.* If (i) the Company is not required to file an Exchange Offer Registration Statement or to consummate the Exchange Offer because the Exchange Offer is not permitted by applicable law or Commission policy, (ii) for any reason the Exchange Offer is not Consummated within 365 days after the Issue Date (or if such 365th day is not a Business Day, the next succeeding Business Day), or (iii) with respect to any Holder of Registrable Notes (A) such Holder is

prohibited by applicable law or Commission policy from participating in the Exchange Offer, (B) such Holder may not resell the Exchange Notes acquired by it in the Exchange Offer to the public without delivering a prospectus and the Prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales by such Holder or (C) such Holder is a Broker-Dealer and holds Notes acquired directly from the Company or one of its affiliates, then, upon such Holder's request, the Company shall:

(x) cause to be filed a shelf registration statement pursuant to Rule 415 under the Securities Act, which may be an amendment to the Exchange Offer Registration Statement (in either event, the "**Shelf Registration Statement**"), as soon as practicable, but in no event later than the earliest to occur of (1) the 60th day after the date on which the Company determines that it is not required to file the Exchange Offer Registration Statement, (2) the 60th day after the date on which the Company receives notice from a Holder of Registrable Notes as contemplated by clause (iii) above and (3) the 365th day after the Issue Date (or if such 365th day is not a Business Day, the next succeeding Business Day) (the "**Shelf Filing Deadline**"), which Shelf Registration Statement shall provide for resales of all Registrable Notes the Holders of which shall have provided the information required pursuant to Section 4(b) hereof; and

(y) use its commercially reasonable efforts to cause such Shelf Registration Statement to become or be declared effective by the Commission at the earliest possible time, but in no event later than the 120th day after the Shelf Filing Deadline (or if such 120th day is not a Business Day, the next succeeding Business Day).

The Company shall use its commercially reasonable efforts to keep such Shelf Registration Statement continuously effective, supplemented and amended as required by the provisions of Sections 6(b) and (c) hereof to the extent necessary to ensure that it is available for resales of Registrable Notes entitled to the benefit of this Section 4(a), and to ensure that it conforms with the requirements of this Agreement, the Securities Act and the policies, rules and regulations of the Commission as announced from time to time, for a period of at least one year following the effective date of such Shelf Registration Statement (or shorter period that will terminate when all the Notes covered by such Shelf Registration Statement have been sold pursuant to such Shelf Registration Statement or are otherwise no longer Registrable Notes).

Notwithstanding the foregoing, the Company may suspend the offering and sale under the Shelf Registration Statement (the "**Suspension Period**") for a period or periods if (i) the board of trustees reasonably determines that the continued use of such Shelf Registration Statement would (A) require the Company to make a public disclosure of material non-public information, which disclosure in the good faith judgment of the board of trustees of the Company (1) would be required to be made in such Shelf Registration Statement so that such Shelf Registration Statement would not be materially misleading and (2) would not be required to be made at such time but for the continued use of such Shelf Registration Statement or (B) would in the good faith and judgment of the board of trustees of the Company be expected to have a material adverse effect on the Company or its business or on the Company's ability to effect a planned or proposed acquisition, disposition, financing, reorganization, recapitalization or similar transaction and (ii) the Company notifies the underwriters, if any, and the Holders of Registrable Notes within five days after the board of trustees makes the relevant determination set forth in clause (i); *provided* that the period or periods of suspension under clause (i) above shall not exceed, in the aggregate, 60 days in any twelve-month period during which the Shelf Registration Statement is required to be effective.

(b) *Provision by Holders of Certain Information in Connection with the Shelf Registration Statement.* No Holder of Registrable Notes may include any of its Registrable Notes in any Shelf Registration Statement pursuant to this Agreement unless and until such Holder furnishes to the Company in writing, within 10 Business Days after receipt of a request therefor, such information as the Company may reasonably request for use in connection with any Shelf Registration Statement or Prospectus or preliminary Prospectus included therein or amendment or supplement thereto. Each Holder as to which any Shelf Registration Statement is being effected agrees to furnish promptly to the Company all information required to be disclosed in order to make the information previously furnished to the Company by such Holder not materially misleading.

SECTION 5. *Additional Interest.* If (i) unless the Exchange Offer shall not be permissible under applicable law or Commission policy, the Exchange Offer Registration Statement has not been Consummated on or prior to the 365th day after the Issue Date (or if such 365th day is not a Business Day, the next succeeding Business Day), (ii) in the event the Company is required to file a Shelf Registration Statement pursuant to Section 4(a) hereof, (A) the Shelf Registration Statement is not filed by the Shelf Filing Deadline or (B) the Shelf Registration Statement has not become or been declared effective by the Commission on or prior to the 120th day after the Shelf Filing Deadline (or if such 120th day is not a Business Day, the next succeeding Business Day) or (iii) any Registration Statement required by this Agreement is filed and declared effective but shall thereafter cease to be effective or fail to be usable for its intended purpose without being immediately succeeded by a post-effective amendment to such Registration Statement that cures such failure and that is itself immediately declared effective (each such event referred to in clauses (i) through (iii), a “**Registration Default**”) then, with respect to the first 90-day period immediately following the occurrence of such Registration Default, the interest rate on the Registrable Notes will be increased by 0.25% per annum and will increase by an additional 0.25% per annum on the principal amount of Notes with respect to each subsequent 90-day period, up to a maximum of additional interest of 0.50% per annum (“**Additional Interest**”). Any amounts of Additional Interest due pursuant to this Section 5 will be paid in cash on the relevant Interest Payment Date to Holders of record on the relevant regular record dates. Following the cure of all Registration Defaults relating to any particular Registrable Notes, the interest rate borne by the relevant Registrable Notes will be reduced to the original interest rate borne by such Registrable Notes; *provided, however*, that, if after any such reduction in interest rate, a different Registration Default occurs, the interest rate borne by the relevant Registrable Notes shall again be increased pursuant to the foregoing provisions.

All obligations of the Company set forth in the preceding paragraph that are outstanding with respect to any Registrable Note at the time such security ceases to be a Registrable Note shall survive until such time as all such obligations with respect to such security shall have been satisfied in full.

Notwithstanding the foregoing, (i) the amount of Additional Interest payable shall not increase because more than one Registration Default has occurred and is pending at any given time and (ii) a Holder of Registrable Notes that has not provided the information required pursuant to Section 4(b) hereof within the time period set forth therein shall not be entitled to Additional Interest with respect to a Registration Default that pertains to the relevant Shelf Registration Statement.

SECTION 6. *Registration Procedures.*

(a) *Exchange Offer Registration Statement.* In connection with the Exchange Offer, the Company shall comply with all of the applicable provisions of Section 6(c) hereof, shall use its commercially reasonable efforts to effect such exchange to permit the sale of Registrable Notes being sold in accordance with the intended method or methods of distribution thereof, and shall comply with all of the following provision:

(i) As a condition to its participation in the Exchange Offer pursuant to the terms of this Agreement, each Holder of Registrable Notes shall furnish, upon the request of the Company, prior to the Consummation thereof, a written representation to the Company (which may be contained in the letter of transmittal contemplated by the Exchange Offer Registration Statement) to the effect that (A) it is not an affiliate of the Company, (B) it is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any Person to participate in, a distribution of the Exchange Notes to be issued in the Exchange Offer, (C) it is acquiring the Exchange Notes in its ordinary course of business, (D) if it is a Broker-Dealer that holds Notes that were acquired for its own account as a result of market-making activities or other trading activities (other than Notes acquired directly from the Company or any of its affiliates), it will deliver a prospectus meeting the requirements of the Securities Act in connection with any resales of the Exchange Notes received by it in the Exchange Offer, and (E) if it is a Broker-Dealer, that it did not purchase the Notes to be exchanged in the Exchange Offer from the Company or any of its affiliates. In addition, all such Holders of Registrable Notes shall otherwise cooperate in the Company's preparations for the Exchange Offer. Each Holder hereby acknowledges and agrees that any Broker-Dealer and any such Holder using the Exchange Offer to participate in a distribution of the securities to be acquired in the Exchange Offer (1) could not under Commission policy as in effect on the date of this Agreement rely on the position of the Commission enunciated in Morgan Stanley and Co., Inc. (available June 5, 1991) and Exxon Capital Holdings Corporation (available May 13, 1988), as interpreted in the Commission's letter to Shearman & Sterling dated July 2, 1993, and similar no-action letters (which may include any no-action letter obtained pursuant to clause (i) above), and (2) must comply with the registration and prospectus delivery requirements of the Securities Act in connection with a secondary resale transaction and that such a secondary resale transaction should be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K if the resales are of Exchange Notes obtained by such Holder in exchange for Notes acquired by such Holder directly from the Company.

(b) *Shelf Registration Statement.* In connection with the Shelf Registration Statement, the Company shall comply with all the provisions of Section 6(c) hereof and shall use its commercially reasonable efforts to effect such registration to permit the sale of the Registrable Notes being sold in accordance with the intended method or methods of distribution thereof, and pursuant thereto the Company will as expeditiously as is commercially reasonable prepare and file with the Commission a Shelf Registration Statement relating to the registration on any appropriate form under the Securities Act, which form shall be available for the sale of the Registrable Notes in accordance with the intended method or methods of distribution thereof.

(c) *General Provisions.* In connection with any Registration Statement and any Prospectus required by this Agreement to permit the sale or resale of Registrable Notes (including, without limitation, any Registration Statement and the related Prospectus required to permit resales of Notes by Broker-Dealers), the Company shall:

(i) use its commercially reasonable efforts to keep such Registration Statement continuously effective during the period required by this Agreement and provide all requisite financial statements;

(ii) upon the occurrence of any event that would cause any such Registration Statement or the Prospectus contained therein (A) to contain a material misstatement or omission or (B) not to be effective and usable for resale of Registrable Notes during the period required by this Agreement, the Company shall file promptly an appropriate amendment to such Registration Statement, in the case of clause (A), correcting any such misstatement or omission, and, in the case of either clause (A) or (B), use its commercially reasonable efforts to cause such amendment to become or be declared effective and such Registration Statement and the related Prospectus to become usable for their intended purpose(s) as soon as practicable thereafter;

(iii) prepare and file with the Commission such amendments and post-effective amendments to the applicable Registration Statement as may be necessary to keep the Registration Statement effective for the applicable period set forth in Section 3 or 4 hereof, as applicable, or such shorter period as will terminate when all Registrable Notes covered by such Registration Statement have been sold; cause the Prospectus to be supplemented by any required Prospectus supplement, and as so supplemented to be filed pursuant to Rules 424 or 497 under the Securities Act, and to comply fully with the applicable provisions of Rules 424, 430A and 497 under the Securities Act in a timely manner; and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement during the applicable period in accordance with the intended method or methods of distribution by the sellers thereof set forth in such Registration Statement or supplement to the Prospectus;

(iv) advise the underwriter(s), if any, and selling Holders promptly and, if requested by such Persons, to confirm such advice in writing, (A) when the Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to any Registration Statement or any post-effective amendment thereto, when the same has become or been declared effective, (B) of any request by the Commission for amendments to the Registration Statement or amendments or supplements to the Prospectus or for additional information relating thereto, (C) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement under the Securities Act or of the suspension by any state securities commission of the qualification of the Registrable Notes for offering or sale in any jurisdiction, or the initiation of any proceeding for any of the preceding purposes, (D) of the existence of any fact or the happening of any event that makes any statement of a material fact made in the Registration Statement, the Prospectus, any amendment or supplement thereto, or any document incorporated by reference therein untrue, or that requires the making of any additions to or changes in the Registration Statement or the Prospectus in order to make the statements therein not misleading. If at any time the Commission shall issue any stop order suspending the effectiveness of the Registration Statement, or any state securities commission or other regulatory authority shall issue an order suspending the qualification or exemption from qualification of the Registrable Notes under state securities or blue sky laws, the Company shall use its commercially reasonable efforts to obtain the withdrawal or lifting of such order at the earliest possible time;

(v) furnish without charge to the Initial Purchasers, each selling Holder named in any Registration Statement that has requested such copies, if any, and each of the underwriter(s), if any, before filing with the Commission, copies of any Registration Statement or any Prospectus included therein or any amendments or supplements to any such Registration Statement or Prospectus (other than any documents that will be incorporated by reference in such Registration Statement or Prospectus), which documents will be subject to the review and comment of such requesting Holders and underwriter(s) in connection with such sale, if any, for a period of at least five Business Days, and the Company will not file any such Registration Statement or Prospectus or any amendment or supplement to any such Registration Statement or Prospectus to which the Initial Purchasers of Registrable Notes covered by such Registration Statement or the underwriter(s), if any, shall reasonably object in writing within five Business Days after the receipt thereof (such objection to be deemed timely made upon confirmation of facsimile transmission within such period). The objection of the Initial Purchasers or underwriter, if any, shall be deemed to be reasonable if such Registration Statement, amendment, Prospectus or supplement, as applicable, as proposed to be filed, contains a material misstatement or omission;

(vi) make the Company's representatives reasonably available to the Initial Purchasers for customary due diligence matters;

(vii) make available at reasonable times for inspection by the Initial Purchasers, any Holder, the managing underwriter(s), if any, participating in any disposition pursuant to such Registration Statement and any attorney or accountant retained by the Initial Purchasers, Holder or any of the underwriter(s), in each case subject to confidentiality agreements in form and substance customarily entered into by the Initial Purchasers or underwriters, all financial and other records, pertinent corporate documents and properties of the Company and cause the Company's officers, trustees and employees to supply all information reasonably requested by any such Holder, underwriter, attorney or accountant in connection with such Registration Statement or any post-effective amendment thereto subsequent to the filing thereof and prior to its effectiveness and to participate in meetings with investors to the extent reasonably requested by the managing underwriter(s), if any;

(viii) if requested by any selling Holders listed as selling securityholders in any Registration Statement or the underwriter(s), if any, promptly incorporate in any Registration Statement or Prospectus, pursuant to a supplement or post-effective amendment if necessary, such information as such selling Holders and underwriter(s), if any, may reasonably request to have included therein, including, without limitation, information relating to the "Plan of Distribution" of the Registrable Notes, information with respect to the principal amount of Registrable Notes being sold to such underwriter(s), the purchase price being paid therefor and any other terms of the offering of the Registrable Notes to be sold in such offering; and make all required filings of such Prospectus supplement or post-effective amendment as soon as practicable after the Company is notified of the matters to be incorporated in such Prospectus supplement or post-effective amendment;

(ix) furnish to the Initial Purchasers, each selling Holder and each of the underwriter(s), if any, without charge, at least one copy of the Registration Statement, as first filed with the Commission, and of each amendment thereto, including financial statements and schedules, if requested, all documents incorporated by reference therein and all exhibits (including exhibits incorporated therein by reference), unless, in each case, publicly available;

(x) deliver to each selling Holder and each of the underwriter(s), if any, without charge, as many copies of the Prospectus (including each preliminary prospectus) and any amendment or supplement thereto as such Persons reasonably may request; the Company hereby consent to the use of the Prospectus and any amendment or supplement thereto by each of the selling Holders and each of the underwriter(s), if any, in connection with the offering and the sale of the Registrable Notes covered by the Prospectus or any amendment or supplement thereto;

(xi) in connection with an underwritten offering pursuant to a Shelf Registration Statement, enter into such agreements (including an underwriting agreement), and make such representations and warranties, and take all such other commercially reasonable actions in connection therewith in order to expedite or facilitate the disposition of the Registrable Notes. In furtherance of the foregoing, the Company shall:

(A) furnish to the Initial Purchasers, each selling Holder and each underwriter in such substance and scope as they may reasonably request and as are customarily made by issuers to underwriters in primary underwritten offerings, upon the date of the effectiveness of the Shelf Registration Statement:

(1) a certificate, dated the effectiveness of the Shelf Registration Statement, signed by (y) the Chief Executive Officer, the President or any Vice President and (z) a principal financial or accounting officer of the Company, confirming customary matters;

(2) if requested by a majority of selling Holders, an opinion, dated the date of effectiveness of the Shelf Registration Statement, of counsel for the Company, covering the matters customarily covered in opinions requested in underwritten offerings;

(3) a customary comfort letter, dated the date of effectiveness of the Shelf Registration Statement, from the Company's independent accountants, in the customary form and covering matters of the type customarily requested to be covered in comfort letters by underwriters in connection with primary underwritten offerings;

(B) set forth in full or incorporate by reference in the underwriting agreement, if any, the indemnification provisions and procedures of Section 8 hereof with respect to all parties to be indemnified pursuant to said Section; and

(C) deliver such other documents and certificates as may be reasonably requested by such parties to evidence compliance with Section 6(c)(xi)(A) hereof and with any customary conditions contained in the underwriting agreement or other agreement entered into by the Company pursuant to this Section 6(c)(xi), if any.

If at any time the representations and warranties of the Company contemplated in Section 6(c)(xi)(A)(1) hereof cease to be true and correct, the Company shall so advise the Initial Purchasers and the underwriter(s), if any, and each selling Holder promptly and, if requested by such Persons, shall confirm such advice in writing;

(xii) prior to any public offering of Registrable Notes, cooperate with the selling Holders, the underwriter(s), if any, and their respective counsel in connection with the registration and qualification of the Registrable Notes under the state securities or blue sky laws of such jurisdictions as the selling Holders or underwriter(s), if any, may request and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Registrable Notes covered by the Shelf Registration Statement; *provided, however*, that the Company shall not be required to register or qualify as a foreign corporation where it is not then so qualified or to take any action that would subject it to the service of process in suits or to taxation, other than as to matters and transactions relating to the Registration Statement, in any jurisdiction where it is not then so subject;

(xiii) in the case of a Shelf Registration Statement, shall issue, upon the request of any Holder of Notes covered by the Shelf Registration Statement and only in connection with any valid sale of Notes by such Holder pursuant to such registration statement (and provided that such Holder delivers such certificates or opinions reasonably requested by the Company in connection

with such sale), Exchange Notes having an aggregate principal amount equal to the aggregate principal amount of Notes surrendered to the Company by such Holder in exchange therefor or being sold by such Holder; such Exchange Notes to be registered in the name of such Holder or in the name of the purchaser(s) of such Exchange Notes, as the case may be; in return, the Notes held by such Holder shall be surrendered to the Company for cancellation;

(xiv) in the case of a Shelf Registration Statement, and subject to the forms of the Indenture, cooperate with the selling Holders and the underwriter(s), if any, to facilitate the timely preparation and delivery of certificates or book-entry receipts, as applicable, representing Registrable Notes to be sold and not bearing any restrictive legends; and enable such Registrable Notes or such book-entry receipts, as applicable, to be in such denominations and registered in such names as the Holders or the underwriter(s), if any, may request at least two Business Days prior to any sale of Registrable Notes made by such Holders or underwriter(s);

(xv) use its commercially reasonable efforts to cause the Registrable Notes covered by the Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the seller or sellers thereof or the underwriter(s), if any, to consummate the disposition of such Registrable Notes, subject to the proviso contained in Section 6(c)(xii) hereof;

(xvi) if any fact or event contemplated by Section 6(c)(iv)(D) hereof shall exist or have occurred, prepare a supplement or post-effective amendment to the Registration Statement or related Prospectus or any document incorporated therein by reference or file any other required document so that, as thereafter delivered to the purchasers of Registrable Notes, the Prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein not misleading;

(xvii) not later than the effective date of the Registration Statement covering such Exchange Notes, provide that the CUSIP and ISIN numbers for all Exchange Notes shall be the same unrestricted CUSIP and ISIN numbers as borne by the Existing Notes and provide the Trustee under the Indenture with printed certificates for such Exchange Notes which are in a form eligible for deposit with the Depository Trust Company and take all other action necessary to ensure that all such Exchange Notes are eligible for deposit with the Depository Trust Company;

(xviii) cooperate and assist in any filings required to be made with the FINRA and in the performance of any due diligence investigation by any underwriter (including any "qualified independent underwriter") that is required to be retained in accordance with the rules and regulations of the FINRA;

(xix) otherwise use its commercially reasonable efforts to comply with all applicable rules and regulations of the Commission, and make generally available to its security holders, as soon as practicable, a consolidated earnings statement meeting the requirements of Rule 158 under the Securities Act (which need not be audited) for the twelve-month period (A) commencing at the end of any fiscal quarter in which Registrable Notes are sold to underwriters in a firm commitment or commercially reasonable efforts Underwritten Offering or (B) if not sold to underwriters in such an offering, beginning with the first month of the Company's first fiscal quarter commencing after the effective date of the Registration Statement; and

(xx) cause the Indenture to continue to be qualified under the Trust Indenture Act as of, and not later than the effective date of the first Registration Statement required by this Agreement, and, in connection therewith, cooperate with the Trustee and the Holders of Exchange Notes to effect such changes to the Indenture as may be required for such Indenture to remain so qualified in accordance with the terms of the Trust Indenture Act; and to execute and use its commercially reasonable efforts to cause the Trustee to execute, all documents that may be required to effect such changes and all other forms and documents required to be filed with the Commission to enable such Indenture to be so qualified in a timely manner.

Each Holder agrees by acquisition of a Registrable Note that, upon receipt of any notice from the Company of the existence of any fact of the kind described in Section 6(c)(iv)(D) hereof or any Suspension Period, such Holder will forthwith discontinue disposition of Registrable Notes pursuant to the applicable Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof, or until it is advised in writing (the "*Advice*") by the Company that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus. If so directed by the Company, each Holder will deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in such Holder's possession, of the Prospectus covering such Registrable Notes that was current at the time of receipt of such notice. In the event the Company shall give any such notice, the time period regarding the effectiveness of such Registration Statement set forth in Section 3 or 4 hereof, as applicable, shall be extended by the number of days during the period from and including the date of the giving of such notice pursuant to Section 6(c)(iv)(D) hereof or notice of any Suspension Period to and including the date when each selling Holder covered by such Registration Statement shall have received the copies of the supplemented or amended Prospectus contemplated by Section 6(c)(xvi) hereof or shall have received the *Advice*; *provided, however*, that no such extension shall be taken into account in determining whether Additional Interest is due pursuant to Section 5 hereof or the amount of such Additional Interest, it being agreed that the Company's option to suspend use of a Registration Statement pursuant to this paragraph shall be treated as a Registration Default for purposes of Section 5 hereof.

SECTION 7. *Registration Expenses.* All expenses incident to the Company's performance of or compliance with this Agreement will be borne by the Company regardless of whether a Registration Statement becomes or is declared effective, including, without limitation: (i) all registration and filing fees and expenses (including filings made by the Initial Purchasers or Holder with the FINRA (and, if applicable, the fees and expenses of any "qualified independent underwriter" and its counsel that may be required by the rules and regulations of the FINRA)); (ii) all fees and expenses of compliance with federal securities and state securities or blue sky laws; (iii) all expenses of printing (including printing certificates for the Exchange Notes to be issued in the Exchange Offer and printing of Prospectuses), messenger and delivery services and telephone; (iv) all fees and disbursements of counsel for the Company; (v) application and filing fees in connection with listing the Notes on a securities exchange or automated quotation system pursuant to the requirements thereof; and (vi) all fees and disbursements of independent certified public accountants of the Company (including the expenses of any special audit and comfort letters required by or incident to such performance).

The Company will, in any event, bear its internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expenses of any annual audit and the fees and expenses of any Person, including special experts, retained by the Company.

SECTION 8. *Indemnification.*

(a) The Company agrees to indemnify and hold harmless (i) each Holder and (ii) each Person, if any, who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) any Holder (any of the Persons referred to in this clause (ii) being hereinafter referred to as a “**Controlling Person**”) and (iii) the respective officers, trustees, partners, employees, representatives and agents of any Holder or any Controlling Person (any Person referred to in clause (i), (ii) or (iii) may hereinafter be referred to as an “**Indemnified Holder**”), to the fullest extent lawful, from and against any and all losses, claims, damages, liabilities, judgments, actions and expenses (including, without limitation, and as incurred, reimbursement of all reasonable costs of investigating, preparing, pursuing, settling, compromising, paying or defending any claim or action, or any investigation or proceeding by any governmental agency or body, commenced or threatened, including the reasonable and documented fees and expenses of counsel to any Indemnified Holder), joint or several, directly or indirectly caused by, related to, based upon, arising out of or in connection with any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or Prospectus (or any amendment or supplement thereto), or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus, in the light of the circumstances under which they were made), not misleading, except insofar as such losses, claims, damages, liabilities or expenses are caused by an untrue statement or omission or alleged untrue statement or omission that is made in reliance upon and in conformity with information relating to any of the Holders furnished in writing to the Company by or on behalf of any of the Holders expressly for use therein. This indemnity agreement shall be in addition to any liability which the Company may otherwise have.

In case any action or proceeding (including any governmental or regulatory investigation or proceeding) shall be brought or asserted against any of the Indemnified Holders with respect to which indemnity may be sought against the Company, such Indemnified Holder (or the Indemnified Holder controlled by such Controlling Person) shall promptly notify the Company in writing; *provided, however*, that the failure to give such notice shall not relieve any of the Company of its obligations pursuant to this Agreement unless and to the extent the Company did not otherwise learn of such action and such failure results in the forfeiture by the Company of substantial rights and defenses. Such Indemnified Holder shall have the right to employ its own counsel in any such action and the reasonable and documented fees and expenses of such counsel shall be paid, as incurred, by the Company (regardless of whether it is ultimately determined that an Indemnified Holder is not entitled to indemnification hereunder). The Company shall not, in connection with any one such action or proceeding or separate but substantially similar or related actions or proceedings in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable and documented fees and expenses of more than one separate firm of attorneys (in addition to one local counsel for all indemnified parties taken as a whole in each jurisdiction reasonably required and, in the event of an actual conflict, one additional counsel in each relevant jurisdiction for the affected indemnified parties similarly situated taken as a whole) at any time for such Indemnified Holders, which firm shall be designated by the Holders. The Company shall be liable for any settlement of any such action or proceeding effected with the Company’s prior written consent, which consent shall not be unreasonably withheld or delayed, and the Company agrees to indemnify and hold harmless any Indemnified Holder from and against any loss, claim, damage, liability or expense by reason of any settlement of any action effected with the written consent of the Company. The Company shall not, without the prior written consent of each Indemnified Holder, settle or compromise or consent to the entry of judgment in or otherwise seek to terminate any pending or threatened action, claim, litigation or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not any Indemnified Holder is a party thereto), unless such settlement, compromise, consent or termination (i) includes a complete and unconditional release of each Indemnified Holder from all liability arising out of such action, claim, litigation or proceeding and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any Indemnified Holder.

(b) Each Holder of Registrable Notes agrees, severally and not jointly, to indemnify and hold harmless the Company and its trustees and officers who sign a Registration Statement, and any Person controlling (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) the Company and its officers, trustees, partners, employees, representatives and agents, to the same extent as the foregoing indemnity from the Company to each of the Indemnified Holders, but only with respect to claims and actions based on information relating to such Holder furnished in writing by or on behalf of such Holder expressly for use in any Registration Statement. In case any action or proceeding shall be brought against the Company or its trustees or officers or any such Controlling Person in respect of which indemnity may be sought against a Holder of Registrable Notes, such Holder shall have the rights and duties given to the Company, and the Company and its trustees and officers and such Controlling Person shall have the rights and duties given to each Holder by the preceding paragraph. This indemnity agreement shall be in addition to any liability which Holders may otherwise have.

(c) If the indemnification provided for in this Section 8 is unavailable to an indemnified party under Section 8(a) or (b) hereof (other than by reason of exceptions provided in those Sections) in respect of any losses, claims, damages, liabilities, judgments, actions or expenses referred to therein, then each applicable indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities, judgments, actions or expenses in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Holders, on the other hand, from the Initial Placement (which in the case of the Company shall be deemed to be equal to the total gross proceeds to the Company from the Initial Placement), the amount of Additional Interest which did not become payable as a result of the filing of the Registration Statement resulting in such losses, claims, damages, liabilities, judgments, actions or expenses, and such Registration Statement, or if such allocation is not permitted by applicable law, the relative fault of the Company, on the one hand, and the Holders, on the other hand, in connection with the statements or omissions which resulted in such losses, claims, damages, liabilities or expenses, as well as any other relevant equitable considerations. The relative fault of the Company, on the one hand, and of the Indemnified Holder, on the other hand, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, on the one hand, or the Indemnified Holders, on the other hand, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in the second paragraph of Section 8(a) hereof, any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any action or claim.

The Company and each Holder of Registrable Notes agrees that it would not be just and equitable if contribution pursuant to this Section 8(c) were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, none of the Holders (and its related Indemnified Holders) shall be required to contribute, in the

aggregate, any amount in excess of the amount by which the total discount received by such Holder with respect to the Notes exceeds the amount of any damages which such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 8(c) are several in proportion to the respective principal amount of Notes held by each of the Holders hereunder and not joint.

SECTION 9. *Rule 144A.* The Company hereby agrees with each Holder, for so long as any Registrable Notes remain outstanding, to make available to any Holder or beneficial owner of Registrable Notes in connection with any sale thereof and any prospective purchaser of such Registrable Notes from such Holder or beneficial owner, the information required by Rule 144A(d)(4) under the Securities Act in order to permit resales of such Registrable Notes pursuant to Rule 144A under the Securities Act, unless the Company is then subject to Section 13 or 15(d) of the Exchange Act.

SECTION 10. *Participation in Underwritten Registrations.* No Holder may participate in any Underwritten Registration hereunder unless such Holder (a) agrees to sell such Holder's Registrable Notes on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) completes and executes all reasonable questionnaires, powers of attorney, indemnities, underwriting agreements, lock-up letters and other documents required under the terms of such underwriting arrangements.

SECTION 11. *Selection of Underwriters.* If requested by the Holders of a majority in aggregate principal amount of the Registrable Notes covered by the Shelf Registration Statement, the Holders of Registrable Notes covered by the Shelf Registration Statement who desire to do so may sell such Registrable Notes in an Underwritten Offering. In such Underwritten Offering, the investment banker(s) and managing underwriter(s) that will administer such offering will be selected by the Holders of a majority in aggregate principal amount of the Registrable Notes included in such offering; *provided, however,* that such investment banker(s) and managing underwriter(s) must be reasonably satisfactory to the Company.

SECTION 12. *Miscellaneous.*

(a) *Remedies.* The Company hereby agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agrees to waive the defense in any action for specific performance that a remedy at law would be adequate.

(b) *No Inconsistent Agreements.* The Company will not on or after the date of this Agreement enter into any agreement with respect to its securities that is inconsistent with the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof. The rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of the Company's securities under any agreement in effect on the date hereof.

(c) *Adjustments Affecting the Notes.* The Company will not take any action, or permit any change to occur, with respect to the Registrable Notes that would materially and adversely affect the ability of the Holders to Consummate any Exchange Offer.

(d) *Amendments and Waivers.* The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given unless the Company have (i) in the case of Section 5 hereof and this Section 12(d)(i), obtained the written consent of Holders of all outstanding Registrable Notes and (ii) in the case of all other provisions hereof, obtained the written consent of Holders of a majority of the outstanding principal amount of Registrable Notes (excluding any Registrable Notes held by the Company or its Affiliates). Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof that relates exclusively to the rights of Holders whose securities are being tendered pursuant to the Exchange Offer and that does not affect directly or indirectly the rights of other Holders whose securities are not being tendered pursuant to such Exchange Offer may be given by the Holders of a majority of the outstanding principal amount of Registrable Notes being tendered or registered; *provided, however*, that, with respect to any matter that directly or indirectly affects the rights of the Initial Purchasers hereunder, the Company shall obtain the written consent of the Initial Purchasers with respect to which such amendment, qualification, supplement, waiver, consent or departure is to be effective.

(e) *Notices.* All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail (registered or certified, return receipt requested), or air courier guaranteeing overnight delivery:

- (i) if to a Holder, at the address set forth on the records of the Registrar under the Indenture, with a copy to the Registrar under the Indenture;

(f) *Successors and Assigns.* This Agreement shall inure to the benefit of and be binding upon the successors and assigns of each of the parties, including, without limitation, and without the need for an express assignment, subsequent Holders of Registrable Notes; *provided, however*, that this Agreement shall not inure to the benefit of or be binding upon a successor or assign of a Holder unless and to the extent such successor or assign acquired Registrable Notes from such Holder.

(g) *Counterparts.* This Agreement may be executed in any number of counterparts (including by facsimile or other method of electronic transmission) and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.
